Guidance Note on Reports of Audit Under Section 12A/10(23C) of the Income-tax Act, 1961

1. Introduction

1.1 Every charitable or religious trust or institution claiming income not includible in total income under section 11 and section 12 or any fund or institution or trust or any university or other educational institution or any hospital or other medical institution claiming income not includible in total income under sub-clauses (iv)/(v)/(vi)/(via) of clause (23C) of section 10 (and the total income without giving effect to the beneficial/exemption provisions exceeds the maximum amount which is not chargeable to income-tax in any previous year) needs to keep and maintain the books of account and other documents as per Rule 17AA of the Income-tax Rules, 1962 and also get its books of account audited mandatorily under the Income-tax Act, 1961. Rule 16CC and Rule 17B of the Income-tax Rules 1962 as amended by the Income-tax Amendment (3rd Amendment) Rules, 2023 governs the provisions related to the audit of assessee mentioned above. Rule 17AA provides the particulars of books of account and documents to be maintained by the Trust or Institutions, as the case may be. The audit report in respect of the same is required to be furnished one month prior to the due date of furnishing the return of income u/s 139(1) of the Act. As per the Notification No. 7/2023, dated 21.02.2023, CBDT has issued new (re-notified) Audit Report Form No. 10B and Form No. 10BB by the Income Tax Amendment (3rd Amendment) Rules, 2023 which has come into effect from 01.04.2023 applicable for assessment year 2023-24 onwards.

1.2 This Guidance Note covers the provisions of section 10(23C) (iv)/(v)/(vi)/(via), section 11 and 12 along with its allied rules. Along with audit reports in relation to Charitable Trusts & Institutions. The object of this Guidance Note is to provide guidance to the auditors for conduct of audit under section 12A and 10(23C). This Guidance Note will also be useful for those in charge of governance of charitable institutions for discharging their respective responsibilities towards audit of accounts of charitable institutions under

clause (b) of the tenth proviso to section 10(23C) and 12A(1)(b)(ii) of the Act. For the purpose for brevity in this Guidance Note such entities are referred to as “*Institutions/ Auditee*” without going into the fine distinction that may exist between a ‘trust’ and an “institution”. For the sake of convenience, ‘*Serial Number / Row number/ Field number*’ in Form No.10BB/10B is referred to as ‘Clause’. Say, Serial Number 1 of Form No.10BB/10B is read as Clause 1 of Form No.10BB/10B.

Objective of this Guidance Note

1.3 This Guidance Note intends to,

- (i) assist in understanding the respective responsibilities of the institution and the auditor.
- (ii) guide the auditor as to the nature and scope of information to be obtained by him from the institution to enable him to conduct the audit.
- (iii) provide guidance on the verification procedures to be adopted by the auditor for giving the audit report and the necessary information in the annexure thereto.
- (iv) give an idea about the various aspects including issues relating to the law of taxation of trusts/institutions
- (v) explain the circumstances where a disclosure or qualification or disclaimer may be required from the auditor while giving his audit report.
- (vi) provide guidance in ensuring compliance with the Accounting Standards issued, prescribed and made mandatory by the Institute of Chartered Auditors of India.
- (vii) facilitate compliance of Standards on Auditing (SAs) issued, prescribed and made mandatory by the Institute of Chartered Accountants of India.

Responsibility of the ‘Institutions’

1.4 Ensuring compliance of the provisions of sections 11 to 13 and 10(23C) is primarily the responsibility of the trust/institution. Therefore, those in charge of governance of institutions should ensure compliance of provisions of the Income-tax Act, 1961 as well as the other laws governing the institutions. For the purpose of audit under clause (b) of tenth proviso to section 10(23C) and section 12A(b)(1)(ii), the institution should prepare all the necessary

information and particulars required under the relevant provisions to enable the auditor to verify and report in accordance with the requirements of the Act. Further, such information and particulars should be duly authenticated by the competent authority governing the affairs of the institution. It would be advisable for the institution to take into consideration the following principles while preparing the necessary information and particulars;

- (a) It can rely upon the judicial precedents while taking any particular view about inclusion or exclusion of any items.
- (b) If there is a conflict of judicial opinion on any particular issue it should refer to the view which has been followed while giving the relevant particulars.

The institution should also make available to the auditor all the books of account, records and other documents as may be deemed necessary by the auditor for carrying out the audit.

Financial Action Task Force (FATF)

1.5 The Financial Action Task Force (FATF) is an independent inter-governmental body that develops and promotes policies to protect the global financial system against money laundering, terrorist financing and the financing of proliferation of weapons of mass destruction. The FATF Recommendations are recognized as the global anti-money laundering (AML) and counter-terrorist financing (CFT) standard. The FATF in its recommendations adopted by the FATF Plenary in February, 2012 in respect of *“International Standards on combating money laundering and the financing of terrorism & proliferation”* has recommended the following apart from other recommendations:

Recommendation 2012 (no. 8) –

“Countries should review the adequacy of laws and regulations that relate to non-profit organisations which the country has identified as being vulnerable to terrorist financing abuse. Countries should apply focused and proportionate measures, in line with the risk-based approach, to such non-profit organisations to protect them from terrorist financing abuse, including:

- (a) by terrorist organisations posing as legitimate entities;*
- (b) by exploiting legitimate entities as conduits for terrorist financing, including for the purpose of escaping asset-freezing measures;*
- and*

(c) *by concealing or obscuring the clandestine diversion of funds intended for legitimate purposes to terrorist organisations.”*

CAG Report on Performance audit on exemptions to charitable Trusts and Institutions

1.6 Also, as per CAG Report No. 12 of 2022 on “*Performance audit on exemptions to charitable Trusts and Institutions*” for the year ended March, 21 Paragraph 5.3.6 mentions the objective of audit of these institutions:

Charitable trusts claiming exemption under Section 11(1) are required to file Income Tax Returns in Form ITR-7, supported by Audit Report in Form 10B. The Audit Report prescribed under Rule 17B requires the Accountant to give his opinion whether to the best of his information, the accounts give a true and fair view. Besides, the Auditor has to provide some prescribed information in the Audit Report. The principal aim of this Audit Report is to enable the Assessing Officer to satisfy himself about the genuineness of the claim for exemption under Section of the Act and also whether the institution has complied with the requirements prescribed by the statute.

Audit is of the opinion that some additional information/data is required to be provided in the Audit Report so as to enable AOs to check the veracity of the assessee’s claim during assessment which are discussed in the succeeding paragraphs,

Further, the executive summary of the above-mentioned para reads as under:

Audit noticed deficiencies in the Audit Report in Form 10B applicable to charitable Trusts/Institutions such as absence of details of break-up of receipt under different heads, details of corpus donation, deemed application of income etc. which impacted the quality of assessment, incorrect claim made by the assessee and loss of revenue.

It appears that some of the amendments in the provisions of the Income-tax Act, 1961 relating to Trusts/Institutions have been brought in, in view of the above-mentioned reports.

Rationale behind the amendments in the provisions relating to Charitable Trusts and Institutions

1.7 Certain amendments were made in the Finance Act, 2022 which will be effective from 1st April, 2023 and accordingly shall apply to the Assessment year 2023-24 and subsequent Assessment years. Similarly, Rule 17AA as inserted by the Income-tax (24th Amendment) Rules, 2022 prescribes the books of account and other documents to be kept and maintained. The detailed rationale explaining the said amendments has been given in Circular No. 23/2022 dated 3rd November, 2022. The relevant extracts of the said circular are reproduced as under-

“9. Rationalisation of the provision of Charitable Trust and Institutions

9.1 Income of any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or subclause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 or any trust or institution registered u/s 12AA or 12AB of the Act is exempt subject to the fulfilment of the conditions provided under various sections. The exemption to these trusts or institutions is available under the two regimes:

- (i) Regime for any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or subclause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 (hereinafter referred to as trust or institution under first regime); and*
- (ii) Regime for the trusts registered under section 12AA/12AB (hereinafter referred to as trust or institution under the second regime).*

9.2 FA 2022 has rationalised the provisions of both the exemption regimes by- (I) ensuring their effective monitoring and implementation.

(II) bringing consistency in the provisions of the two exemption regimes; and (III) providing clarity on taxation in certain circumstances.

In addition to the above, some amendments consequent to the amendments of past few years have also been undertaken. All the amendments are discussed below:

9.3 Ensuring effective monitoring and Implementation of two exemption regimes.

9.3.1 Books of account to be maintained by the trusts or institutions under both the regimes.

- a) *Where the total income of any trust or institution under the second regime, as computed under this Act without giving effect to the provisions of section 11 and section 12 of the Act, exceeds the maximum amount which is not chargeable to income-tax in any previous year, it is required to get its accounts audited. Similar provision exists for the trusts or institutions under the first regime in the tenth proviso to clause (23C) of section 10 of the Act.*
- b) *However, prior to the amendments made vide FA 2022, there was no specific provision under the Act providing for the books of account to be maintained by such trusts or institutions. In order to ensure proper implementation of both the exemption regimes, FA 2022 has amended clause (b) of sub-section (1) of section 12A of the Act and tenth proviso to clause (23C) of section 10 of the Act to provide that where the total income of the trust or institution under both regimes, without giving effect to the provisions of clause (23C) of section 10 or section 11 and 12, exceeds the maximum amount which is not chargeable to tax, such trust or institution shall keep and maintain books of account and other documents in such form and manner and at such place, as may be prescribed. Accordingly, the books of accounts and other documents required to be maintained by such trust or institution under the first and second regime and the place where they are required to be maintained have been prescribed in rule 17AA of the Income-tax Rules, 1962 which has been notified vide Notification No. 94/2022 (GSR 622 E) dated 10.08.2022 published in the Official Gazette”.*

2. Specified date and Audit

2.1 Section 12A(1)(b)(ii) and clause (b) of tenth proviso of section 10(23C) specifies that the auditee is required to get the accounts audited on or before the specified date as referred to in section 44AB of the Act. The auditee is also required to furnish by the date, being the date referred to in section 44AB of the Act, the duly signed and verified auditor's report in Form no. 10B or 10BB (as applicable to the auditee). Such audit report shall be furnished electronically, as per Proviso to Rule no.12(2). **Specified date** as referred to in section 44AB is the date one month prior to the due date for furnishing the return of income under sub-section(1) of section 139 of the Act.

2.2 The audit report is required to be uploaded using digital signature of the auditor. In other words, as per prevailing practice, furnishing of the audit report involves the following steps:

- (i) The auditor to upload Form No. 10BB/10B in specified format using his digital signature. The said forms to be accompanied by audited financial statements,
- (ii) Thereafter, the auditee needs to login to his account in the e-filing portal of the Income tax, check the tab of 'Worklist' and approve the said form of audit report.

2.3 Some of the Central and State legislations relating to trusts and charitable institutions may provide for compulsory audit. For example, section 8 of Companies Act, 2013 (old section 25 of the 1956 Act), the Maharashtra Public Trusts Act, 1950, the Madhya Pradesh Public Trust Act 1951, etc. Such requirement of audit has to be construed purely in terms of the statutory provisions of the relevant Acts. This publication deals only with the audit report under section 12A/10(23C) of the Income-tax Act, 1961.

3. Penalty

Non-furnishing of Form No. 10BB/10B

3.1 There is no penalty as such for not getting the books of accounts audited and non-furnishing (electronically) of Audit Report as per the specified date referred to in section 44AB of the Act. However, one of the mandatory conditions for claiming exemption of income by the Trust or Institutions, if its total income exceeds the maximum amount which is not chargeable to income tax, is to get its books of account audited.

3.2 As per the mandatory condition for claiming exemption by charitable and religious institutions under section 11 and 12, as prescribed under Section 12A(1)(b)(ii); where total income of the trust or institution as computed under the Act without giving effect to the provisions of section 11 and 12 exceeds the maximum amount which is not chargeable to income tax, the accounts of such trust or institution should have been audited and audit report is furnished by the due date as referred to in Section 44AB of the Act. If the accounts of such trust or institution have not been audited or have not been furnished, such trust or institutions will not be eligible to claim benefit of section 11 and 12.

3.3 Similarly the Educational Institutions and Hospitals falling under clauses (iv), (v), (vi) or (via) of section 10(23C) of the Act ,will not be eligible to get exemption of income from Total Income under section 10 , unless such Institution is getting the accounts audited and furnishing the Audit Report (electronically) by due date as referred to in section 44AB of the Act.

3.4 However, condonation of delay under section 119(2)(b) of the Income-tax Act, 1961 in filing various forms is provided from time to time which may be referred to in this regard. In this regard, circular no.19/2020 dated 3.11.2020 and Circular no.15/2022 dated. 19-07-2022 can be referred (**Refer Appendix I and II**).

3.5 The due date specified in section 44AB in relation to the accounts of the assessee of the previous year relevant to an assessment year, means date one month prior to the due date for furnishing the return of income under section 139(1).

Default in delivery of statement in Form No. 10BD or furnishing of certificate in Form No. 10BE

3.6 Section 80G provides for deduction for eligible donations made to charitable and public religious trusts from gross total income. It inter alia includes donations made to “(iv) any other fund or any institution to which this

section applies” as a residuary clause. In order to be eligible to fall within the residuary clause 80G(2)(a)(iv), the conditions specified in section 80G(5) are required to be satisfied which inter alia include, at section 80G(5)(viii) and (ix), furnishing of a statement in Form No.10BD by the Donee institutions and issuance of Form No. 10BE to the donor.

3.7 Section 234G provides for a fee for default in delivering a statement in Form No. 10BD or furnishing a certificate in Form No. 10BE. In case, the same is not delivered or furnished within the prescribed time, the assessee is liable to pay Rs 200 per day for every day during which default continues. The late fee should not exceed the donation amount in respect of which delay has occurred in delivering Form No. 10BD.

3.8 As per Rule 18AB, Form No.10BD is to be furnished electronically on or before 31st May, immediately following the Financial Year in which donation is received. Certificate in Form No. 10BE is required to be furnished to donor on or before 31st May.

3.9 Apart from the fee for delay in delivering statement of donations in Form No. 10BD or delay in furnishing certificate in Form No. 10BE, such failure may also attract penalty under section 271K, which shall not be less than Rs.10,000/- but may extend up to Rs.1,00,000/-.

Penalty on Benefits to related persons (Section 271AAE)

3.10 The following penalty is leviable on the Trust/ Institution in respect of benefit to related persons (w.e.f. AY 2023-2024) :

- 100% of the aggregate amount of income applied for the benefit of any person referred under section 13(3) of the Act, where the violation is noticed for the first time.
- 200% of the aggregate amount of such income where the violation is noticed again in the subsequent year.

For details, please refer to section 271AAE of the Act.

Penalty for failure to furnish the return of income (section 272A(2)(e)):-

3.11 As per section 272A(2)(e), if any person fails to furnish the return of income which he is required to furnish under section 139(4A)/(4C) or to furnish it within the time allowed and in the manner required under those sub-sections, he shall pay, by way of penalty, a sum of five hundred rupees for every day during which the failure continues.

3.12 The auditee can furnish the return of income within the due date

specified under section 139(1) or 139(4) of the Act.

3.13 Section 139(4A) states as under:-

Every person in receipt of income derived from property held under trust or other legal obligation wholly for charitable or religious purposes or in part only for such purposes, or of income being voluntary contributions referred to in sub-clause (iia) of clause (24) of section 2, shall, if the total income in respect of which he is assessable as a representative assessee (the total income for this purpose being computed under this Act without giving effect to the provisions of sections 11 and 12) exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under section 139(1).

3.14 Relevant portion of section 139(4C)(e) states as under:-

Every fund or institution referred to in sub-clause (iv) or trust or institution referred to in sub-clause (v) or any university or other educational institution referred to in sub-clause (iiiab) or sub-clause (iiiad) or sub-clause (vi) or any hospital or other medical institution referred to in sub-clause (iiiac) or sub-clause (iii ae) or sub-clause (via) of clause (23C) of section 10 shall, if the total income in respect of such association or institution, person or fund or trust or university or other educational institution or any hospital or other medical institution is assessable, without giving effect to the provisions of section 10, exceeds the maximum amount which is not chargeable to income-tax, furnish a return of such income of the previous year in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed and all the provisions of this Act shall, so far as may be, apply as if it were a return required to be furnished under section 139(1).

Due date of filing of Return of Income

3.15 Section 12A(1)(ba) provides that the provisions of section 11 and section 12 shall not apply in relation to the income of any trust or institution unless the person in receipt of the income has furnished the return of income for the previous year in accordance with the provisions of section 139(4A), within the time allowed under 139(1) or 139(4) of the Act.

3.16 Similarly, twentieth proviso to section 10(23C) provides that for the purpose of exemption under this clause, every fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in section 10(23C) (iv)/(v)/(vi)/(via) shall furnish the return of income for the previous year in accordance with the provisions of section 139(4C) within the time allowed under section 139(1) or 139(4) of the Act.

4. Auditor

4.1 As per the provisions of section 12A(1)(b)(ii) and clause (b) of the tenth proviso to section 10(23C), audit of accounts of trust or institution has to be carried out by 'an accountant' as defined in the Explanation below sub-section (2) of section 288. The above-mentioned Explanation reads as under:

"In this section, "accountant" means a chartered accountant as defined in clause (b) of sub-section (1) of section 2 of the Chartered Accountants Act, 1949 (38 of 1949) who holds a valid certificate of practice under sub-section (1) of section 6 of that Act, but does not include except for the purposes of representing the assessee under sub-section (1)—

- (a) in case of an assessee, being a company, the person who is not eligible for appointment as an auditor of the said company in accordance with the provisions of sub-section (3) of section 141 of the Companies Act, 2013 (18 of 2013); or*
- (b) in any other case,—*
 - (i) the assessee himself or in case of the assessee, being a firm or association of persons or Hindu undivided family, any partner of the firm, or member of the association or the family;*
 - (ii) in case of the assessee, being a trust or institution, any person referred to in clauses (a), (b), (c) and (cc) of sub-section (3) of section 13;*
 - (iii) in case of any person other than persons referred to in sub-clauses (i) and (ii), the person who is competent to verify the return under section 139 in accordance with the provisions of section 140;*
 - (iv) any relative of any of the persons referred to in sub-clauses (i), (ii) and (iii);*
 - (v) an officer or employee of the assessee;*

- (vi) *an individual who is a partner, or who is in the employment, of an officer or employee of the assessee;*
- (vii) *an individual who, or his relative or partner—*
- (I) is holding any security of, or interest in, the assessee:*
- Provided** *that the relative may hold security or interest in the assessee of the face value not exceeding one hundred thousand rupees;*
- (II) is indebted to the assessee:*
- Provided** *that the relative may be indebted to the assessee for an amount not exceeding one hundred thousand rupees;*
- (III) has given a guarantee or provided any security in connection with the indebtedness of any third person to the assessee:*
- Provided** *that the relative may give guarantee or provide any security in connection with the indebtedness of any third person to the assessee for an amount not exceeding one hundred thousand rupees;*
- (viii) *a person who, whether directly or indirectly, has business relationship with the assessee of such nature as may be prescribed;*
- (ix) *a person who has been convicted by a court of an offence involving fraud and a period of ten years has not elapsed from the date of such conviction.*

For the purposes of aforesaid provisions, "relative" in relation to an individual, means—

- (a) spouse of the individual;
- (b) brother or sister of the individual;
- (c) brother or sister of the spouse of the individual;
- (d) any lineal ascendant or descendant of the individual;
- (e) any lineal ascendant or descendant of the spouse of the individual;
- (f) spouse of a person referred to in clause (b), clause (c), clause (d) or clause (e);

- (g) any lineal descendant of a brother or sister of either the individual or the spouse of the individual.

Rule 51A is also relevant to understand the meaning of 'business relationship' which reads as under:

Nature of business relationship.

51A. For the purposes of sub-clause (viii) of Explanation below subsection (2) of section 288, the term "business relationship" shall be construed as any transaction entered into for a commercial purpose, other than,

- (i) commercial transactions which are in the nature of professional services permitted to be rendered by an auditor or audit firm under the Act and the Chartered Accountants Act, 1949 (38 of 1949) and the rules or the regulations made under those Acts;
- (ii) commercial transactions which are in the ordinary course of business of the company at arm's length price - like sale of products or services to the auditor, as customer, in the ordinary course of business, by companies engaged in the business of telecommunications, airlines, hospitals, hotels and such other similar businesses

4.2 Thus, wide ranging changes have been brought in the definition of 'accountant' with restrictions on carrying out the audit /certification as required under the Income-tax Act, 1961 by chartered accountant having relationship with the auditee as specified in the aforesaid Explanation. One needs to be, therefore, more cautious while accepting the audit assignment and ensure that he/she does not fall into the prohibited categories given in Explanation to section 288(2) read with Rule 51A.

4.3 Though the section refers to the accounts being audited by an accountant which means a chartered accountant as defined above, the audit can also be done by a firm of chartered accountants. This has been a recognised practice under the Act. In such a case, it would be necessary to state the name of the partner who has signed the audit report on behalf of the firm. The member signing the report as a partner of a firm or in his individual capacity should give his membership number while registering himself in the e-filing portal.

4.4 Section 12A/ 10(23C) stipulates that only Chartered Accountants in full time practice should perform the audit. It may be noted that the Council at its

242nd meeting has passed a resolution effective from 1st April 2005, that any member in part-time practice (namely, holding a certificate of practice and also engaging himself in any other business and/or occupation) is not entitled to perform attest functions including tax audit.

4.5 The audit under section 12A/10(23C) being a recurring audit assignment, for expressing professional opinion on the financial statements and the particulars, the member accepting the assignment should communicate with the member who had done audit in the earlier year as provided in the Chartered Accountants Act, 1949. When making the enquiry from the retiring auditor, the member accepting the assignment should find out whether there are any professional or other reasons why he should not accept the appointment. The professional reasons for not accepting the appointment include:

- ◆ Non-compliance of the provisions of sections 139 and 140 of the Companies Act 2013 as mentioned in Code of Ethics issued by ICAI under Clause (9) of Part I of First Schedule to Chartered Accountants Act, 1949.
- ◆ Non-payment of undisputed audit fees by auditees other than in case of sick units for carrying out the statutory audit under the Companies Act, 2013 or various other statutes.
- ◆ Issuance of qualified report.

4.6 In case of a person whose accounts of the business or profession have been audited under any other law (i.e. a company, a co-operative society, etc. which is required to get the accounts audited under a Statute), it is not necessary to communicate with the statutory auditor if he had not done audit under section 12A/10(23C) in the earlier years. Attention of the members is invited to the detailed discussion in the publication of ICAI, "Code of Ethics" – **(Refer Appendix III)**. Further, attention of members is invited to the Chapter-VII "*Appointment of an Auditor in case of non-payment of undisputed fees*" of the Council Guidelines No.1- CA(7)/02/2008, dated 8th August, 2008 –**(Refer Appendix IV)** or other guidelines issued by the Council from time to time.

4.7 Some of the issues which are commonly raised in regard to different aspects of audit under section 12A/10(23C) vis-à-vis the liability/ obligations of the auditor are discussed hereunder:

4.8 The liability of the auditor in respect of this audit will be the same as in case of any other audit assignment. It may be noted that when any question relating to the audit conducted by an auditor arises, he is answerable to the Council of the Institute under the Chartered Accountants Act, 1949. In all matters, audit under section 12A/ 10(23C), ICAI's disciplinary jurisdiction will prevail.

4.9 In case the assessee is found guilty of having concealed the particulars of his income, it would not ipso facto mean that the auditor is also responsible. If the Assessing Officer comes to the conclusion that the auditor was grossly negligent in the performance of his duties, he can refer the matter to the ICAI so that appropriate action can be taken against the auditor under the Chartered Accountants Act, 1949.

4.10 If the actual work relating to examination of books and records is done by a qualified assistant in a firm of chartered accountants and the partner of the firm signing the audit report has relied upon this work action, if any, for professional negligence may be initiated against the member who has signed the report and in such an event, it would be open for the member concerned to prove that he has taken due care and diligence in the performance of his duties and is not aware of any reason to believe that he should not have so relied.

4.11 If the qualified assistant (whether or not holding the certificate of practice) is found to be grossly negligent in the performance of his duties, the Council of the Institute can take disciplinary action against him.

4.12 An auditor can accept the assignment of tax representation. The

provisions of Volume-I of Code of Ethics should be referred in this regard.

4.13 Under the Code of Ethics, no auditor shall charge or offer to charge, accept or offer to accept, professional fees by way of percentage of profits or which are contingent upon findings, or results of such employment, except as permitted under any regulation made under the Chartered Accountants Act. In this connection, reference is invited to Clause (10) of Part I of the First Schedule to the Chartered Accountants Act and the commentary on the subject at page 183 of the Code of Ethics (Volume II - 2020 Edition). Certain exceptions are made in Regulation 192. As per Regulation 192 (b), in the case of an auditor of a co-operative society, the fees may be based on a percentage of the paid up capital or the working capital or the gross or net income or profits.

4.14 The opinion expressed by the auditor is not binding on the assessee. If the auditor has qualified his report and expressed an opinion on a particular item, the assessee may take a different view while preparing his return of income. In such cases, it is advisable for the assessee to state his viewpoint and support the same by any judicial pronouncements on which he wants to rely.

4.15 In terms of Council Guidelines No.1 CA(&)/02/2008, dated 8th August, 2008 – **(Refer Appendix IV)**, in Chapter-X regarding “*Appointment of an auditor when he is indebted to a concern*”, a chartered accountant should not accept the audit of a person to whom he is indebted for more than rupees one lakh. A member of the Institute shall be deemed to be guilty of professional misconduct if he accepts appointment as an auditor of a concern while he is indebted to the concern or has given any guarantee or provided any security in connection with the indebtedness of any third person to the concern, for limits fixed in the statute and in other cases for amount exceeding rupees one lakh. However, Explanation to section 288(2) does not provide for any such threshold and hence irrespective of the quantum of indebtedness, a chartered accountant should not accept the assignment of audit as the same is prohibited by the said Explanation to section 288(2).

4.16 The relaxation provided in the said Explanation is only with respect to the relatives of the individual and not for the individual so appointed as auditor. This must be carefully noted by the member before accepting the assignment of audit. A member of the Institute in practice or a partner of a firm in practice or a firm, or a relative of such member or partner shall not accept appointment as auditor of a concern while indebted to the concern or given any guarantee or provided any security in connection with the indebtedness of any third

person to the concern, for limits fixed in the statute and in other cases for amount exceeding Rs. 1,00,000.

4.17 The auditor should obtain from the assessee a letter of appointment for conducting the audit. It is advisable that such an appointment letter should be signed by the person competent to sign the return of income in terms of the provisions of section 140 of the Act. It would also be useful if the letter affirms that no other auditor was appointed to conduct the audit for the year for which the appointment is being made. The letter may also give the name and address of the auditor for the previous year, wherever relevant. This would give the necessary information to the incoming auditor to enable him to communicate with the previous auditor. The letter of appointment should also specify the remuneration of the auditor. SA-210, *Agreeing the Terms of Audit Engagement* issued by the ICAI requires the auditor to agree with the terms of audit engagement with management or those charged with governance as appropriate. The agreed terms would need to be recorded in an audit engagement letter or other suitable form of written agreement and shall include:

- (a) The objective and scope of the audit of the financial statements: It should be specifically mentioned that the scope of audit is restricted to the provisions contained in relevant sections of the Income-tax Act, 1961 and the Income-tax Rules, 1962.
- (b) The responsibilities of the auditor;
- (c) The responsibilities of management;
- (d) Identification of the applicable financial reporting framework for the preparation of the financial statements; and
- (e) Reference to the expected form and content of any reports to be issued by the auditor as per the provisions of Income-tax Act, 1961 and Income-tax Rules, 1962 along with a statement that there may be circumstances in which a report may differ from its expected form and content.

4.18 In the interest of both client and auditor, the auditor should send an engagement letter, preferably before the commencement of the engagement, to help avoid any misunderstanding with respect to the engagement. The engagement letter documents and confirms the auditor's acceptance of the appointment, the objective and scope of the audit and the extent of the auditor's responsibilities to the client. However, it may be noted that wherever

an audit is to be conducted under a statute, acknowledgement of the letter of the auditor by the client is considered to be sufficient compliance of SA-210. The auditor should get the statement of particulars, as required in the annexure to the audit report, authenticated by the assessee before he reports the same.

4.19 The auditor is required to upload the audit report directly in the e-filing portal.

4.20 The chartered accountants should charge reasonable fees depending upon the responsibility involved under the revised forms and taking into consideration the work involved in audit assignment which has increased considerably consequent to the revision of the forms. It is necessary that members of the profession should also maintain reasonable standards of professional fees.

4.21 The auditee in respect of which audit is being conducted under section 10(23C)/12A may be governed by the provisions of the relevant statute like Companies Act, 2013, Maharashtra Public Trusts Act, 1950, The Rajasthan Public Trusts Act, 1959 and the like. These relevant statutes may contain provisions regarding manner of appointment of auditors which may or may not necessarily require appointment at the general body meeting of the institution. The applicable provisions shall be followed while appointing the auditor.

4.22 The appointment of the auditor for audit under section 12A/10(23C) in the case of a company need not be made at the general meeting of the members. It can be made by the Board of Directors or even by any Officer, if so, authorized by the Board in this behalf.

4.23 It is possible for the assessee to appoint two or more chartered accountants as joint auditors for carrying out the audit, in which case, the audit report will have to be signed by all the chartered accountants. In case of disagreement, they can give their reports separately. In this regard, attention is invited to Para 17 of the SA 299 (Revised), *Joint Audit of Financial Statements* issued by ICAI reproduced below:

"The joint auditors are required to issue common audit report, however, where the joint auditors are in disagreement with regard to the opinion or any matters to be covered by the audit report, they shall express their opinion in a separate audit report. A joint auditor is not bound by the views of the majority of the joint auditors regarding the opinion or matters to be covered in the audit report and shall express opinion formed by the said joint auditor in separate audit report in case of

disagreement. In such circumstances, the audit report(s) issued by the joint auditor(s) shall make reference to the separate audit report(s) issued by the other joint auditor(s).

The responsibility of joint auditors will be the same as in the case of other audits e.g. audit under the Companies Act, 2013. For details relating to such responsibility, in the case of joint tax audit, reference may be made to SA 299 (Revised), *Joint Auditors of Financial Statements*.

4.24 A chartered accountant who is responsible for writing or maintenance of the books of account of the assessee should not audit such accounts. This principle will apply to the partner of such a member as well as to the firm in which he is a partner. In view of this, a chartered accountant who is responsible for writing or maintenance of the books of account or his partner or the firm in which he is a partner should not accept audit assignment under section 10(23C)/12A in the case of such an assessee.

4.25 A chartered accountant/firm of chartered accountants, who is appointed as tax consultant of the assessee, can conduct audit under section 10(23C)/12A of the Act.

4.26 The Council of ICAI in its 281st meeting held from 3rd to 5th October, 2008 decided that an internal auditor of an assessee, whether working with the organisation or independently practicing chartered accountant or a firm of chartered accountants, cannot be appointed as his tax auditor. The decision was made effective from 12-12-2008.

4.27 The Council of the Institute, at its 378th meeting held on 26th and 27th September, 2018, noted its earlier decision taken at its 281st meeting held from 3rd to 5th October, 2008, that internal auditor of an assessee, whether working with the organization or independently practising Chartered Accountant being an individual chartered accountant or a firm of chartered accountants, cannot be appointed as his Tax auditor (under the Income Tax Act, 1961). Upon consideration, the Council has decided that based on the conflict in roles as statutory and internal auditor simultaneously, the bar on internal auditor of an entity to accept tax audit (under Income Tax Act, 1961) will also be applicable to GST Audit (under the Central Goods and Service Act, 2017). Accordingly, it is clarified that an Internal Auditor of an entity cannot undertake GST Audit of the same entity.

4.28 The intent of the Council of ICAI is clear from the decisions taken by it in respect of tax audit and GST audit. Accordingly, it can be inferred that an internal auditor of an assessee, whether working with the organisation or independently practicing chartered accountant or a firm of chartered accountants, cannot be appointed as his auditor under section 10(23C)/12A.

4.29 A question may arise whether an assessee can remove an auditor appointed under section 10(23C)/12A. The answer depends upon the facts and circumstances of the case. It is, however, possible for the management to remove an auditor where there are valid grounds for such removal. This may arise where the auditor has delayed the submission of audit report under section 10(23C)/12A for an unreasonable period, and if it is found that there is no possibility of getting the audit report uploaded before the specified date. In such cases, the management may be justified in removing the auditor. However, the auditor cannot be removed on the ground that he has given an adverse audit report or the assessee has an apprehension that the auditor is likely to give an adverse audit report. If there is any unjustified removal of auditors, the Ethical Standards Board constituted by the Institute can intervene in such cases. No other chartered accountant should accept the audit assignment if the removal of his predecessor is not on valid grounds.

4.30 The Institute has recommended fees for professional services on the basis of time devoted by a chartered accountant and his assistants. The fees for audit assignment can be charged by a chartered accountant on the basis of the work involved in the assignment. The revised minimum recommended scale of fees recommended by the Committee for Members in Practice as on date is given in **Appendix V**.

4.31 It may also be noted that a chartered accountant is required to generate and mention UDIN (Unique Documentation Identification Number) on each attestation/audit reports issued by him. The Institute of Chartered Accountants of India, through the Gazette notification dated 2nd August, 2019, has declared mandatory generation of UDIN for all kind of Certifications, GST and Tax Audit Reports and other Audit, Assurance and Attestation functions performed by practicing members as required by various regulators. Further, the CBDT has made quoting of UDIN mandatory for uploading any certification/audit report on income tax e-filing portal with effect from 27.04.2020. The UDIN so mentioned for the audit reports/certificates by the Chartered Accountants in the e-filing portal of Income tax Department, is validated online with the ICAI system-level integration. This validation of UDIN help in weeding out fake or incorrect audit reports not duly authenticated with the ICAI. If, for any reason,

a Chartered Accountant is unable to generate UDIN before submission of audit report/certificate, the income tax e-filing portal allows such submission. However, the Chartered Accountant has to generate and update the UDIN within 60 calendar days from the date of form submission on the income tax e-filing portal.

5. Books of Accounts and Records to be maintained

5.1 As mentioned earlier, Institutions are governed by different laws which may emanate from Public Trust Act of the relevant state, Indian Trusts Act, 1882, Societies Registration Act, 1860, Companies Act, 2013 and the like. The different forms of the institutions necessitate different forms of accounting aspects to be complied under the respective laws under which they are registered. For example, the Companies Act, 2013 requires that books of accounts may be kept at registered office or at other such place as Board of directors may decide. Likewise, Rajasthan Public Trusts Act, 1959 requires the auditor to forward the copy of audited financial statements to the Assistant Commissioner within whose jurisdiction the public trust has been registered; the Societies Registration Act, 1860 requires the auditor to forward the copy of the same to Registrar. Likewise, different laws mention different manner of maintenance of books of account and furnishing of the same to the respective authorities.

5.2 Form No. 10BB/10B requires the Auditor to give his opinion as to whether proper books of account have been maintained as per requirements of the Act and also whether the financial statements are in agreement with the books of accounts so maintained by the institution. In this publication, compliance pertaining to the requirement of Income-tax Act, 1961 and related Rules is being discussed.

Requirements of Income tax Act, 1961 and related Rules

5.3 Books of Account are the basis of ascertainment of income. Thus, the institutions must maintain regular books of account. Prior to the amendments made vide Finance Act 2022, there was no specific provision under the Act providing for the books of account to be maintained by such trusts or institutions.

5.4 In order to ensure proper implementation of both the exemption regimes, Finance Act, 2022 has amended section 12A(1)(b) of the Act and tenth proviso to section 10(23C) of the Act to provide that where the total income of the trust or institution under both regimes, without giving effect to the provisions of section 10(23C) or section 11 and 12, exceeds the maximum

amount which is not chargeable to tax, such trust or institution shall keep and maintain books of account and other documents in such form and manner and at such place, as may be prescribed. Accordingly, the books of accounts and other documents required to be maintained by such trust or institution under the first and second regime and the place where they are required to be maintained have been prescribed in rule 17AA of the Income-tax Rules, 1962 which has been notified vide Notification No. 94/2022 (GSR 622 E) dated 10.08.2022 published in the Official Gazette.

5.5 Accordingly, books of accounts and other documents are to be kept and maintained as prescribed under Rule 17AA (explained in detail in this publication).

5.6 Further, section 145 of the Income-tax Act, 1961 allows computation of income under the heads “*profit and gains from business or profession*” and “*income from other sources*” on cash method or mercantile method of accounting regularly employed by the assessee. The provisions of this section are not applicable in case the assessee does not have income under the above-mentioned heads of income.

5.7 Furthermore, the Finance Act, 2022 inserted an explanation to section 11, which reads as under:

Explanation.—For the purposes of this section, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it):

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.]

According to this explanation, application of income for the purposes of claiming exemption under section 11 and 12 shall be allowed only on actual payment basis. This section does not mention that the books of accounts are to be maintained on cash basis of accounting. However, this section influences institutions to adopt cash basis of accounting which may not be the intent of the law.

Requirements of Companies Act, 2013

5.8 Also, as per the provisions of Companies Act, 2013, corporate entities

are mandatorily required to maintain books of account on accrual method of accounting. This will also be applicable to section 8 companies registered under Companies Act. However, for the purpose of application of fund, computation is to be made on actual payment basis.

Requirements by Accounting Standards Board of ICAI

5.9 The Accounting Standards Board of ICAI has issued a Publication titled '*Technical Guide on Accounting for Not-for-Profit Organisations (NPOs)*'. The objective of the above-mentioned Technical Guide is reproduced below for reference:

"5. This Technical Guide is issued to recommend uniform accounting principles in accordance with the Accounting Standards and other generally accepted accounting principles in India for the preparation and presentation of financial statements of NPOs to meet the common information needs of the various stakeholders. This includes the application of sound accounting principles pertaining to recognition, measurement, presentation and disclosure of various items of income and expenses, assets and liabilities in the financial statements of NPOs keeping in view the peculiarities of their activities. The Technical Guide also recommends formats of financial statements keeping in view the objective of these entities being not-for-profit."

5.10 Further, attention is invited to the scope para of the publication which has been mentioned below (*relevant extracts only*):

"6. This Technical Guide is applicable to all NPOs whether established as trust, society or in any other form of organisation except those referred to in paragraphs below. It is also applicable to all categories of NPOs, whether community based, national or international, having their activities and operations in India.

7. This Technical Guide does not apply to NPOs for which separate pronouncements/formats have been issued by the relevant Statute, concerned Regulator, authority, or specific accounting pronouncements have been issued by the Institute of Chartered Accountants of India (ICAI). For example, formats have been prescribed for Trusts under Maharashtra Public Trust Rules, 1951, Guidance has been specifically given by ICAI for School, Political Parties. However, such NPOs are encouraged to follow this Technical Guide to the extent it is not contradictory to such pronouncements/ formats.

8. The requirements of various Acts including the Income-tax Act and

the Foreign Contribution (Regulation) Act, do not form part of this Technical Guide.”

5.11 Attention is invited to Para 97 of the said Technical Guide issued by Accounting Standards Board of ICAI [Emphasis supplied]:

“97. Proper books of account would not be deemed to be kept with respect to the matters specified therein if:

- (a) Such books are not kept as are necessary to give a true and fair view of the state of affairs of the NPO, and to explain its transactions;*
- (b) Such books are not kept on accrual basis and according to the double entry system of accounting; and*
- (c) Such books are not kept so as to reflect a true and fair view of various funds maintained by the NPO.*

According to the above paragraph of the said Technical Guide, proper books of accounts would not be deemed to have been kept in case the same are not kept on accrual basis and according to the double entry system of accounting.

5.12 The scope of the said Technical Guide clearly mentions that the requirements of various Acts including the Income-tax Act do not form part of the said Technical guide. Thus, to that extent, the provisions of Rule 17AA of the Income-tax Rules, 1962, section 145 and Proviso to section 11 shall apply. The institutions are however encouraged to follow the Technical Guide issued by Accounting Standards Board of ICAI to the extent it is not contradictory to pronouncements/formats issued by the relevant Statute, concerned Regulator, authority, or specific accounting pronouncements issued by the Institute of Chartered Accountants of India (ICAI).

5.13 For the purpose of reporting in respect of books of account the above aspects should be appropriately considered by the auditor.

6. Form of Financial Statements

6.1 In case of certain categories of assessees, e.g. company, society, charitable trusts etc., respective law governing the assessee prescribe form in which financial statements should be prepared and presented. In such a case, relevant provisions of law should be complied with for preparation and presentation of the financial statements. It should be noted that the responsibility for maintenance of books and records and that for preparation of financial statements is that of the assessee.

6.2 As per para 105 of the Publication titled '*Technical Guide on Accounting for Not-for-Profit Organisations (NPOs)*' issued by of Accounting Standards Board of ICAI (relevant extracts only)

".....NPOs which are not registered under the Companies Act but the statute which governs them prescribes a format for the purpose of preparation of the financial statements, should prepare the financial statements in accordance with the requirements of the said statute. The Accounting Standards should also be followed by such NPOs as are already discussed in this Technical Guide. For use by NPOs, which are not governed by any statute or for which the governing statute does not prescribe any formats, formats of financial statements are given in this Technical Guide. It has been emphasised that an NPO may modify the formats appropriately keeping in view the nature of activities, requirements of donor agencies, etc. The formats are to be viewed as laying down the minimum requirements that NPOs should present in their financial statements. Those NPOs which wish to present more detailed information are encouraged to do so."

6.3 The Accounting Standards Board of ICAI has issued Illustrative Formats of Financial Statements of NPOs in the Publication titled '*Technical Guide on Accounting for Not-for-Profit Organisations (NPOs)*' hosted at the link <https://resource.cdn.icai.org/74188asb60123.pdf> .

6.4 The accounting process in an organisation culminates in the preparation of its financial statements. Financial statements are intended to reflect the operating results during a given period and the state of affairs at a particular date in a clear and comprehensive manner. The basic financial statements relevant to an NPO are income and expenditure account and balance sheet and notes, other statements and explanatory material that are an integral part of the financial statements. They may also include supplementary schedules and information based on or derived from and expected to be read with such statements. In addition, NPOs should also prepare a cash flow statement in accordance with Accounting Standard (AS) 3, Cash Flow Statements where applicable. Financial statements do not, however, include reports by the governing body, for example, the trustees, statement by the Chairman, discussion and analysis by management and similar reports that may be included in a financial or annual report.

6.5 Income and expenditure account is a nominal account which is prepared by an NPO in lieu of a profit and loss account. An income and expenditure account should contain all revenue, gains and other income and expenses and losses incurred by an NPO during an accounting period. The net result, i.e.,

the difference between revenues and expenses is depicted in the form of surplus, i.e., excess of income over expenditure, or deficit, i.e., excess of expenditure over income for the period. For the preparation of income and expenditure account only revenue items are taken into consideration and capital items are totally excluded. Incomes received in advance and prepaid expenses at the end of the accounting period are also excluded while preparing this account and are disclosed as a liability and an asset, respectively, in the balance sheet. These are included as incomes and expenses in the accounting periods to which they relate.

6.6 The auditor may consider inviting attention of assesses towards the format appearing in the said publication. The said illustrative format can be accessed from the link <https://resource.cdn.icai.org/74188asb60123.pdf>.

7. Accounting Standards

7.1 Recognizing the need to harmonize the diverse accounting policies and practices in use in India and keeping in view the international developments in the field of accounting, the Council of the ICAI has issued Accounting Standards. The developments regarding Accounting Standards and its applicability is given in following paragraphs.

7.2 The legal recognition to the Accounting Standards formulated by the ICAI was granted in October 1998 with insertion of Section 211(3A), (3B), and (3C) in the Companies Act, 1956. The Companies Act, 2013 has replaced Companies Act, 1956. Section 211(3C) of the erstwhile Companies Act had provided that Accounting Standards issued by the ICAI may be prescribed by the Central Government in consultation with the National Advisory Committee on Accounting Standards (NACAS). As per the proviso to the section, till the notification of the Accounting Standards by the Government, the Accounting Standards issued by the ICAI were required to be followed by companies. In the year 2006, Accounting Standards 1 to 7 and 9 to 29 were notified by the Ministry of Corporate Affairs, Government of India, under the Companies (Accounting Standards) Rules, 2006 vide its notification dated December 7, 2006 in the Gazette of India. These were made effective in respect of accounting periods commencing on or after the publication of these Accounting Standards (i.e., December 7, 2006).

7.3 As per the Companies (Accounting Standards) Rules, 2006, Companies are classified into two categories, i.e., Small and Medium Companies (SMCs) and Non-SMCs. Under the Companies Act, 2013, section 129 provides for compliance to Accounting Standards. In accordance with section 133, the

Central Government prescribes the standards of accounting as recommended by the ICAI in consultation with and after examination of the recommendations made by the National Financial Reporting Authority. It was prescribed that the standards of accounting as specified under the Companies Act, 1956, shall be deemed to be the Accounting Standards until Accounting Standards are specified by the Central Government under section 133 of the Companies Act 2013. Accordingly, Accounting Standards notified under Companies (Accounting Standards) Rules, 2006 would continue to be followed under the Companies Act, 2013 also. In 2021, AS Rules 2006 were mirrored under the Companies Act 2013 and notified as Companies (Accounting Standards) Rules, 2021 applicable in respect of accounting periods commencing on or after April 01, 2021. Another set of Accounting Standards, i.e., Indian Accounting Standards (Ind AS) that are converged with globally accepted International Financial Reporting Standards have been notified under Companies (Indian Accounting Standards) Rules 2015 and already been implemented as per the Roadmap issued by the MCA by all the listed companies and Non-banking financial companies (NBFCs) and unlisted companies and NBFCs with net worth of INR 250 crores or more.

7.4 “*The Technical Guide on Accounting for Not-for-Profit Organisations (NPOs)*” issued by the Accounting Standards Board of ICAI gives guidance regarding applicability of Accounting Standards to NPOs.

Apart from the same, it also discusses the accounting framework of NPOs, Basis of Accounting and applicability of Accounting Standards to NPOs , Recognition and Measurement Principles, Books of Account to be maintained by an NPO, Fund based Accounting, Disclosures, Transition to accrual basis of accounting and Formats for financial statements of Not-for-Profit Organisations (NPOs).

7.5 Attention is also invited to following paragraphs of the above mentioned Technical Guide with regard to the applicability of Accounting Standards to NPOs:

Para 31 [Emphasis supplied]:

“From Paragraph 30, it is apparent that the Accounting Standards formulated by the ICAI do not apply to an NPO if no part of the activity of such entity is commercial, industrial or business in nature. The Standards would apply even if a very small proportion of activities is considered to be commercial, industrial or business in nature. For example, where an NPO is engaged in the commercial activity of granting loans/credit to small entrepreneurs at nominal rates of interest

or in the industrial activity of manufacturing clothes for the rural poor, Accounting Standards formulated by the ICAI would apply to such an NPO. It may be mentioned that since the Accounting Standards contain wholesome principles of accounting, these principles provide the most appropriate guidance even in case of those organisations to which Accounting Standards do not apply. It is, therefore, recommended that all NPOs, irrespective of the fact that no part of the activities is commercial, industrial or business in nature, should follow accrual basis of accounting and Accounting Standards other than for section 8 companies for which specific provisions of the Companies Act 2013 are already applicable. This is because following the Accounting Standards laid down by ICAI would help NPOs to maintain uniformity in the presentation of financial statements, appropriate disclosures and transparency. However, while applying the Accounting Standards certain terms used in the Accounting Standards may need to be modified in the context of the corresponding appropriate terms for NPOs. For instance, where an Accounting Standard refers to the term 'statement of profit and loss', in the context of NPOs, this Technical Guide uses the term 'income and expenditure account'.

Para 34 [Emphasis supplied]

So far, the ICAI has formulated 29 Accounting Standards, of which, 27 Standards are applicable as on date after withdrawal of two Standards i.e. AS 6 on Depreciation and AS 8 on Accounting for Research and Development. For the purpose of applicability of Accounting Standards, pursuant to the notification on Accounting Standards (referred to in Para 32) issued by the Central Government, companies have been classified as Small and Medium Sized Companies (SMCs) and Non-SMCs. ICAI has classified entities other than companies into four categories, viz., Level I, Level II, Level III and Level IV where Level IV, Level III and Level II entities are referred to as Micro, Small and Medium size entities (MSMEs), respectively. The criteria for classification of non-corporate entities and companies into different categories, and the applicability of the individual Accounting Standards to non-corporate entities and companies are given in Appendix I of this Technical Guide. Given their resources and scale of operations, entities falling within the category of SMCs/MSMEs are given relaxations/exemptions under certain Accounting Standards. This is relevant for micro, small and medium-sized NPOs also which meet the criteria of SMCs/MSMEs. In this context it may be mentioned that one of the criteria for categorising

SMCs/MSMEs is 'turnover', and turnover in respect of NPOs would mean their gross income and contributions received in corpus fund."

Para 105 [Relevant Extracts only][Emphasis supplied]:

"NPOs incorporated under section 8 of the Companies Act, 2013, are governed by the provisions of the said Act. Under the Act, these NPOs are required to follow the Accounting Standards notified by the MCA and to prepare balance sheet and statement of profit and loss account (income and expenditure account in case of companies not carrying business for profit) in the formats set out in Schedule III to the Act, or as near thereto as circumstances admit....."

7.6 Accounting Standards generally relevant to NPOs have been discussed in detail in the above-mentioned Technical Guide. Accordingly, the auditor should examine compliance with the mandatory Accounting Standards when conducting such audit.

8. Audit Procedures

8.1 In the case of an audit, the auditor is required to express his opinion as to whether the financial statements give a true and fair view of the state of affairs of the assessee in the case of the balance sheet and in the case of the profit and loss account/ income and expenditure account, of the income and application or profit and loss of its accounting year. As regards the Statement of Particulars annexed (Annexure) to the audit report (Form No. 10BB/10B), the auditor is required to give the opinion as to whether the particulars are true and correct. In giving his report, the auditor will have to use his professional skill and expertise and apply such audit tests/procedures as the circumstances of the case may require, considering the contents of the audit report. The auditor will have to conduct the audit by applying the generally accepted auditing procedures which are applicable for any other audit. The auditor should use professional judgment to apply the technique of audit sampling in accordance with the principles enunciated in SA 530 (Revised) "Audit Sampling" depending on the nature and volume of transactions, the materiality involved and the internal control procedures followed by the assessee. The auditor should also refer to the other Standards on Auditing (SAs) as may be relevant, issued by ICAI, as well as the "Guidance Note on Audit Reports and Certificates for Special Purposes".

8.2 Section 143 of the Companies Act, 2013 gives certain powers to the auditors to call for the books of account, information, documents, explanations,

etc. and to have access to all books and records. Attention is invited to SA 210, *Agreeing the Terms of Audit Engagements*. The Standard requires an auditor to establish whether the pre-conditions for an audit are present so as to accept or continue an audit engagement. As per para 6(b)(iii) of SA 210 the auditor is required to obtain agreement of management that it acknowledges and understands its responsibilities to provide the auditor with

- (a) access to all information of which the management is aware that is relevant to the preparation of the financial statements such as records, documentation and other matters,
- (b) additional information that the auditor may request the management for the purpose of the audit and
- (c) unrestricted access to persons within the entity from whom the auditor determines it necessary to obtain audit evidence.

Moreover, since the appointment of the auditor is made by the assessee, it will be in the interest of the assessee to furnish all the information and explanations and produce books of account and records required by the auditor. If, however, after agreeing to the terms of the engagement, the assessee subsequently refuses to produce any particular record or to give any specific information or explanation in relation to the reporting requirement, the auditor should see the impact thereof from the perspective of “management integrity” vis-a-vis overall assessment of risk of misstatements in accordance with SA 315, *Identifying and Assessing the risks of material misstatement through understanding the entity and its environment* and consequently form his/her opinion for reporting in observations/qualification para of Form No. 10BB/10B.

8.3 The audit report given under this section is to assist the Income-tax Department to verify whether the assessee has complied with the relevant provisions of the Act. The auditor should keep necessary working papers about the evidence on which he has relied upon while conducting the audit and also maintain all the necessary working papers. Such working papers should include auditor’s notes on the following, amongst other matters:

- (a) work done while conducting the audit and by whom;
- (b) explanations and information given to him during the course of the audit and by whom;
- (c) decision on the various points taken;

- (d) the judicial pronouncements relied upon by him while making the audit report; and
- (e) certificates issued by the client/management letters.

8.4 The requirements of documentation are applicable in respect of audit conducted by chartered accountants. For this purpose, attention is also invited to SA 230, *Audit Documentation*, which provides that the auditor should prepare documentation that provides a sufficient and appropriate record of the basis for the auditor's report and evidence that the audit was planned and performed in accordance with SA's and applicable legal and regulatory requirements.

8.5 Certain clauses of audit report in Form No. 10BB/10B may require reporting on some items in respect of which full information may not be available in books of account. In respect of such clauses the auditor will require inputs from the management. The auditor may raise certain issues for soliciting views of Those Charged with Governance. Therefore, the auditor should consider SA 580 – *Written Representations* and consider obtaining representation from management in appropriate circumstances and at appropriate time i.e. before commencement of audit or after conclusion of audit process.

8.6 In case of the conduct of a statutory audit for the purpose of expression of the auditor's opinion as to whether the financial statements depict a 'true and fair' view, the auditor applies audit sampling. Similarly, in case of audits of institution under section 10(23C) or 12A also the auditor may apply audit sampling techniques as prescribed in SA 530, *Audit Sampling* on the information provided by the assessee to obtain sufficient appropriate audit evidence to be able to draw reasonable conclusions on which to base the audit opinion. The extent of check undertaken would have to be indicated by the auditor in the working papers and audit notes. The auditor would be advised to so design the audit programme as would reveal the extent of checking and to ensure adequate documentation in support of the information being certified.

8.7 Where the assessee has been subjected to an internal audit and the auditor decides to use the work of the internal auditor for the purpose of the tax audit under section 10(23C)/12A, the latter's procedures would be guided by the principles laid down in Standard on Auditing (SA) 610 (Revised), *Using the Work of Internal Auditors*.

8.8 The ICAI had pursuant to the issuance of the Revised SA 700, Forming

an Opinion and Reporting on Financial Statements, prescribed a revised format of the auditor's report on financial statements, which has been made effective in respect of audits of financial statements for periods beginning on or after 1st April 2018. Since Form No. 10BB/10B are required to be furnished online in a preset form and the same are not in line with the requirements of SA 700 (Revised), there is no specifically allocated field for providing information relating to the respective responsibilities of the assessee and the auditor as required in terms of the principles laid out in SA 700 (Revised). However, having regard to the importance of these respective responsibility paragraphs from the perspective of the readers of the audit report, it is suggested that these respective responsibility paragraphs can be given in the space, provided for giving observations/ Qualification in Form No. 10BB/10B, as the case may be.

8.9 The illustrative Assessee's responsibility paragraph and Auditor's responsibility paragraphs in respect of Form No. 10BB/10B are given hereunder. The same may be suitably re-worded to meet the situation envisaged in Form No. 10BB/10B. **“Assessee's Responsibility for the Financial Statements and the Statement of Particulars in Form No.10BB/10B**

1. *The assessee is responsible for the preparation of the aforesaid financial statements that give a true and fair view of the financial position and financial performance (if applicable) in accordance with the applicable financial reporting framework. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.*
2. *The assessee is also responsible for the preparation of the 'Annexure-Statement of particulars' required to be furnished along with Form No.10BB/10B that give true and correct particulars as per the provisions of the Income-tax Act, 1961 read with Rules, Notifications, Circulars etc. that are to be included in the Statement.*

Auditor's Responsibility

3. *My/ Our responsibility is to express an opinion on these financial statements based on my/our audit. I/We have conducted this audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we*

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

4. *An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.*
5. *I/We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my/our audit opinion.*
6. *I/We are also responsible for verifying the statement of particulars required to be furnished/annexed herewith in Form No. 10BB/10B read with Rule 17B/16CC of Income tax Rules, 1962.*

8.10 In this regard, attention of the members is also invited to the Announcement regarding "Applicability of SA 700 (Revised), forming an opinion and reporting on financial statements, to formats of auditor's reports prescribed under various laws and/ or regulations" (01.04.2018), issued by ICAI, given in (Refer Appendix VI).

9. Professional Misconduct

9.1 It may be noted that when any question relating to professional misconduct in connection with audit arises, the auditor would be liable under the Chartered Accountants Act, 1949 and the ICAI's disciplinary jurisdiction will prevail in this regard. ICAI has constituted the Taxation Audits Quality Review Board (TAQRB) with a sole aim to review any report prescribed under the Income-tax Act, 1961 and Rules framed thereunder and any report prescribed under the Indirect Tax Laws including GST Law which are certified by a Chartered Accountant with a view to determine, to the extent possible, compliance with the reporting requirements prescribed under the respective Acts and related Rules and pronouncements, guidance notes issued, if any,

by ICAI in respect of the same. TAQRB, when finds any error or mistake or limitation in tax audit report, appropriate action, including referring case for disciplinary proceedings, is initiated.

- (i) in the case of the balance sheet of the state of the affairs of the auditee as on _____ and
- (ii) in the case of the income and expenditure account or profit and loss account of the income and application or profit or loss of its accounting year ending on_____.

12.7 The requirement in Form No. 10BB/10B relating to 'Statement of particulars to be given in the annexure is that the auditor should report that the particulars given therein are "*true and correct*". The terminology "*true and fair*" is widely understood though not defined under the Income-tax Act, 1961. The words "*true and correct*" lay emphasis on factual accuracy of the information.

12.8 In this context, reference is invited to AS-1 relating to disclosure of accounting policies. These standards recognise that the major considerations governing the selection and application of accounting policies are:

- (i) prudence,
- (ii) substance over form and
- (iii) materiality.

Therefore, while reporting particulars in annexure to the Form No.10BB/10B, these aspects should be kept in view. In particular, considering the statement

of particulars to be given in annexure, the aspect of materiality should be considered. In other words, particulars should be given in respect of material items and the auditors should assess factual correctness relating to these particulars. Attention of the members, in this context is, however, also drawn to Para 51 of “*Framework for Assurance Engagements*” reproduced below:

“51. Reasonable assurance” is less than absolute assurance. Reducing assurance engagement risk to zero is very rarely attainable or cost beneficial as a result of factors such as the following:

- *The use of selective testing.*
- *The inherent limitations of internal control.*
- *The fact that much of the evidence available to the auditor is persuasive rather than conclusive.*
- *The use of judgment in gathering and evaluating evidence and forming conclusions based on that evidence.*
- *In some cases, the characteristics of the subject matter when evaluated or measured against the identified criteria.”*

12.9 The auditor has to report that the financial statements audited by him give a ‘true and fair’ view. With regard to the term “*true and fair view*”, the auditor is advised to consider the Framework for Preparation and Presentation of Financial Statements as also paragraph 12, 13, 14 and 27 of SA 700 (Revised), *Forming an opinion and reporting on Financial Statements*. Attention of the members is drawn to Para 5 of SA 200, *Overall Objectives of the Independent Auditor and Conduct of an audit in accordance with Standards on Auditing*” reproduced below:

“5. As the basis for the auditor’s opinion, SAs require the auditor to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error. Reasonable assurance is a high level of assurance. It is obtained when the auditor has obtained sufficient appropriate audit evidence to reduce audit risk (i.e., the risk that the auditor expresses an inappropriate opinion when the financial statements are materially misstated) to an acceptably low level. However, reasonable assurance is not an absolute level of assurance, because there are inherent limitations of an audit which result in most of the audit evidence on which the auditor draws conclusions and bases the auditor’s opinion being persuasive rather than conclusive.”

12.10 While reporting under this paragraph of Form No. 10BB/ Form No.10B, the auditor besides mandatory requirements of SA 700 should report observations/qualifications which affect his reporting about obtaining all the information which were necessary for the purposes of the audit, about the true and fair view of the financial statements. Further, only such observations which are of qualificatory nature should be mentioned under this paragraph. While reporting under any clause of annexure to Form No.10BB/ 10B, the auditor may be of the view that any elucidation, qualification, disclaimer, etc. is required to be stated. These aspects may also be stated in the said paragraph. All these aspects should also refer number of the clause (of the annexure) to which it relates. In case the auditor has no observations/ qualification, "NIL" should be reported in this paragraph. The auditor may then give his report as required. The auditor should comply with the Standards of Auditing (SA) issued by the ICAI while giving his opinion on the financial statements in Form No. 10BB/10B.

12.11 Where any of the requirements in this form are answered in negative or with qualification, the report shall state the reasons thereof. The auditor should state this qualification in the audit report in the observations/qualifications paragraph of Form No. 10BB/10B so that the same becomes a comprehensive report and the user of the audited statement of particulars can realize the impact of such qualifications.

12.12 Form No. 10BB /10B requires that the person, who signs this audit report, shall indicate reference of his membership No. As such, where a chartered accountant acts as an auditor, he should give his membership number with ICAI while registering himself in the e-filing portal. In case the e-filing utility of Form No. 10BB/10B requires the mention of the Firm Registration number and the name of the firm on whose behalf the member has conducted audit, the same should invariably be provided by the auditor. The auditor should also mention the Unique Document Identification Number (UDIN) for issuing the audit report, if available at the time of signing.

15. Commencement of activities

[Clause 10/13 of Form No.10BB/10B respectively]

- (i) **Where the auditee has been granted provisional registration or provisional approval, whether activities have commenced during the previous year**
- (ii) **If yes in 10 (i) , date of commencement of activities**
- (iii) **If the answer to 10(i) is yes, whether application for registration under section sub-clause (iii) of clause (ac) of sub-section (1) of section 12A or approval under clause (iii) of the first proviso to clause (23C) of section 10 has been filed?**
- (iv) **If yes in 10(iii) above, the date of application for registration or approval.**

15.1 According to section 12A of Income-tax Act, 1961, provisions of section 11 and section 12, regarding exemption of income, will not be applicable to institution etc., unless an application for its registration is made as per section

12AB of the Act. The provisional registration so granted shall be valid for a period of up to 3 years, with an application for renewal being required to be made within a period of 6 months after commencement of activities, or 6 months before expiry of the 3-year period, whichever is earlier.

15.2 Reporting under this clause would be required when the registration renewal application is required to be made in cases of provisional registration/approval. In this case, the auditor should verify the records of the actual commencement of activity in accordance with objects of the entity for the purpose of which provisional registration was being granted and report the actual date of commencement of such activities.

15.3 Under Clause 10/13 of Form No. 10BB/10B, the auditor has to mention date of commencement of activities where the auditee has been granted provisional registration and if yes, whether application for final registration under section 12A(1)(ac)(iii) or approval under clause (iii) of the first proviso to section 10(23C) has been filed.

15.4 Item No. (i) and (ii) of this clause are applicable in cases where the auditee is granted the provisional registration /approval. In a case where the auditee has obtained the provisional registration/ approval, the auditor is required to state whether the activities have commenced during the previous year and if yes, the date of such commencement. Thus, auditor is required to report about commencement of activities and date of such commencement.

15.5 This bears importance as the entities which are provisionally registered were required to file an application for final registration within 6 months of commencement of their activities or 6 months prior to expiry of their provisional registration whichever is earlier.

15.6 The auditor should verify from the auditee as to which date has been considered as date of commencement and the reason for the same. The auditor should also obtain suitable management representation in this regard. Where the auditee has already commenced their activities during the previous years, it would have filed an application for final registration in Form No. 10AB within 6 months of commencement. The information given by the management can be cross verified from Form No. 10AB submitted by the auditee, if made available as the details of furnishing, its status, date of final registration/ cancellation and URN are required to be reported in Form No. 10AB.

15.7 The auditor should discuss with auditee and apply his professional judgement to validate whether and when the activity is said to have been commenced. Where the activities of the auditee have not commenced during

the previous year, the auditee may not have filed any application for final registration. In such cases, the auditor should verify the activities of the auditee during the previous year and decide whether the activities have actually not commenced. If indeed the activities have not commenced, the auditor should state "No". If according to the auditor, the activities have not commenced, the auditor may bring to the notice of the auditee to take appropriate action and state the correct position in respect of registration under this clause.

No provisional registration needed w.e.f. 01. 10. 2023

15.8 Any trust or institution which requires or needs to get registration under section 10(23C) or 12AB or 80G needs to apply for provisional registration before commencement of activities.

15.9 As provided under section 12A(1)(vi)(B), if the trust has commenced activities and claimed benefit of exemption under section 11 or 12 in any previous year, such trust cannot directly apply for final registration. Such trust has to apply for provisional registration first and then application for final registration can be made.

15.10 If a trust or institution which has already commenced its activities is applying for first time (*i.e. not claimed exemption under section 11 or 12 or 10(23C)(iv)/(v)/(vi)/(via) in any previous year ending on or before date of application*) it need not apply for provisional registration and can directly apply for final registration under sub-clause (iv)(B) of first proviso to 10(23C) or sub-clause (vi)(B) of 12A(1)(ac), or sub-clause (iv)(B) of first proviso to 80G(5).

15.11 The Principal Commissioner or Commissioner, if satisfied, has to pass an order granting registration for 5 years. The order granting or rejecting such application shall be passed within 6 months from the end of month in which such application is received. Refer **Circular No. 6/2023** dated 24.05.2023 issued by the CBDT (**Refer Appendix IX**).

15.12 Reporting under this clause may be done considering the discussion given in above paragraphs.

16.3 Clause 11/14 of Form No. 10BB/10B respectively requires the auditor to report as to whether the books of account and other documents have been kept and maintained by the auditee in the form and manner and at such place as prescribed under Rule 17AA, and where the address at which the books so maintained are kept is also required to be mentioned under this clause. If at the time of the audit, the books of accounts are kept at any place other than registered office, then the auditor is required to mention the details of address of such location along with the details of books of account maintained thereof. The auditor should peruse the resolution passed and intimation given to the

assessing officer in case the books of accounts are maintained at place other than the registered office.

16.4 In case of a company assessee auditor should also verify as to whether any forms are filed under the Companies Act for maintenance of books of account at a place other than the registered office. It may be noted that in view of section 128 of the Companies Act, 2013, every company is required to keep books of account on accrual basis. The provisions of the Companies Act, 2013 are, however, not applicable to entities other than companies.

16.5 If the books of account are kept at such place as mentioned under proviso to sub-rule (3) of Rule 17AA and the said resolution is not passed or passed but not intimated to Assessing Officer within the prescribed time limit, the auditor should give appropriate disclosure in the observations/ qualifications paragraph of the audit report.

16.6 In addition to above, clause 14 of Form No. 10B also requires the auditor to state details of books of account which are maintained by the auditee. The list of books of account prescribed, maintained and audited has to be stated under this clause by way of codes provided in the notes. There may be difference between the three. For example, books of accounts may have been prescribed but all the prescribed books might not have been maintained or all the books of accounts maintained might not have been produced for examination. The auditor should exercise his professional judgment in order to arrive at the conclusion whether such a situation warrants any disclosure or qualification while forming his opinion on the matters covered by reporting requirements in Form No. 10BB or 10B. Clause 14 of Form No.10B also requires the auditor to mention whether the books of accounts are maintained electronically and whether they have been audited.

17.1 Clauses 12 to 15 of Form No. 10BB and Clauses 21 to 24 of Form No. 10B requires reporting of details of donations reported and not reported/ not required to be reported in Form No.10BD.

17.2 Section 80G provides for deduction for eligible donations made to charitable and public religious trusts from gross total income. It inter alia includes donations made to "(iv) any other fund or any institution to which this section applies" as a residuary clause. In order to be eligible to fall within the residuary clause 80G(2)(a)(iv), the conditions specified in section 80G(5) are

required to be satisfied which inter alia include, at section 80G(5)(viii) and (ix), furnishing of a statement in Form No.10BD by the Donee institutions and issuance of Form No. 10BE to the donor. Similar requirement is provided u/s 35(1A)(i) and (ii) with respect to sums received from entities covered u/s 35(1)(ii)/(iii)/(iia). Donations from entities covered within the purview of 35(1)(ii) and (iii) are eligible for deduction u/s 80GGA of the Act. Thus, only specified donations are required to be reported in Form No.10BD.

17.3 As per Section 80G(5)(viii) and section 35(1A)(i) of the Income-tax Act, 1961, the institution or fund prepares such statement for such period as may be prescribed and deliver or cause to be delivered to the prescribed income-tax authority or the person authorised by such authority such statement in such form and verified in such manner and setting forth such particulars and within such time as may be prescribed. It is applicable from the financial year commencing from 1st April, 2021, i.e first time for FY 2021-22 and due date was 31st May, 2022, after the close of financial year. For the FY 2022-23 the due date was extended from 31st May to 30th June 2023.

17.4 Recently, Rule 18AB was introduced to counter check the accuracy and reconciliation of the donations claimed by Donor. The CBDT through notification No. 19/2021 dated 26.03.2021, has notified Form No. 10BD and Form No. 10BE to facilitate more transparency, accuracy and reconciliation. Therefore, instead of seeking information from each donor, the responsibility has been given to the institutions receiving donations. Donee Trust is required to furnish Form No.10BD by 31st May following the end of the financial year. On submission of Form No.10BD, a certificate in Form No. 10BE shall be generated by the system. This Form No.10BE shall be furnished to the donee by 31st May following the end of the financial year.

17.5 Clause 12/21 of Form No. 10BB/ 10B respectively, requires the auditor to report whether auditee has filed Form No. 10BD for the previous year. In case the answer is affirmative, the auditor must obtain a copy of the Form No. 10BD filed by the auditee and report "Yes". Where there are no transactions reportable in Form No.10BD or where the auditee has not obtained requisite registration u/s 80G or section 35 of the Act, the said Form No. 10BD is not required to be filed by the auditee in which case the auditor may report "No".

17.6 Clause 13/22 of Form No.10BB/ 10B respectively, requires the auditor to report total amount of donations reported in Form No. 10BD which could be verified from Part B of the Form No.10BD.

17.7 It is pertinent to note that section 234G provides for a fee for default in

delivering a statement in Form No.10BD or furnishing a certificate in Form No.10BE In case, the same is not delivered or furnished within the prescribed time, the donee Institute is liable to pay Rs 200 per day for every day during which such default continues. However, the late fee should not exceed the donation amount in respect of which delay has occurred in delivering Form No. 10BD.

17.8 Apart from the fee for delay in delivering statement of donations in Form No. 10BD or delay in furnishing certificate in Form No. 10BE, such failure may also attract penalty under section 271K, which shall not be less than Rs.10,000/- but may extend up to Rs.1,00,000/-.

17.9 Clause 14/23 of Form No.10BB/ 10B respectively, requires the auditor to report the donations not reported in Form No. 10BD or donations not required to be reported in Form No.10BD. As has been stated above, only specified donations are required to be reported in Form No. 10BD of an Institution. Hence, all other donations are required to be reported in Clause 14/23 of Form No. 10BB/10B respectively.

17.10 Clause 23 of Form No.10B is wider than Clause 14 of Form No. 10BB as Clause 14 of Form No. 10BB requires reporting of just gross amount of the donations not reported / not required to be reported in Form No. 10BD. However, corresponding clause 23 of Form No. 10B requires reporting of detailed bifurcation as to why a particular amount is not reported / not required to be reported in Form No. 10BD. The **additional reporting in Form No. 10B in clause 23** includes the following:

- a) **Particulars to be furnished in clause 23(i) of Form No.10B:-**
Donations received by fund or trust or institution of the auditee which is approved u/s 80G(2)(b) of the Act (Donation received towards repair/ renovation of temple, mosque, gurdwara, church or other such notified places).
- b) **Particulars to be furnished in clause 23(ii) of Form No.10B:-**
Donations qualifying for deduction u/s 80G other than those donations qualifying:
 - i) u/s 80G(2)(b) (as it is covered in Point a) above or
 - ii) u/s 80G(2)(a)(iv) (as it is captured in Form No. 10BD and already reported in Clause 23/14 of Form No.10B/BD) of the Act.
- c) **Particulars to be furnished in clause 23(iii) of Form No. 10B:-** In this sub clause, donations received by fund or trust or institution of the

auditee approved u/s 80G(2)(a)(iv) and which are not eligible u/s 80G(5) of the Act i.e. cash donations exceeding Rs 2,000 [refer section 80G(5D)]; donations received from other trusts/ institutions not eligible for deduction; such others to be specified.

- d) **Particulars to be furnished in clause 23(iv) of Form No. 10B:-** Donations which could not be reported in Form No. 10BD due to non-availability of identification of donor as required in Form No. 10BD. Form No. 10BD requires donor Identification (like PAN, Aadhar, Passport etc.), name, address. If any of these details are not available in case of a donor, the amount of donation may not have been reported in Form No. 10BD, in which case, it needs to be reported in this clause.

The remaining donations (which are not anonymous donations as defined under section 115BBC) are required to be reported in this clause i.e. the donations which been received without proof of the donors' particulars like PAN, Aadhar, etc. however, having their name and address. The anonymous donations are required to be reported separately under clause 18, 26 of Form No. 10BB and clause 23(vi), 34 of Form No. 10B.

- e) **Particulars to be furnished in clause 23(v) of Form No. 10B:-** Donations received in kind are to be reported. It may be noted that Explanation 5 to section 80G specifies that donations received only in money qualifies for deduction u/s 80G i.e. donations in kind do not qualify for deduction u/s 80G. Donations received in kind by any other trust or institution registered under section 12AB or approved under section 10(23C) of the Act are also required to be reported.

- f) **Particulars to be furnished in clause 23(vi) of Form No.10B and clause 18 of Form No. 10BB:-** Anonymous donations taxable u/s 115BBC of the Act. As per section 115BBC "*anonymous donation*" means any voluntary contribution referred to in section 2(24)(iia), where a person receiving such contribution does not maintain a record of the identity indicating the name and address of the person making such contribution and such other particulars as may be prescribed.

The auditor has to report the following:

A) **Anonymous donation not taxable u/s 115BBC(1)(i)**

Section 115BBC(1)(i) provides that anonymous donation, in excess of the higher of the below amounts, are taxable at the rate of 30%:

- i) 5% of the total donations received by the institution
- ii) Rs 100,000/-

Conversely, the amount received as anonymous donation which is less than the above threshold is not taxable u/s 115BBC. Under clause 23(vi)(a), the auditor is required to report these amounts which are not taxable u/s 115BBC(1)(i).

B) Anonymous donation not taxable u/s 115BBC(2)(a)

Under Clause 23(vi)(b), the auditor is required to report anonymous donation received by the institution created or established wholly for religious purposes. These are not taxable u/s 115BBC(2)(a) of the Act.

C) Anonymous donation not taxable u/s 115BBC(2)(b)

Under Clause 23(vi)(c), the auditor is required to report anonymous donation received by the institution created or established wholly for charitable and religious purposes other than any anonymous donation made with a specific direction that such donation is for any university, or other educational institution or any hospital or other medical institution run by such institution, i.e. any trust or institution wholly for charitable and religious purposes receiving donation towards religious or charitable purposes other than for the educational or medical institution run by such trust or institution, does not attract Section 115BBC(1) .

D) Anonymous donation taxable u/s 115BBC

Under Clause 23(vi)(d), the auditor is required to report anonymous donation taxable at the rate of 30% u/s 115BBC. It is pertinent to note that the amount of anonymous donation taxable u/s 115BBC is also required to be reported in clause 34 of Form No.10B whereas in the Form No.10BB, reporting of section 115BBC is required to be done under clauses 18 and 26.

- g) **Particulars to be furnished in clause 23(vii) of Form No.10B:-** Any other voluntary contribution not forming part of Form No. 10BD along with the nature of such contribution.

Under Clause 23(vii), the auditor is required to report any other voluntary contribution not forming part of Form No. 10BD and not covered in any other sub-clauses of Clause 23 of Form No.10B.

It is pertinent to mention here that while the above details/particulars are not provided in Form No. 10BB, the auditor making a report of an institution furnishing Form No.10BB, may maintain these itemized details in his working papers for the purpose of reporting under clause 14 of Form No. 10BB.

Any other voluntary contribution including corpus donation and foreign contribution received are also to be included under this clause. The auditor needs to verify the income ledgers of the auditee and check relevant receipts, grant letters etc. to verify the amounts reported in these clauses.

Donations not eligible for deduction under section 80G are required to be reported under Clause 23 of Form No. 10B. Therefore, in case of amounts reported under Clause 23 of Form No. 10B, the donors will not be able to claim deduction because such donations are not reported in Form No. 10BD or such donation is not required to be reported in Form No. 10BD.

Clause 23(viii) of Form No. 10B: Aggregate of donation not reported in Form No. 10BD. This clause will reflect total of donations reported in Clause 23(i) to 23(vii). This may be an auto-populated field.

17.11 Clause 15/24 of Form No. 10BB/10B respectively requires the auditor to report the total voluntary contributions received by an institution which is the sum total of the donations reported in Form No. 10BD (as mentioned in clause 13/22 of Form No. 10BB/10B) and the donations which are not reported in Form No. 10BD (as mentioned in clause 14/23 of Form No. 10BB/10B). This field may also be an auto-populated field.

17.12. Clause 16/25 of Form No. 10BB/10B respectively requires the auditor to report total foreign contribution out of the total voluntary contributions reported in Clause 15/24 of Form No. 10BB/10B respectively.

17.13 While Form No. 10BB requires reporting of this amount under clause 19, the Rule 17B prescribes that if any institution has received any foreign voluntary contribution, then it has to furnish Form No. 10B and not Form No. 10BB.

17.14 While Form No. 10BB requires reporting of gross amount, Form No. 10B requires reporting details in Schedule FC.

Schedule FC

17.17 Clause 17 of Form No.10BB requires the auditor to report gross amount whereas Clause 26 of Form No.10B requires the auditor to provide detailed bifurcation into:

- (a) **Corpus representing donations received for the repair / renovation of places notified for the purpose of section 80G(2)(b) eligible for exemption Explanation 3A to section 11(1) and Explanation 1A to the third proviso to section 10(23C)**

Deduction under section 80G(2)(b) of the Act is available to the donor in respect of any sums paid by him in the previous year as donations for the renovation or repair of any temple, mosque, gurdwara, church or other place as is notified by the Central Government in the Official Gazette to be of historic, archaeological or artistic importance or to be a place of public worship of renown throughout any State or States.

Explanation 3A to section 11(1) and Explanation 1A to the third proviso to section 10(23C) states as under:

“For the purposes of this sub-section, where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified under clause (b) of sub-section (2) of section 80G, any sum received by such trust or institution as voluntary contribution for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place, may, at its option, be treated by such trust or institution as forming part of the corpus of the trust or the institution, subject to the condition that the trust or the institution,—

- (a) *applies such corpus only for the purpose for which the voluntary contribution was made*
- (b) *does not apply such corpus for making contribution or donation to any person;*
- (c) *maintains such corpus as separately identifiable; and*
- (d) *invests or deposits such corpus in the forms and modes specified under sub-section (5) of section 11.”*

Sub-clause (A) of clause 26 of Form No. 10B requires the auditor to report the amount eligible for exemption under section 11(1) or 10(23C) in view of conditions specified above.

It may be noted that any trust or institution other than notified under section 80G(2)(b) of the Act, cannot suo moto treat any voluntary contribution as forming part of corpus unless intended by the donor.

(b) Corpus donations referred to in Section 11(1)(d) or Explanation 1 to the third proviso to section 10(23C) and invested modes specified under section 11(5)

Corpus donation is a donation in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution. However, as per section 11(1)(d) of the Act, it does not form part of the Total Income of the institution on complying with conditions therein specified. Section 11(1)(d) provides that income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in section 11(5) maintained specifically for such corpus shall not be included in total income as per section 11.

Details of corpus amount and corpus investments are also required to be furnished in “*Schedule Corpus*” of Form No. 10B given below:

Schedule Corpus: Details of Corpus(As per Form No. 10B)

Even though the required details are self-explanatory, discussion on the fields of this schedule has been done in clause 23/31 of Form No.10BB/10B respectively and are to be reported accordingly.

17.18 Clause 19/29 of Form No. 10BB/10B respectively requires the auditor to report income applied outside India which is eligible under section 11(1)(c).

17.19 While Form No. 10BB requires reporting of this amount under clause 19, Rule 17B prescribes that if any institution has applied any part of its income outside India, then it has to furnish Form No. 10B and not Form No. 10BB.

17.20 Section 11(1) provides that :-

Subject to the provisions of sections 60 to 63, the following income shall not be included in the total income of the previous year of the person in receipt of the income-

(a)

(b)

(c) income derived from property held under trust –

(i) *created on or after the 1st day of April, 1952, for **charitable purpose** which tends to promote international welfare in which India is interested, to the extent to which such income is applied to such purposes outside India, and*

(ii) *for **charitable or religious purposes created before the 1st day of April, 1952**, to the extent to which such income is applied to such purposes outside India, shall not be included in total income of the Institute, provided general or special order of CBDT is obtained by the Institute.*

Provided that the Board, by general or special order, has directed in either case that it shall not be included in the total income of the person in receipt of such income;

17.21 It may be noted that one of the conditions mentioned in Proviso to section 11(1)(c) is that the Central Board of Direct Taxes, by general or special order, has to direct in either case that it shall not be included in the total income of the person in receipt of such income.

17.22 The auditor for the purpose of reporting under this clause may examine/verify the order issued by CBDT for section 11(1)(c). This is important as this income is non-included in the total income of the previous year of the person in receipt of such income.

17.23 Details of the same are also required to be given in “Schedule Int App” as under:

Schedule Int App- Details of income applied outside India
--

- (1) **S. No.**
- (2) **Name of the person to whom remittance is made**
- (3) **Taxpayer Identification Number if available**

- (4) **Amount of remittance out of India which is reported in Form No. 15CA (In Rs.)**
- (5) **Amount of remittance outside India other than (4) (In Rs.)**
- (6) **Charitable or religious purpose for which application is made**
- (7) **Country of application**
- (8) **Whether applied for promoting international welfare in which India is interested and is and not to be included in total income of the auditee? If approval, for application outside India has been taken**
- (9) **Approval number**
- (10) **General/ special**
- (11) **Date of approval**

17.24 Majority of the information required to be reported is self-explanatory, however, the auditor may peruse all the foreign remittances, approvals, Form No.15CA, and purpose of remittance as per the grant letter and explanation provided by the auditee for reporting in this clause. The auditor may also obtain a management representation letter from the auditee as to the amount spent which is reportable under this clause.

17.25 Clause 20/ 27 of Form No. 10BB/ 10B respectively, requires mentioning of voluntary contribution required to be applied by the auditee. The same may be an auto populated field. It includes amount of voluntary contributions referred to in Clause 15/24 of Form No. 10BB/10B respectively as reduced by amounts received towards corpus under clause 17/26 and anonymous donations taxable u/s 115BBC of the Act referred to in Clause 23(vi)(d).

17.26 Whereas, under clause 20 of Form No. 10BB additionally what is required to be reduced is application outside India in accordance with section 11(1)(c) of the Act after seeking appropriate approval as reported in Clause 19 of Form No. 10BB. As has been stated earlier in this Guidance Note, the entities applying income outside India are required to fill up Form No. 10B. Hence, if there is any application outside India, then such entities will be required to fill Form No. 10B only and not the Form No. 10BB.

17.27 Clause 21/28 of Form No. 10BB/10B respectively requires reporting of income other than voluntary contributions derived from property held under trust referred to in section 11 or income of fund or institution or trust or any university or other educational institution or any hospital or other medical

institution (other than the contribution reported in Clause 15/24 of Form No.10BB/10B). This income may include receipts from main objects, incidental objects, any rental income, dividend, capital gains, interest or any such other income. It may be noted that the 'Schedule AI' of ITR 7 also requires reporting on the same lines.

17.28 Clause 22/30 of Form No. 10BB/ 10B respectively, requires the auditor to report the income that is required to be applied in India by the auditee during the previous year.

17.29 For the purposes of Form No. 10B, it is:

Voluntary contributions reported in Clause 27

Add: Other income reported in Clause 28

Less: Amount applied outside India under section 11(1)(c) as reported in Clause 29.

Whereas, in case of Form No. 10BB, it is the sum total of voluntary contributions as reported in Clause 20 and other income reported in Clause 21.

17.30 This may be an auto populated field.

- 23(xii)/31(xiv) Application outside India for which approval under the proviso to clause (c) of sub-section (1) of section 11 has not been obtained

- 23(xiii)/31(xv) Application outside India for which approval under the proviso to clause (c) of sub-section (1) of section 11 has been obtained**
- 23(xiv)/31(xvi) Applied for any purpose beyond the objects of the trust or institution**
- 23(xv)/31(xvii) Any other disallowance**
- 23(xvi)/31(xviii) Total allowable application**
- 23(xvii)/31(xix) Amount deemed to have been applied during the previous year under clause (2) of Explanation 1 to sub-section (1) of section 11**
- 23(xviii)/31(xx) Income accumulated under the provisions of Explanation 3 to the third proviso to clause (23C) of section 10 or sub-section (2) of section 11 Amount in Rs.**
- 23(xix)/31(xxi) Income accumulated or set apart for application to charitable or religious purposes or stated objects of trust or institution to the extent it does not exceed 15 % of the income**

18.1 Section 11(1)(a) provides that income derived from property held under trust wholly for charitable or religious purposes shall not be included in total income where the income is applied to such charitable or religious purposes in India. Section 11(1)(b) provides that, in case of a trust created before commencement of the 1961 Act, the income derived from property held under trust in part for charitable or religious purposes shall not be included in total income of the Trust where the income is applied to the said charitable or religious purposes in India. These clauses also provide that such income, not in excess of 15% of income derived from such property could be set apart for application to such purposes in India. Further, Explanation to section 11 provides that any sums payable by the institution shall be claimed as application only when the sums are paid. Hence, application is allowed on payment basis irrespective of the method of accounting adopted by the institution.

18.2 Clause 23(i)/31(i) of Form No. 10BB/10B respectively requires the auditor to verify and report the total amount applied for charitable or religious purpose in India during the previous year. While Clause 23(i) of Form No. 10BB requires providing of gross amount of the amounts applied, clause 31(i) of Form No. 10B in its part (a) requires additional reporting of such application in electronic mode or otherwise in respect of contribution or donation to any other

person during the previous year and in (b) part requires reporting of object wise application other than the application provided in (a);

18.3 In both cases, electronic modes shall be the following modes referred in Rule 6AABA of the Income-tax Rules, 1962 (*Please refer Notes to Form No.10B*):

- (a) Credit Card;
- (b) Debit Card;
- (c) Net Banking;
- (d) IMPS (Immediate Payment Service);
- (e) UPI (Unified Payment Interface);
- (f) RTGS (Real Time Gross Settlement);
- (g) NEFT (National Electronic Funds Transfer); and
- (h) BHIM (Bharat Interface for Money) Aadhar Pay;

18.4 The details given in this clause will also have various bifurcation which is given in Schedule ER of ITR Form 7 including the amounts of Expenditure in respect of properties, Establishment expenses, Remuneration to trustees, Legal expenses, Audit fees, Miscellaneous expenses, Depreciation or Addition to Fixed assets and other Expenditure on the objects i.e. revenue plus capital expenditure.

18.5 For the purpose of application of income, there is no distinction on account of revenue or capital nature. As such, in applying the income for charitable or religious purposes, even capital expenditure may be incurred. However, in this clause, such bifurcation is being sought.

18.6 The expression '*application to charitable purposes*' is one of wide import. To find out whether the '*income*' of a charitable trust has been applied for charitable purposes, the auditor should have due regard to the objects of the trust.

18.7 However, section 11(6) provides that where in respect of any asset acquisition of which has been claimed as an application of income in the same or any other previous year, then depreciation cannot be considered as an application in any of the years. Thus, in respect of capital expenditure, the institution can consider either capital expenditure in respect of any asset as application or alternatively depreciation in respect of such an asset as application.

18.8 Explanation (5) to section 11(1) clarifies that the calculation of income required to be applied or accumulated during the previous year shall be made without any set off or deduction or allowance of any excess application of any of the years preceding the previous year.

18.9 Expenditure by way of payment of tax out of current year's income has to be considered as application for charitable purposes because the payment has been made to preserve the corpus.

18.10 Clause 31(ii) of Form No. 10B requires the auditor to report the details of payments made under clause 31(i)(a) and (b) above in excess of Rs 50 lakhs requires reporting of name of person to whom amount paid or credited, PAN, amount of application, mode of application (electronic or others), whether tax deducted and section under which tax deducted. While verifying the details to be reported under clause 31(i), the auditor should maintain record of the bifurcation required in clause 31(ii) also. The particulars required in this clause are self-explanatory and are to be reported accordingly.

18.11 Clause 23(ii)/31(iii) of Form No.10BB/10B -Out of above, the amount which was not paid during the previous year is required to be reported in clause 23(ii)/31(iii) of Form No.10BB/10B as the same is not considered as application.

18.12 Any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it). Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

18.13 Therefore, application of income should be considered only when the same is actually paid. It may be noted that proviso to section 43B of the Act allows consideration of amount actually paid on or before due date of furnishing return of income under section 139(1). Such relaxation is not there in Explanation to section 11, therefore, actual payments only till the end of the previous year can be considered.

18.14 The reporting in this clause may also be reconciled with reporting in clause 23(viii) / 31(x) of Form No. 10BB/10B respectively as it may be possible that disallowances are made in these clauses for the payments relating to earlier period for which disallowances were made in earlier year(s). However, at the time of payment during the year under audit, the payments are made in violation of thirteenth proviso to section 10(23C) or Explanation 3 to section

11(1) read with section 40A(3A).

18.15 The auditor is thus required to report the amounts which were not actually paid during the previous year so that the balance which are paid could be allowed as application.

18.16 Clause 23(iii)/31(iv) of Form No. 10BB/10B respectively requires the auditor to report liability incurred in any earlier previous year but actually paid during the previous year and not claimed as application in earlier previous year.

18.17 The auditor may maintain working papers in this regard. The reporting in this clause may also be reconciled with reporting in clause 23(vii) and (viii) / 31(ix) and 31(x) of Form No. 10BB/10B respectively as it may be possible that disallowances are also made eligible to be reported in those clauses.

18.18 In case, the Auditor is reporting/ computing disallowances in both the clauses, it may result in double addition to the application of income to be computed. As such if the disallowances are made under clauses 23(vii) and (viii) / 31(ix) and 31(x) of Form No. 10BB/10B respectively, then a suitable disclosure in the observation paragraph of the audit report be made in this clause ie 23(iii)/31(iv).

18.19 Similarly, if disallowances are not made in clause 23(iii)/31(iv) a suitable disclosure in observation paragraph of the audit report stating the facts may also be given.

18.20 Clause 23(iv)/31(v) of Form No. 10BB/10B respectively-The amount to be allowed as application is an auto-populated field in Clause 23(iv)/31(v) of Form No.10BB/10B.

18.21 Clause 31(vi) of Form No. 10B-Form No. 10B also requires bifurcation of application into capital and revenue under Clause 31(vi). The same is not required in Form No.10BB. It may be noted that bifurcation of application as revenue and expenditure is also required to be reported in ITR 7.

18.22 Clause 23(v)/ 31(vii) and Clause 23(vi)/31(viii) of Form No. 10BB/ 10B respectively – Under Clause 23(v)/ 31(vii), the auditor is required to report amount invested or deposited back in corpus which was applied during any preceding previous year and not claimed as application during that previous year.

18.23 Further, clause 23(vi)/31(viii) of Form No. 10BB/10B requires reporting of repayment of loan or borrowing during the previous year which was earlier applied and not claimed as application during that previous year.

18.24 For the purposes of determining the amount of application, the amount of application for charitable or religious purposes from the corpus as referred to in section 11(1)(d), shall not be treated as application of income for charitable or religious purposes.

18.25 The amount not so treated as application, or part thereof, shall be treated as application for charitable or religious purposes in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in section 11(5) maintained specifically for such corpus, from the income of that year and to the extent of such investment or deposit.

18.26 The amount invested or deposited back shall not be treated as application for charitable or religious purposes unless such investment or deposit is made within a period of five years from the end of the previous year in which such application was made from the corpus.

18.27 The amount invested or deposited back shall not be treated as application where application from the corpus was made on or before the 31st March, 2021.

18.28 Explanation 4(i)/(ii) to section 11(1) provides that for determination of amount of application under section 11(1)(a)/(b), the application out of corpus/ loan or borrowings shall not be treated as application of income for charitable or religious purposes, in the year of application. But, where application is made after 1st April 2021 from corpus/ loans or borrowings, such application is allowable in the year when the same is deposited or invested back in the modes specified under section 11(5) from the income of that year.

18.29 If any loan or borrowings have been taken during the previous year, and repaid during the same year, but did not result in application towards charitable or religious purposes, then any repayment of such loan or borrowings cannot be treated as application of income.

18.30 However, if any loan or borrowings has been taken during the previous year, and repaid during the same year, and whole or part of such loan or borrowings has been applied from the corpus during the previous year towards charitable or religious purposes, then repayment of such loan or borrowings or part thereof shall be treated as application of income during the previous year to the extent such amount has been applied towards charitable or religious purposes. Remaining amount of loan or borrowings (applied towards charitable or religious purposes) outstanding at the end of previous year shall be treated as application of income in the succeeding previous year(s) in which such loan or borrowing has been repaid subject to other conditions specified

in the relevant provision of the Act.

18.31 Similar treatment will apply in case of amount invested or deposited back into the corpus.

18.32 With effect from 01.04.2023, this allowance of application in the said year and to the extent of invested or deposited back is allowed only when there is no violation of the following, at the time of application from the corpus/ loans or borrowings:

- a) *Section 11(1)(c)* i.e. The trust/institution has not made any payments outside India for charitable or religious purposes without seeking approval from the CBDT as per proviso to section 11(1)(c).
- b) *Explanation 2 to section 11(1)* – The Trust has not made any donation to any trust or institution towards corpus.
- c) *Explanation 3 to Section 11(1)* – The Trust has not made any payment to resident without deduction of tax at source and payment thereof to Government which are disallowable u/s 40(a)(ia). The Trust has not made payment to any person exceeding Rs 10,000 which are disallowable under section 40A(3)/(3A) as detailed above.
- d) *Explanation 5 of Section 11(1)* – The Trust has not claimed any deduction, set off or allowance of any excess application of any of the year preceding the previous year while calculating application or accumulation u/s 11(1).
- e) *Explanation to Section 11* – The institution has made actual payment of the sum irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution.
- f) *Provisions of section 13(1)(c)* – The Trust has not violated provisions of section 13(1)(c)

18.33 While Form No. 10BB just requires reporting of the gross amount, Form No. 10B requires filling up of 'Schedule Corpus' and 'Schedule LB' reproduced hereunder:

18.34 Clause 23(vii)/31(ix) of Form No. 10BB/10B respectively- This clause requires reporting of the amount disallowable under thirteenth proviso to section 10(23C) read with section 40(a)(ia) or Explanation 3 to section 11(1) read with section 40(a)(ia).

18.35 Under section 40(a)(ia), where, on any sum payable to a resident, tax is deductible at source under Chapter XVII-B and such tax has not been deducted or having been deducted is not paid on or before the due date specified under section 139(1) for furnishing the return of income for the said previous year, 30% of such sum is not eligible for deduction while computing income chargeable under the head "*Profits and Gains of Business or Profession*".

18.36 Explanation 3 to Section 11(1) and similarly the thirteenth proviso to section 10(23C) provide that the provisions of section 40(a)(ia) shall apply mutatis mutandis for the purposes of determining the amount of application under the clauses/items mentioned thereunder.

18.37 Accordingly, such amounts, not meeting the above requirements shall be inadmissible and shall be required to be disclosed under the '*Schedule TDS*' (to be read as *Schedule TDS disallowable in Form No. 10B*). For this purpose, the auditor will be required to examine whether the provisions relating to tax deduction at source have been complied with in respect of sums specified. For this purpose, the auditor may examine the books of account and tax deduction statements and returns.

Schedule TDS disallowable in Form No. 10B- Details of amounts inadmissible amount disallowable under thirteenth proviso to clause (23C) of section 10 or sub-section (1) of section 11 read with sub-clause (ia) of clause (a) of section 40

18.38 Under clause “a” of this Schedule, the auditor is required to report the details of disallowable amount on which tax was deductible but has not been deducted in terms of section 40(a)(ia) during the previous year.

18.39 Similarly, under clause “b” of this schedule, the auditor is required to report the details of sums paid on which tax has been deducted during the previous year but not paid/deposited during the previous year or in the subsequent year before the expiry of time prescribed under section 139(1) for the purposes of furnishing of return of income for the said previous year.

18.40 Where the auditee claims deduction under the second proviso to section 40(a)(ia), it is deemed that he has deducted and paid the tax and hence such sum on which tax is so deemed to be deducted and paid is not inadmissible.

18.41 Section 40(a) specifies certain amounts which shall not be deducted in computing the income chargeable under the head “Profits and gains of business or profession”. The relevant provisions for A.Y.2023-24 are as under:

Resident Payments: 30% of any sum is disallowed where sum is payable to a resident on which tax is deductible at source under chapter XVII-B and such tax has not been deducted or after deduction has not been paid on or before the due date specified in section 139(1).

As per first proviso to Section 40(a)(ia), where tax is deducted in any subsequent year, or has been deducted during the previous year but paid after the due date specified in section 139(1), disallowed component of the expenditure is allowable as a deduction in the year in which such tax has been paid. Further, the second proviso to section 40(a)(ia) read with Section 201 provides that where an assessee fails to deduct the whole or any part of the tax in accordance with the provisions of Chapter XVII-B on any such sum but is not deemed to be an assessee in default under the first proviso to sub-section (1) of section 201, then, for the purpose of clause (ia) of section 40(a), it shall be deemed that the assessee has deducted and paid the tax on such sum on the date of furnishing of return of income by the payee referred to in the said proviso.

A certificate is to be obtained in Form 26A by the person who has not deducted tax and obtain the form that the deductee is not responsible for deduction of tax and hence the lack of tax deduction does not attract the provisions of Section 201. Auditor is advised to check the certificate vide Form 26A and how it has been reflected in the statement of TDS filed vide Form 24Q / Form 26Q / Form 27Q.

18.42 The provisions of section 40(a)(ia) disallow only 30% of any sum payable to a resident on which tax is deductible at source under Chapter XVII-B and such tax has not been deducted or after deduction has not been paid on or before the due date specified under section 139(1). The first proviso to section 40(a)(ia) provides that where any sum on which tax has been deducted in any subsequent year or has been deducted during the previous year but paid after the due date specified in sub-section (1) of section 139, thirty percent of such sum shall be allowed as a deduction in computing the income of the previous year in which such tax has been paid.

18.43 The auditor should obtain in writing from the assessee the details of all payments debited to the profit and loss account/ income and expenditure account. The auditor may use his professional judgement in these matters based upon decided cases and he may rely upon legal opinion obtained by the assessee where no tax is required to be deducted in respect of the amount so

provided. In case he disagrees with the stand taken by the auditee, he should give both the views in his report.

18.44 Under (a) of Schedule of TDS disallowances, the auditor is required to report payments to residents on which tax is required to be deducted but not deducted in respect of payments specified under clause 40(a)(ia). The Auditor is advised to give details under this clause for each individual payee.

18.45 Similarly, under (b) of Schedule of TDS disallowances, the auditor is required to report payments on which tax is deducted but is not deposited within the time prescribed during the previous year or in subsequent year. Such details are also required to be given for each individual payee prescribed under Section 40(a)(ia).

18.46 Under this sub-clause, the auditor is required to report the details of payment on which tax is not deducted at source and also the details of payment on which tax has been deducted but not paid during the previous year or in the subsequent year before the expiry of time prescribed u/s 139(1). The auditor should maintain the data in his working papers for the purpose of reporting under this schedule.

18.47 Under section 40(a)(ia), any payment of the expenses, specified therein on which tax is deductible under Chapter XVIIIB and such tax has not been deducted or after deduction has not been paid on or before the date of filing of return specified under section 139(1), 30% of the expenditure is not eligible for deduction while computing income chargeable under the head "*profits and gains of business or profession*". Accordingly, such amount will be inadmissible and will be required to be disclosed under this clause. For this purpose, the auditor will be required to examine whether the provisions relating to tax deduction at source have been complied with in respect of payments specified under the clause. For this purpose, the auditor may examine the books of account and tax deduction returns/statements pertaining to these payments.

18.48 Where the auditee claims deduction under the second proviso to sub-section (ia), it is deemed that he has deducted and paid the tax and hence such sum on which tax is so deemed to be deducted and paid is not inadmissible, the auditor should verify compliance with the requirements of section 201. He should also obtain and keep in his record a copy of certificate in Form 26A as required by section 201 read with section 40(a)(ia).

18.49 The Auditor should also reconcile the particulars given under this clause with the particulars given under "*Schedule TDS/TCS*" and "*Schedule*

Statement of TDS/TCS and *Schedule Interest on TDS/TCS* to clause 49 of Form no. 10B to the extent applicable. Here the auditor is required to report the details of payment on which tax is not deducted at source and also the details of payment on which tax has been deducted but not paid on or before the due date specified in section 139(1). The auditor should maintain the data in his working papers for the purpose of reporting under this schedule.

IMPORTANT POINTS REQUIRING CONSIDERATION

Compliance of section 40(a)(ia) with respect to “sums payable” or “Paid during the year”

18.50 An issue may arise as to whether the provisions of section 40(a)(ia) apply to the sums payable to the resident or does it also include the amounts already paid to a resident. This issue arises owing to the language of the said sub-clause. The phrase used is *“thirty per cent of any sum payable to a resident, on which tax is deductible at source.”* However, the said issue is already settled by the judgment of the Apex Court in the case of Palam Gas Service v. Commissioner of Income-Tax. The Apex Court observed:

“Section 40(a)(ia) covers not only those cases where the amount is payable but also when it is paid. In this behalf, one has to keep in mind the purpose with which section 40 was enacted one has also to keep in mind the provisions of sections 194C and 200. Once it is found that the aforesaid sections mandate a person to deduct tax at source not only on the amounts payable but also when the sums are actually paid to the contractor, any person who does not adhere to this statutory obligation has to suffer the consequences which are stipulated in the Act itself.

When the entire scheme of obligation to deduct the tax at source and paying it over to the Central Government is read holistically, it cannot be held that the word ‘payable’ occurring in section 40(a)(ia) refers to only those cases where the amount is yet to be paid and does not cover the cases where the amount is actually paid. If the provision is interpreted in the manner suggested by the appellant herein, then even when it is found that a person, like the appellant, has violated the provisions of Chapter XVII B (or specifically sections 194C and 200 in the instant case), he would still go scot-free, without suffering the consequences of such monetary default in spite of specific provisions laying down these consequences.

18.51 It is relevant to note that in the above-mentioned case, although the Apex court was concerned specifically with the provisions of section 194C, still the ratio holds good for entire Chapter XVII-B as the case actually dealt with

the interpretation of provisions of section 40(a)(ia). Hence, the auditor is required to check compliance with the provisions of section 40(a)(ia) in respect of amounts not only payable to the resident as at the year end but also all such payments which have been already made during the year on which tax was required to be deducted and to be deposited under the provisions of Chapter XVII-B.

Disallowance of application on payment basis

18.52 Explanation to section 11 has been inserted by Finance Act, 2022 which provides that any sum payable by the trust or institution shall be considered as application of income in the previous year in which *such sum is actually paid by it*. Similar amendment had also been brought in for trusts/institutions claiming exemption under section 10(23C) by inserting Explanation 3 to the said clause.

18.53 The reporting in this clause may also be reconciled with reporting in clause 23(iii)/31(iv) of Form No. 10BB/10B respectively as it may be possible that disallowances are also made eligible to be reported in those clauses. In case, the Auditor is reporting/ computing disallowances in both the clauses, it may result in double addition to the application of income to be computed. As such the disallowances, if are made under clauses 23(iii)/31(iv) of Form No. 10BB/10B respectively, then a suitable disclosure in the observation paragraph of the audit report be made in this clause i.e. 23(vii) and (viii) / 31(ix) and 31(x). Similarly, if disallowances are not made in clause 23(vii) and (viii) / 31(ix) and 31(x) a suitable disclosure in observation paragraph of the audit report stating the facts may also be given.

Revision of Form No. 10BB/ 10B in relation to payment made after the date of filing the form but before the due date of return of income

18.54 Further, it is also important to note that there is a time gap of one month between the due date of filing Audit Report in Form No. 10BB/10B i.e 30th September and the due date of filing of return of income by the auditee i.e 31st October.

18.55 In certain cases, members are called upon to report on the accounts reopened and revised by the board of directors. The accounts of a company once adopted at its annual general meeting should not normally be re-opened and revised. The Institute and the Ministry of Corporate Affairs have affirmed this position. In case of revision, the audit report should be given in the manner as required by the Institute in SA-560 (Revised), *Subsequent Events*. The Ministry of Corporate Affairs had also clarified that accounts can be revised to comply with technical requirements. It may be pointed out that report under

section 10(23C)/12A should not normally be revised. However, sometimes a member may be required to revise his audit report on grounds such as:

- (i) revision of accounts of a company after its adoption in annual general meeting.
- (ii) change of law e.g. retrospective amendment.
- (iii) change in interpretation, e.g., CBDT Circulars, judgements, etc.

18.56 In case where a member is called upon to report on the revised accounts, then he must mention in the revised report that the said report is a revised report and a reference should be made to the earlier report also. In the revised report, reasons for revising the report should also be mentioned.

18.57 Also, section 40(a)(ia) allows deduction of an expense where the tax in respect of such amount has been deducted and paid up to the due date of filing of return of income. In case, in respect of an amount, the assessee had deducted the tax but not paid the same up to the date of filing of such Form No.10BB/10B by the Auditor, and subsequently, the assessee pays the same by the due date of furnishing the return of income (i.e., within the one month gap) or in such time, the payee files his return of income complying with requirements of first proviso to Section 201(1), the Auditor shall be required to revise his audit report under Form No. 10BB/10B to allow the deduction of 30% so disallowed earlier and reported in the already filed Form No. 10BB/10B.

18.58 While the Tax Audit Report furnished under section 44AB is allowed to be revised under Rule 6G(3), no such provision has been made in the Rule 16CC/17B to revise the Audit Report furnished under Section 12A. Therefore, unless the same is made available under Rule 16CC/17B, the assessee may have to take recourse to other steps to claim the amounts as application of income in case the tax is deposited/deemed to be deposited after the Audit Report has been furnished by the auditor disallowing the said amounts. Unless it is restricted, it is allowed to revise as per Tax Audit.

18.59 Clause 23(viii)/31(x) of Form No.10BB/10B respectively requires reporting of amount disallowable under thirteenth proviso to section 10(23C) or Explanation 3 to section 11(1) read with of section 40A(3)/(3A).

Requirement of this clause pertaining to section 40A(3)/ 40A(3A)

18.60 Explanation 3 to section 11(1) provides that for determination of any amount of application claimed u/s 11(1)(a) or (b) i.e. application towards charitable or religious purposes in India, provisions of section 40A(3)/40A(3A) shall be taken into consideration as this section applies to income under the head "*Profits and Gains from Business or Profession*".

- 18.61 (a) As per the provisions of sub-section (3) of section 40A where the assessee incurs any expenditure in respect of which a payment or aggregate of payments made to a person in a day, otherwise than by an account payee cheque drawn on a bank or account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, exceeding rupees ten thousand, no deduction would be allowed in respect of such expenditure. In case of payment made for plying, hiring or leasing of goods carriage, limit is Rs. 35,000/- instead of Rs. 10,000/-
- (b) Further, as per the provisions of section 40A(3A) where any allowance has been made in the assessment for any year in respect of any liability incurred by the assessee for any expenditure and subsequently during any previous year the assessee makes payment in respect thereof, otherwise than by an account payee cheque drawn on a bank or account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed exceeding Rs. 10,000, the payment so made shall be deemed to be the profits and gains of business or profession and accordingly chargeable to income tax with respect to that previous year. In case of payment made for plying, hiring or leasing of goods carriage, limit is Rs. 35,000/- in place of Rs. 10,000/-.
- (c) Further, no disallowance would be made if the payment or aggregate of payments, exceeding Rs. 10,000 (Rs. 35000 in case of plying, hiring or leasing of goods carriage) is made to a person in a day otherwise than by an account payee cheque drawn on a bank or account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed in respect of cases and circumstances prescribed under Rule 6DD having regard to the nature and extent of banking facilities available, considerations of business expediency and other relevant factors.

Rule 6DD provides that the disallowance/ addition under sub-section (3) and (3A) of section 40A shall not be made in certain cases or circumstances. In very brief, these are enumerated below:

- Payment to specified entities engaged in banking and insurance activities,
- Payment to Government when required to be made in legal tender,

- Payments through banking channels with use of bill of exchange, book adjustment, transfers,
- Payments to specified growers, cultivators etc.,
- Payment to cottage industry,
- Payment in village not served by a bank to resident of such place,
- Payments of specified terminal benefits to employees up to Rs. 50,000/-,
- Payment to agent who is required to make payment in cash,
- Payment by authorised dealer for purchase of foreign currency etc.,

Auditors are advised to consider Rule 6DD and relative Circulars for complete details of above. Auditors will also need to verify that the conditions laid down for the mitigating circumstances are strictly complied with.

- (d) Other electronic modes of payment referred to in section 40A(3) and section 40A(3A) have been prescribed in Rule 6ABBA. For the purpose of sub-sections (3) and (3A), the electronic modes are prescribed by Rule 6ABBA and such modes include:
- (a) Credit Card;
 - (b) Debit Card;
 - (c) Net Banking;
 - (d) IMPS (Immediate Payment Service);
 - (e) UPI (Unified Payment Interface);
 - (f) RTGS (Real Time Gross Settlement);
 - (g) NEFT (National Electronic Funds Transfer); and
 - (h) BHIM (Bharat Interface for Money) Aadhaar Pay;

18.62 As per Circular no. 6 of 2023, dated. 24.05.2023 (**Refer Appendix IX**), it is also clarified that for the purposes of Form No. 10B and Form No. 10BB, electronic modes referred to above are in addition to the account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account.

18.63 Similarly, where a trust / Institution applies its income in respect of which

a payment or aggregate of payments made to a person in a day, otherwise than by an account payee cheque drawn on a bank or account payee bank draft, or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, exceeds Rs 10,000, no application shall be allowed in respect of such payments.

18.64 The auditor is required to report the application which is required to be disallowed for payment made in excess of Rs 10,000 otherwise than through electronic mode.

18.65 For the purpose of furnishing the above particulars, the auditor should obtain a list of all cash payments in respect of expenditure exceeding Rs. 10,000 (Rs.35000/- in case of plying, hiring or leasing goods carriages w.e.f. 1.10.2009) made by the assessee during the relevant year which should include the list of payments exempted in terms of Rule 6DD with reasons. This list should be verified by the auditor with the books of account in order to ascertain whether the conditions for specific exemption granted under clauses (a) to (l) of Rule 6DD are satisfied. Details of payments which do not satisfy the above conditions should be stated under this clause. Certain audit tools are available to find out such payments expeditiously and accurately. These tools may be employed in case data is voluminous.

18.66 Practically, it may not be possible to verify each payment, reflected in the bank statement, as to whether the payment has been made through account payee cheque, demand draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, it is thus desirable that the auditor should obtain suitable certificate from the assessee to the effect that the payments for expenditure referred to in section 40A(3) and section 40A(3A) were made by account payee cheque drawn on a bank or account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, as the case may be. Where the reporting has been done on the basis of the certificate of the assessee, the fact shall be reported as an observation/qualification paragraph of the audit report in Form No. 10BB/10B, as the case may be. The auditor, in his report may comment as suggested below while reporting under this sub-clause:

“It is not possible for me/us to verify whether the receipts/payments have been accepted/made otherwise than by an account payee cheque or an account payee bank draft, as necessary evidence is not in the possession of the assessee”.

18.67 It is important to check that an application of income as referred to in clause 23(iii)/31(iv) of Form No. 10BB/10B respectively, allows the application of income on payment basis. However, in case it violates the conditions prescribed in 40A(3A) read with applicable rules and circulars, the same shall be added in this clause.

18.68 The auditor is required to fill schedule 40A(3)/schedule 40A(3A) as under:

Schedule 40A(3): Details of amount is disallowable under thirteenth proviso to section 10(23C) or Explanation 3 to sub-section (1) of section 11 read with sub-section (3) of section 40A

- (2) Date of payment
- (3) Amount of payment (In Rs.)
- (4) Nature of payment (In Rs.)

The particulars required to be filled in the above-mentioned schedules

are self-explanatory and may be filled accordingly.

IMPORTANT POINTS REQUIRING CONSIDERATION

Applicability of the provisions of section 40A (3)-Revenue or Capital Expenditure

18.69 An important issue that arises for consideration is whether the provisions of section 40A(3) apply with respect to the revenue expenditure only or with regard to the capital expenditure also. The provisions of section 40A disallow only revenue expenditure while computing the income under the head "*Profits and gains of business or profession*" wherever there is non-compliance with the provisions enumerated in the said section. Section 40A(3) restricts the limit of cash expenditure in a day to a person to Rs. 10,000. Evidently, on similar

grounds, second proviso to section 43(1) provides that where the assessee incurs any expenditure for acquisition of any asset or part thereof in respect of which a payment or aggregate of payments made to a person in a day, otherwise than by an account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, exceeds ten thousand rupees, such expenditure shall be ignored for the purposes of determination of actual cost. However, provisions of section 11 allow the exemption on the basis of application of funds. As stated earlier, for the purpose of application of income, there is no distinction on account of revenue or capital nature. As such, in applying the income for charitable or religious purposes, even capital expenditure may be incurred. The auditor may consider the application of income accordingly.

Applicability of provisions of section 40A(3A) on Trusts/Institutions

18.70 The auditor may examine the requirement of reporting under this schedule i.e., considering its applicability on trusts/ institution as disallowances under section 40A(3A) may not be applicable. This is due to insertion of Explanation in Section 11 and Explanation 3 to Section 10(23C) by Finance Act, 2022. As per Explanation to section 11, any sum payable by any trust or institution shall be considered as application of income in the previous year in which such sum is actually paid by it (irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it).

18.71 The proviso to the said Explanation further provides that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

18.72 As per the above newly inserted explanation, an amount shall be allowed as application of income to a trust or institution only on "payment basis" i.e., only when the amount as claimed has been actually paid by it. Hence, there may be no requirement at all to examine and report the non-compliance under Section 40A(3A). This is because the pre-requisite for applicability of the provisions of Section 40A(3A) is the allowability of the amounts incurred by the trusts/institution in an earlier year on accrual basis.

18.73 However, the amounts already claimed as expense by the trust/institution prior to the coming in effect of the said explanation shall be still relevant for reporting purposes in case of non-compliance with the provisions

of Section 40A(3A). In simple words, the auditor shall be required to report the non-compliance with the provisions of Section 40A(3A) for any amount outstanding as a payable as on 31.03.2021 in the books of the trust/institution and claimed as application of income prior to A.Y. 2022-23.

18.74 The reporting in this clause may also be reconciled with reporting in clause 23(iii)/ 31(iv) of Form No. 10BB/10B respectively as it may be possible that deduction in these clauses have been claimed for the payments relating to earlier period(s) for which disallowances have been made in earlier year(s). However, at the time of payment during the year under audit, the payments are made in violation of thirteenth proviso to section 10(23C) or Explanation 3 to section 11(1) read with section 40A(3A). The auditor should appropriately report the same in this clause.

18.75 Clause 23(ix)/31(xi) of Form No. 10BB/10B respectively requires reporting of donation to any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in section 10(23C) (iv), (v), (vi) or (via) of the Act or any trust or institution referred to in section 11 or 12 of the Act towards Corpus.

Application u/s 11(1)(a)/(b) disallowed for payments towards corpus of any other entity as per Explanation 2 to Section 11(1)

18.76 Explanation 2 to section 11(1) provides that where any amount is credited or paid, out of income referred to in section 11(1)(a) or (b) read with Explanation 1, to any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv), (v), (vi), (via) of section 10(23C) or other trust or institution registered under section 12AA or section 12AB, as the case may be, being contribution with a specific direction that it shall form part of the corpus, such sum shall not be treated as application of income for charitable or religious purposes.

18.77 The auditor is required to report any such donations to corpus of other entities which are disallowable as per Explanation 2 to section 11(1). The auditor may obtain a management representation with regard to amount to be reported under this clause. The auditor should examine the same with the books of account, correspondence between donor and donee, receipts issued by donee and other relevant documents for reporting as available with the auditee under this clause.

18.78 Clause 23(x)/31(xii) of Form No.10BB/10B respectively requires reporting of donation to any fund or institution or trust or any university or other

educational institution or any hospital or other medical institution referred to in section 10(23C) (iv), (v), (vi) or (via) of the Act or any trust or institution referred to in sections 11 or 12 of the Act not having same objects.

18.79 Reporting under this clause requires verification of objects of the institution. The comparison of 'objects' of two or more institutions, if not feasible, then management representation may be obtained by the auditor. In cases where trust deed of the institution is not made available to the auditor for verification purposes, appropriate disclosure shall be made in the observations/Qualification para of Form No. 10BB/10B.

18.80 It may be further noted that such reporting becomes relevant also in case of merger with any other entity which is a registered trust or institution not having objects similar to it (refer section 115TD).

18.81 Clause 23(xi)/31(xiii) of Form No.10BB/10B respectively requires reporting in respect of Donation to any person other than any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in of section 10(23C) (iv), (v), (vi) or (via) of the Act or any trust or institution referred to in sections 11 or 12 of the Act.

18.82 The auditor may obtain a management representation with regard to amount to be reported under this clause. The auditor should examine the same with the books of account, correspondence between donor and donee, receipts issued by donee and other relevant documents as available with the auditee for reporting under this clause.

18.83 Clause 23(xii)/31(xiv) of Form No.10BB/10B respectively requires reporting of amount in respect of Application outside India for which approval under proviso to section 11(1)(c) has not been obtained and not been reported under Clause 19 of Form No. 10BB and Clause 29 of Form No. 10B.

18.84 Clause 23(xiii)/31(xv) of Form No.10BB/10B respectively requires the auditor to report the amount of Application outside India for which approval under proviso to section 11(1)(c) has been obtained. The Auditor should reconcile the said amount with the amount reported in "*Schedule Intt App*" reported under Clause 19 of Form No. 10BB and Clause 29 of Form No. 10B.

18.85 The auditor is required to verify the amounts remitted outside India for charitable or religious purposes and CBDT applications and approvals obtained by the auditee and report the amounts applied outside India for such purposes with CBDT approval [at clause 31(xv)] and without CBDT approval [at clause 31(xiv)]. In either case i.e. whether CBDT approval was obtained or not obtained, notified Form No.10B also requires reporting the amount under

the sub clause (xv) of clause 31 of Form No. 10B under the heading, “Amount to be disallowed from application”.

Note-*It is pertinent to mention here that Form No. 10B and not the Form No. 10BB is applicable to entities which have applied income outside India in a given previous year. However, these two sub clauses are also there in Form No.10BB. Hence, if there is any application outside India, then such entities will be required to fill Form No. 10B only and not the Form No.10BB.*

18.86 The notification provides for furnishing of Form No. 10B in case any institution registered under section 10(23C) having applied any part of its income outside India during the previous year by such institution. It is pertinent to mention here that provisions of section 10(23C) does not distinguish between application made outside India or within India.

18.87 Clause 23(xiv)/31(xvi) of Form No.10BB/10B respectively requires reporting of the amount applied for any purpose beyond the objects of the auditee.

18.88 Section 11 permits application of income derived from property held under Trust to the charitable and religious purposes, and section 10(23C) of the Act specifies to apply its income or to accumulate it for application wholly and exclusively to the objects for which it is established. Hence, application not within object clauses of the auditee is disallowable.

18.89 The auditor is required to report the amount applied for any purpose beyond objects of the trust or institution. The auditor may obtain a management representation with regard to amount to be reported under this clause. The auditor should examine the same with the books of account, trust deed/ formation documents and other relevant documents as available with the auditee for the purpose of reporting under this clause.

(A) Income accumulated under third proviso to section 10(23C) or under section 11(2) during any earlier previous year-Schedule AC required to be filed while furnishing Form No. 10B

The provisions of third proviso to section 10(23C) or under section 11(2) have been reproduced earlier in this publication which may be referred to.

- (i) Where 85% of the income, as per section 10(23C) is not applied for wholly and exclusively to the objects for which it is established or, as per section 11(2) of the Act not applied or not deemed to have been applied to charitable or religious purposes in India during the previous year, it is required to accumulated or set apart such income for future application. The incomes so accumulated will not be included in the total income of the trusts, university or institution if the following conditions are applied:
- *Such trust or institution furnishes Form No. 10 – notice of accumulation of income by religious or charitable trust or university or institution electronically to Assessing Officer, at least two months prior to the due date specified for furnishing the return of income(Also please refer clarification vide para 15 of Circular 6 dated 24th May 2023 in **Appendix IX**).*
 - Such accumulation cannot be for more than 5 years, and period during which income accumulated or set apart could not be

(ii) *Accumulation under Section 11(2)*

As per the provisions of section 11(2) of the Act, if the trust or institution has not applied 85% of its income during any previous year, it is allowed to accumulate such income for a period not exceeding 5 years subject to furnishing of Form No. 10 at least two months before due date of furnishing return of income u/s.139(1) and investing or depositing such money in forms or modes specified u/s. 11(5) of the Act.

Moreover, as per section 11(3) of the Act, if the accumulated income is not utilized for the purpose for which it is accumulated or set apart, it shall be deemed to be the income of the previous year being the last previous year of the period of which it is accumulated. Hence, now if the accumulated income is not applied within 5 years, the same shall be taxed in the 5th year itself. Before the amendment in Finance Act 2022, it was taxed in the 6th year under section 11(3) of the Act.

In other words, where eighty-five per cent of the income is not applied, or is not deemed to have been applied to charitable or religious purposes in India during the previous year but is accumulated or set apart, either in whole or in part for application to such purposes in India, such income so accumulated or set apart shall not be included in the total income of the previous year of the person in receipt of the income, provided the following conditions are complied with, namely:—

Provided that in computing the period of five years referred to in clause (a), the period during which the income could not be applied for the purpose for which it is so accumulated or set apart, due to an order or injunction of any court, shall be excluded.

However, Circular no. 6 of 2023 dated 24.05.2023 (**Refer Appendix IX**), clarifies that the statement of accumulation in Form No. 10 is required to be furnished at least two months prior to the due date of furnishing return of income so that it may be taken into account while auditing the books of account. However, the accumulation/deemed application shall not be denied to a trust as long as the statement of accumulation/deemed application is furnished on or before the due date of furnishing the return as provided in sub-section 139(1) of the Act.

It is advisable to furnish the Form No.9A or Form No.10 up to the due date of furnishing of Audit Report i.e. 30th September. In order to ensure that there is no conflict in information reported in Form No.10 vis-a-vis Form No.10BB/10B, the filing of Form No.9A and Form No.10 should be done as stated above.

Schedule AC is required to be filled under this clause which has been discussed earlier. The same may be referred to accordingly.

(B) Income deemed to be applied in any preceding year under clause (2) of Explanation 1 to sub-section (1) of section 11 during any earlier previous Year- Schedule DI required to be filed while furnishing Form No.10B

Clause 2 of Explanation 1 to section 11(1) provides that:

For the purposes of section 11(a) and 11(b), if, in the previous year, the income applied to charitable or religious purposes in India falls short of eighty-five per cent of the income derived during that year from property held under trust, or, as the case may be, held under trust in part, by any amount—

- (i) for the reason that the whole or any part of the income has not been received during that year, or*
- (ii) for any other reason,*

then—

- (a) in the case referred to in sub-clause (i), so much of the income applied to such purposes in India during the previous year in which the income is received or during the previous year*

- immediately following as does not exceed the said amount, and*
- (b) *in the case referred to in sub-clause (ii), so much of the income applied to such purposes in India during the previous year immediately following the previous year in which the income was derived as does not exceed the said amount,*

may, at the option of the person in receipt of the income (such option to be exercised at least 2 months prior to the due date specified under section 139(1) for furnishing the return of income, in such form and manner as may be prescribed (as per Rule 17 by furnishing Form No. 9A) be deemed to be income applied to such purposes during the previous year in which the income was derived; and the income so deemed to have been applied shall not be taken into account in calculating the amount of income applied to such purposes, in the case referred to in sub-clause (i), during the previous year in which the income is received or during the previous year immediately following, as the case may be, and, in the case referred to in sub-clause (ii), during the previous year immediately following the previous year in which the income was derived.

Circular no. 6 of 2023 dated. 24.05.2023 (Refer Appendix IX) clarifies that the statement of accumulation in Form No. 9A is required to be furnished at least two months prior to the due date of furnishing return of income so that it may be taken into account while auditing the books of account. However, the accumulation/deemed application shall not be denied to a trust as long as the statement of accumulation/deemed application is furnished on or before the due date of furnishing the return as provided in sub-section 139(1) of the Act.

As mentioned earlier, it is advisable to furnish the Form No.9A or Form No.10 up to the due date of furnishing of Audit Report i.e. 30th September. In order to ensure that there is no conflict in information reported in Form No.9A vis-a-vis Form No.10BB/10B, the filing of Form No.9A and Form No.10 should be done as stated above.

'Schedule DI' is required to be filled under this clause which has already been discussed earlier. The same may be referred to accordingly.

(C) Income of earlier previous years up to 15% accumulated or set apart- This clause requires reporting of the application of income out of income of earlier previous years to the extent of 15% accumulated or set apart. It may be noted that consolidated amount is to be reported under this clause as the

utility does not require reporting of year wise amount. However, the same may be maintained in the working papers by the auditor.

For reporting under this clause, the auditor may obtain a Certificate from the auditee regarding the amount set apart of earlier previous years for general accumulation along with calculation of such 15%, supported by financial statements of the relevant previous year(s).

Initially for reporting in Form No. 10BB/10B, there will be practical difficulties in verifying the amount set apart of earlier previous years for general accumulation along with calculation of such 15%. In such cases, the auditor should verify the transactions with reference to such evidence which may be available. In the absence of satisfactory evidence, for answering, under this clause. The suggested comment is as follows:

“It is not possible for me/us to verify the amount set apart of earlier previous years for general accumulation along with calculation of such 15%, as the necessary evidence is not in the possession of the assessee in respect of clause 27(C)/37(C) of Form No. 10BB/10B. Thus, reliance has been placed on the information provided in the management representation”

(D) Application of Income out of Corpus -Schedule Corpus is required to be filed while furnishing Form No.10B

Any amount applied during the previous year out of the corpus is to be mentioned under this clause. Such amount is not treated as application of income at the time of utilization but shall be treated as application in the year in which it is invested or deposited back in the modes specified under section 11(5) of the Act. The related provisions have been discussed in earlier clauses requiring reporting in Schedule Corpus and may be referred accordingly.

Under sub-clause (D) ‘Schedule Corpus’ is to be filled which has already been discussed earlier. The same may be referred to accordingly.

(E) Application of Income out of borrowed fund-Schedule LB required to be filed while furnishing Form No.10B

Any amount applied during the previous year out of borrowed funds are to be mentioned under this clause. Such amount is not treated as application of income at the time of utilization but shall be treated as application in the year in which it is repaid in case of the loan or borrowing. The related provisions have been discussed in earlier clauses requiring reporting in Schedule Corpus and may be referred to accordingly.

Under sub-clause (D) schedule Corpus is to be filled and under sub-clause (E) Schedule LB is required to be filled while furnishing Form No.10B. The said schedules have already been discussed earlier in this publication. The same may be referred to accordingly.

- **Name of such person**

In serial number 28(Form No.10BB)/ 41 (Form 10B) Select one or more of the following codes for specified person:

S.no.	Nature of Person	Code
(1)	<i>the author of the trust or the founder of the institution;</i>	1

(5)	<i>any relative of any such author, founder, person, member, trustee or manager as aforesaid;</i>	5
(6)	<i>any concern in which any of the persons referred above have a substantial interest.</i>	6

23.1 Clause 28/41 of Form No. 10BB /10B respectively requires reporting of details of specified person as referred to in section 13(3). Section 13 prescribes various situations where section 11 or section 12 shall not apply.

23.2 In this regard, section 13(1)(c) specifies that;

(c) in the case of a trust for charitable or religious purposes or a charitable or religious institution, any income thereof—

(i) if such trust or institution has been created or established after the commencement of this Act and under the terms of the trust or the rules governing the institution, any part of such income enures, or

(ii) if any part of such income or any property of the trust or the institution (whenever created or established) is during the previous year used or applied,

directly or indirectly for the benefit of any person referred to in section 13(3), such part of income shall not be excluded from the total income i.e. section 11 or 12 shall not apply to such part of income.

23.3 However, as per proviso to section 13(2)(g) any application of income or property up to Rs.1000/- in favour of the specified persons would not disentitle the institutions from application of such income.

23.4 Rule 17AA(1)(d)(ix), provides that :

“Every fund or institution or trust or any university or other educational institution or any hospital or other medical institution which is required to keep and maintain books of account and other documents under clause (a) of tenth proviso to clause (23C) of section 10 of the Act or

sub-clause (i) of clause (b) of sub-section (1) of section 12A of the Act shall keep and maintain the following, namely:

(i).....

(ii)....

....

(ix) record of specified persons, as referred to in sub-section (3) of section 13 of the Act,-

(i) containing details of their name, address, permanent account number and Aadhaar number (if available);

(ii) transactions undertaken by the fund or institution or trust or any university or other educational institution or any hospital or other medical institution with specified persons as referred to in sub-section (3) of section 13 of the Act containing details of date and amount of such transaction, nature of the transaction and documents to the effect that such transaction is, directly or indirectly, not for the benefit of such specified person;”

23.5 As mentioned above, as per Rule 17AA(1)(d)(ix) the institution is required to maintain record of specified persons under section 13(3). The auditor may verify the record so maintained with supporting documents, if available, for the purpose of reporting under this clause. The details required under this clause are self-explanatory and thus can be reported by the auditor accordingly.

23.6 In case the record is not maintained by the auditee as per requirements of 17AA(1)(d)(ix) and thus not made available to the auditor, the fact may be reported under observation/ qualification paragraph of the Audit report.

23.7 The auditor may obtain management representation which includes the list of the persons specified under section 13(3) [*The CBDT has accepted this view vide Circular No.143 [F.No.180/74/73- IT(A-I)], dated 20.8.1974 given in (Refer Appendix X)*]

23.8 In case the specified person reported (*selection of code 2*) is any person who has made a substantial contribution to the trust or institution, that is to say, any person whose total contribution up to the end of the relevant previous year exceeds fifty thousand rupees; the amount of such contribution is also required to be reported under column 6.

23.9 It may be noted that this amount may not pertain only to the previous year but may also pertain to earlier previous years which may or may not be available with the auditee more so as the Rule 17AA has been notified through Income tax (Twenty-Fourth Amendment) Rules, 2022 w.e.f 10.08.2022. Prior to the same, there were no identifiable details of books of accounts or other documents that were required to be maintained in respect of specified persons.

23.10 Thus, it is advisable that the auditor may take management representation for the purpose of reporting with respect to this clause.

23.11 It may be noted that Form No. ITR 7 i.e. Return of Income for persons required to be furnished by specified trusts/institutions also requires reporting in *Part General- Other Information*-of name of persons mentioned under section 13(3)(b) who has made substantial contribution to the trusts/institutions **during** the previous year only.

23.12 In view of this, a suitable observation be given in observations/ qualifications paragraph of Audit form.

23.13 Another column under this clause requires reporting of Aadhar number of the specified person, if allotted. However, Rule 17AA (relevant extracts mentioned above) mentions that the Aadhar number is to be reported only if it is available. There is a possibility that the Aadhar number is allotted to the specified person, but the same is not made available to the auditee or the auditor for the purpose of reporting under this clause. Since the Rule supersedes the Form, the reporting may be done accordingly.

23.14 Details of income/property/transactions referred to in section 13(2)
[Clause 29 of Form No.10BB & Clause 42 of Form No. 10B]

- (a) **Whether any part of the income or property of the auditee is, or continues to be, lent to any specified person for any period during the previous year without either adequate security or adequate interest or both** *[Schedule SP-a]*
- (b) **Whether any land, building or other property of the auditee is, or continues to be, made available for the use of any specified person, for any period during the previous year without charging adequate rent or other compensation.** *[Schedule SP-b]*
- (c) **Whether any amount is paid by way of salary, allowance or otherwise during the previous year to any specified person out of the resources of the auditee for services rendered by that person to such auditee and the amount so paid is in excess of what may**

be reasonably paid for such services. [Schedule SP-c]

- (d) Whether the services of the auditee are made available to any specified person during the previous year without adequate remuneration or other compensation. [Schedule SP-d]**
- (e) Whether any share, security or other property is purchased by or on behalf of the auditee from any specified person during the previous year for consideration which is more than adequate. [Schedule SP-e1/e2]**
- (f) Whether any share, security or other property is sold by or on behalf of the auditee to any specified person during the previous year for consideration which is less than adequate. [Schedule SP-f1/f2]**
- (g) Whether any income or property of the auditee is diverted during the previous year in favour of any specified person. [Schedule SP-g]**
- (h) Whether any funds of the auditee are, or continue to remain, invested for any period during the previous year, in any concern in which any specified person has a substantial interest. [Schedule SP-h]**

23.15 In respect of the above sub-clauses of clause 29 of Form No.10BB, the auditor needs to state only "Yes/ No". If the answer is affirmative, the amount is also to be reported. However, in the sub-clauses of clause 42 of Form No. 10B, apart from the stating 'Yes/ No', related schedules (SP-a to SP-h) are to be filled in case the answer is affirmative. The auditor while reporting in Form No.10BB may maintain the details of these schedules as working papers.

23.16 Since this clause revolves around the 'Specified Person' as per Section 13(3) it is important to know the provisions of section 13(3) which have been reproduced while discussing clause 33(c) of Form No.10B respectively and accordingly may be referred to.

23.17 For the purpose of reporting in these sub-clauses, the auditor may,

- (a) examine the records to identify the specified persons referred under section 13(3). As stated in above clauses, the Auditor should obtain the Donor wise list of donation from the management to identify the Donor who have contributed above Rs. 50,000 upto the end of relevant financial year. The Auditor may also examine the party wise details of salaries, rental, interest and other expenses and rent income, interest**

income etc. to see if any transactions are entered with the specified persons.

- (b) The auditor also needs to verify the records maintained by the auditee as required under Rule 17AA(1)(d)(ix), the provisions of which have been reproduced while discussing clause 28/41 of Form No. 10BB/10B. If, during verification of above records, the auditor comes across transactions which are for the benefit of such specified persons, then such transactions are to be reported under this clause.
- (c) Apart from verification of records, the Auditor may obtain a Management representation from the auditee confirming the list of specified persons and details of transactions between the auditee and specified person referred under section 13(3).
- (d) In case the transaction between auditee and the specified persons is not at adequate and reasonable price, the same needs to be reported as observation/qualification in audit report. Besides using his professional judgement here, the auditor may also obtain management representation which includes transactions held between the auditee and the specified persons referred to under section 13(3) during the year resulting in direct and/or indirect benefits, but not at adequate or reasonable price to the specified persons.

23.18 In respect of clause 29(a)/42(a) of Form No.10BB/10B respectively, the auditor is required to state "Yes/ No" as to whether any part of the income or property of the auditee is, or continues to be, lent to any specified person for any period during the previous year without either adequate security or adequate interest or both. In Form No. 10B reporting in *Schedule SP-a* is required in case the answer is affirmative whereas in Form No. 10BB in that case only the amount is to be reported.

23.19 For the purposes of reporting under this clause, the auditor may:

- (a) examine books of account to check whether any income has been lent in the previous year to the persons referred in section 13(3).
- (b) analyze the receivables and find out whether it includes the names of any such persons;
- (c) ascertain whether the given amount is a loan/deposit and

25.7 The auditor shall also check whether the auditee has, invested or deposited back the Corpus or made repayment of loans / borrowings, out of income of the previous year, which were used in earlier previous year/s for acquisition of fixed asset, and has to claim the same as application of income during the previous year under audit, as allowed in terms of respective proviso to clause (i) and (ii) of Explanation 2 of third proviso to section 10(23C) or Explanation 4 to section 11(1) as applicable.

25.8 Such depositing back of corpus or repayment of loan/borrowing is to be made within five years from the end of previous year in which such application was made from corpus or loan/borrowing. If such depositing back of corpus or loan/borrowing is against the application out of corpus or loan/borrowing on or before 31-3-2021 then any amount deposited back or loan/borrowing repaid during the previous year will not be treated as application of income.

The auditor is required to verify that no items have been omitted in the information furnished to him and reasonable test checks would reveal whether or not the information furnished is correct.

The extent of check undertaken would have to be indicated by the auditor in his working papers and audit notes. The auditor would be well advised to so design his audit programme as would reveal the extent of checking and to ensure adequate documentation in support of the information being certified.

26.3 While reporting under this clause, the auditor may exercise his judgement in the light of the applicable laws and report accordingly about the applicability of the provisions of Chapter XVII-B or XVII-BB with regard to the auditee. The auditor may rely upon the judicial pronouncements while taking any particular view. While answering the issue of applicability of the provisions of Chapter XVII-B and/or XVII-BB, a number of debatable issues may arise before the assessee as well as the auditor. Where it is not possible to say yes/no, the answer to the question may have to be qualified depending upon the facts and circumstances of each case. Having verified the applicability of the provisions of Chapter XVII-B and Chapter XVII-BB, the auditor should answer the question as "Yes" and thereafter provide further details. Where the auditor is of the opinion that provisions of Chapter XVII-B and Chapter XVII-BB are not applicable he should answer the question as "No". In case, answer is predominantly based on any judicial pronouncements, mentioning it in appropriate circumstances may be considered in the "Observations/Qualifications" paragraph in the audit report.

26.4 Once the auditor gives his affirmation with regard to applicability of the provisions of Chapter XVII-B and/ or Chapter XVII-BB, he is required to furnish further details under this clause. The auditor should obtain a copy of the TDS/TCS statements filed by the assessee which shall form the basis of reporting under this clause, to the extent possible. Further, in view of the voluminous nature of the transactions, the auditor can apply test checks and compliance tests on the transactions reported in the TDS/TCS statements by the assessee for verifying the information required to be provided under this clause.

26.5 The auditor shall broadly apply the following audit procedures in this regard.

- a. Identify various heads of expenses where there is a likelihood of TDS liability such as salaries, interest, royalties, contractors/sub-contractors, professional technical fees etc. or the heads of income where there is a likelihood of TCS liability.
- b. Verify the total amount of the receipts or payments of the nature identified in (a) above.

Schedule TDS/TCS

- 1. Tax Deduction and Collection Account Number (TAN)**
- 2. Section**

- 3. Nature of payment**
- 4. Total amount of payment or receipt of the nature specified in column (3)**
- 5. Total amount on which tax was required to be deducted or collected out of (4)**
- 6. Total amount on which tax was deducted or collected at specified rate out of (5)**
- 7. Amount of tax deducted or collected out of (6)**
- 8. Total amount on which tax was deducted or collected at less than specified rate out of (7)**
- 9. Amount of tax deducted or collected on (8)**
- 10. Amount of tax deducted or collected but not deposited to the credit of the Central Government out of (6) and (8)**

26.6 The Auditor, while determining the amount to be reported under this clause, has to check and verify the payments made by the assessee and should not only restrict to verification of expenses debited to Income & Expenditure account or Profit & Loss or the TDS/TCS statements filed and provided by the assessee.

26.7 Column (1) of this schedule requires reporting of each tax deduction and collection Account number with regard to which tax has been deducted or collected at source.

26.8 Column (2) requires the auditor to report various sections under which tax is required to be deducted or collected at source.

26.9 Column (3) requires furnishing of the details regarding the nature of payment.

26.10 Column (4) requires the auditor to furnish the details of the total amount of payment or receipt of the nature specified in column (3). The details in the said column may be drawn from the books of account and other relevant documents which include aggregate of payments/receipts on which tax is liable to be deducted as well as not liable to be deducted/collected. Auditor may maintain working papers giving reconciliation of amount as per books of account and amount on which TDS/TCS is required to be deducted/collected.

26.11 Column (5) casts an onerous responsibility on the auditor, wherein it is required to furnish the details of total amount on which the tax was required to be deducted or collected out of the amount mentioned in column (4) having

regard to the nature of payments/ receipts under the relevant sections of Chapter XVII-B / XVII-BB. Since the reporting under column (4) is required to be made with regard to the nature of payments made or amount received, there may be a difference in the amounts reported under column (4) and column (5). The reasons for difference may be applicability of certificates issued under section 195/197 or threshold limits provided in specific sections or difference of opinion with regard to applicability of a particular section and the like. The auditor may maintain relevant working papers to this effect.

26.12 In column (6) the auditor is required to furnish the total amount out of the amount deductible or collectible as mentioned in column (5) at which the tax was deducted or collected at the specified rate. The auditor has to consider the rates of deduction as per the law relevant to the previous year. Further, as per the provisions of sections 195/ 197, certificate can be issued for no deduction or lower deduction of tax at source. The auditor should refer to the relevant provisions, rules, circulars, notifications and such certificates obtained from the auditee to verify the cases where tax has been short deducted at source. In case the payer deducts/recipient collects tax at source at a rate lower than the specified rate on the basis of certificate issued under section 195 or 197, the lower rate or nil rate, as the case may be, will be considered as the specified rate for the purpose of reporting under this clause. In the case of payment to non-residents, the applicable rate of tax deduction at source is to be read along with the Double Taxation Avoidance Agreement.

26.13 Column (7) requires furnishing of total amount of tax deducted/ collected out of the amount furnished in column (6).

26.14 Similarly, column (8) requires the auditor to furnish the total amount out of the amount deductible or collectible as mentioned in column (5) at which the tax was deducted or collected at the rate less than the specified rate. The lesser deduction is required to be reported in this clause. This will include deduction at a lower rate than what is prescribed, application of wrong section for deduction of tax at source, etc. For example, the auditee deducts tax u/s 194C@2%, however, there is another view that tax is required to be deducted @10% u/s 194J, the same has to be reported under this column. In case there is difference of opinion with regard to rate of deduction or applicability of a particular section, the auditor may appropriately report the difference of opinion giving both the views in the "Observations/Qualifications" paragraphs of Audit Report.

26.15 Further, column (9) requires furnishing of total amount of tax deducted/collected out of the amount furnished in column (8). The auditor

should also consider applicability of higher rate of TDS/TCS under certain circumstances like non-furnishing of PAN, non-filers of return as provided in section 206AA/206AB/206CC/206CCA.

26.16 Column (10) requires the auditor to furnish the details of the amount of tax deducted or collected but not deposited to the credit of the Central Government. As such the auditor should verify the cases where the tax has been deducted at source but not paid to the credit of the Central Government till the date of the audit.

26.17 The details in the column (6), (7), (8), (9) and (10) may be examined from the TDS/TCS statements furnished by the assessee to the Income-tax Department and be cross-verified from the books of account and other relevant documents. The auditor may take status of demand payable as per TDS CPC (popularly known as TRACES), if made available by the auditee, for the purpose of reporting under this clause.

Schedule Statement of TDS/TCS

- 1. Tax deduction and collection account number (TAN)**
- 2. Type of Form**
- 3. Due date for furnishing**
- 4. Date of furnishing, if furnished**
- 5. Whether the statement of tax deducted or collected contains information about all transactions which are required to be reported**

26.18 Under this Schedule, the auditor has to ascertain and report as to whether the assessee is required to furnish the statement of tax deducted or tax collected at source within the prescribed time and answer 'yes' or 'no' depending on his examination. If the answer is 'yes', the auditor shall provide further details in a table contained in schedule only with regard to the statement required to be furnished by the assessee.

26.19 Under this schedule, the scope of the reporting requirements is to furnish information about the statement of tax deducted at source and tax collected at source required to be furnished by the assessee. In this schedule, the auditor is required to furnish a list of details/transactions which are not reported in the statement of tax deducted at source and statement of tax collected at source under column (5). Depending upon transactions that require tax deduction or collection, the auditor should ascertain which

statements, the assessee was required to furnish for the financial year under audit. He should check which statements have been furnished by the assessee for tax deducted as well as collected. The reporting requirement is notwithstanding the fact that the assessee has furnished the statements of tax deducted at source and tax collected at source or not.

26.20 In *first column*, TAN should be stated. Based on examination of transactions requiring tax deduction or collection, a list of type of each form the assessee was required to furnish should be stated in *second column*. *Third column* shall state due date for furnishing statement listed in the second column. *Fourth column* shall state date of furnishing the statement, if furnished. This information should be filled in on the basis of acknowledgements for furnishing of statements. *Fifth column* requires auditor to examine all the statements of tax deducted or collected and report whether all details/transactions required to be reported are furnished. If there is any deficiency in contents, the same is required to be reported against the relevant statement. If the information is voluminous, then the auditor should consider reporting significant deficiencies with appropriate remarks in "Observations/ qualifications" paragraph of audit report.

Schedule Interest on TDS/TCS

- 1. Tax deduction and collection account number (TAN)**
- 2. Amount of interest under section 201(1A) or 206C(7) is payable**
- 3. Amount paid out of column (2)**
- 4. Date of payment**

26.21 Under this schedule, the auditor is required to furnish detailed information in case the assessee is liable to pay interest under section 201(1A) or section 206C(7) of the Act. Section 201(1A) provides for payment of interest at a specified rate in case the tax has not been deducted wholly or partly or after deducting has not been paid to the credit of Central Government as required by the Act. Similarly, section 206C (7) provides for payment of interest at a specified rate in case the tax is not collected wholly or partly or if collected not paid to the credit of the Central Government as required by the Act. The reporting as to whether the assessee is liable to pay such interest, should be in consonance with the reporting under this schedule where the details of non-deduction are required to be reported by him.

26.22 Where the assessee is liable to pay interest u/s 201(1A) or 206C(7), the auditor should verify such amount from the books of account as on 31st March

of the relevant previous year and also from the Statement generated by the Department in Form No.26AS/AIS/TIS. In case the assessee had disputed the levy or calculation of interest under TRACES, or in Form No. 26AS, the auditor may mention the fact in the “*observations/qualifications*” paragraph provided in audit report.

26.23 At this juncture, it is important to take note of the amendment made by Finance Act, 2022 by inserting a second proviso to Section 201(1A). As per the said proviso, the interest under the provisions of Section 201(1A) shall be payable as per the order of the Assessing officer where so passed. Hence, the auditor should consider all the orders passed by the Assessing Officer (if made available by the auditee) for the purposes of reporting under this Schedule. Similarly, Second proviso has been inserted to Section 206C(7) to clarify the mentioned issue relating to delays in collecting/depositing the collected tax at source. The auditor may require the auditee to furnish the details of all such orders and in case they are disputed by way of filing appeal before the appellate authorities, the view of the auditee may be obtained for the purpose of reporting under this clause in column (2) of this schedule. For such a view, suitable disclosures should be made in “*Observations/Qualifications*” paragraph of the audit report.

26.24 Under mercantile system of accounting, interest if not paid till 31st March and provision is not made, impact on true and fair view should be considered.

27.1 According to section 12A of Income-tax Act, 1961, provisions of section 11 and section 12, regarding exemption of income, will not be applicable to an institution etc., unless an application for its registration is made as per section 12AB of the Act. The provisional registration so granted shall be valid for a period of 3 years and hence needs to be renewed at the end of the basis of mentioned timelines. The registration so renewed shall be valid only for 5 years and needs to be renewed at least six months prior to expiry of 5 years. Similarly, registration is required to be sought by entities in Clause (i) to (iii) of second proviso to section 10(23C), section 35(1)(ii)/(iia)/(iii), and Clause (i) to (iii) of 2nd proviso to section 80G(5) and others, if any.

27.2 *No provisional registration needed w.e.f. 1-10-2023:-* Any institution which requires or needs to get registration u/s 10(23C) or 12AB or 80G need to apply for provisional registration before commencement of activities.

27.3 As provided under section 12A(1)(vi)(B), if the trust has commenced activities and claimed benefit of exemption under section 11 or 12 in any previous year, such trust cannot directly apply for final registration. Such trust has to apply for provisional registration first and then application for final registration can be made.

27.4 If a trust or institution which has already commenced its activities is applying for first time (*i.e. not claimed exemption under section 11 or 12 or 10(23C)(iv)/(v)/(vi)/(via) in any previous year ending on or before date of application*) it need not apply for provisional registration and can directly apply for final registration under sub-clause (iv)(B) of first proviso to 10(23C) or sub-clause(vi)(B) of 12A(1)(ac), or sub-clause (iv)(B) of first proviso to 80G(5).

27.5 The Principal Commissioner or Commissioner, if satisfied, has to pass an order granting registration for 5 years. The order granting or rejecting such application shall be passed within 6 months from the end of month in which such application is received. Refer **Circular No. 6/2023** dated 24.05.2023 issued by the CBDT (**Refer Appendix IX**).

27.6 Under this clause, the auditor has to check whether the registration or provisional registration has been obtained by the auditee relevant to the year under audit and date from which registration is effective. Auditor should verify the code in respect of section under which registration/provisional registration is granted to the auditee. Where final registration has already been granted to the auditee, details of provisional registration are not required to be reported under this clause. The auditor should obtain from the management copies of all the registrations obtained as a part of his working papers.

27.7 As the clause 9 requires the details of valid registration, in case during verification it comes to the notice of the auditor that the registration has been cancelled or has not been approved (whether or not the assessee is in appeal), the fact may be disclosed in the "Observations/Qualifications" Paragraph of the audit report.

27.8 The other details required to be reported under this clause are self-explanatory and may be reported accordingly.

29. Advancement of any other objects of general public utility [Clause 15-16 of Form No. 10B]

15. **Where, in any of the projects/institutions run by auditee, one of the charitable purposes is advancement of any other object of general public utility then,**
- (A) **Whether any activity is being carried on by the auditee which is in the nature of trade, commerce or business referred to in proviso to clause (15) of section 2?**
 - (B) **If yes, then percentage of receipt from such activity vis-à-vis total receipts**
 - (C) **Whether such activity in the nature of trade, commerce or business is undertaken in the course of actual carrying out of such advancement of any other object of general public utility**
 - (D) **Whether there is any activity of rendering any service in relation to any trade, commerce or business for any consideration as referred to in proviso to clause (15) of section 2?**

- (E) **If yes, then percentage of receipt from such activity vis-à-vis total receipts**
- (F) **Whether such activity of rendering service is undertaken in the course of actual carrying out of such advancement of any other object of general public utility.**

16. **If 'A' or 'D' in 15 is Yes, the aggregate annual receipts from such activities in respect of that project/institution**

- **S.No**
- **Name of Project/ Institution**
- **Amount of aggregate annual receipts from activities referred in 15A and 15D (In Rs.)**

29.1 Section 2(15) of the act defines “*charitable purpose*”. Accordingly, “*charitable purpose*” includes relief of the poor, education, yoga, preservation of environment (including watersheds, forests and wildlife) and preservation of monuments or places or objects of artistic or historic interest, medical relief, and the advancement of any other object of general public utility

29.2 The proviso to section 2(15) provides that the advancement of any other object of general public utility shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity, unless—

- (i) such activity is undertaken in the course of actual carrying out of such advancement of any other object of general public utility; and
- (ii) the aggregate receipts from such activity or activities during the previous year, do not exceed twenty per cent of the total receipts, of the trust or institution undertaking such activity or activities, of that previous year.

29.3 In view of decision of Hon'ble Supreme Court in *Asstt. CIT (Exemptions) v. Ahmedabad Urban Development Authority [2022] 143 taxmann.com 278*, if the prices charged by such general public utility entities (GPU) substantially above cost, it can be inferred that the activity in question is a commercial one and would not be entitled to exemption unless it meets the quantitative limit of 20% of the gross receipts and the requirements of section 11(4A). If such

services carry a nominal markup or are priced at cost, they would not be considered as being in the nature of trade, commerce or business.

29.4 The Finance Act, 2023 has exempted income of certain authorities, Board and trusts. Section 10(46A) applicable from AY 2024-2025 states as under-

“any income arising to a body or authority or Board or Trust or Commission, not being a company, which—

- (a) has been established or constituted by or under a Central Act or State Act with one or more of the following purposes, namely:--*
 - (i) dealing with and satisfying the need for housing accommodation;*
 - (ii) planning, development or improvement of cities, towns and villages;*
 - (iii) regulating, or regulating and developing, any activity for the benefit of the general public; or*
 - (iv) regulating any matter, for the benefit of the general public, arising out of the object for which it has been created; and*
- (b) is notified by the Central Government in the Official Gazette for the purposes of this clause.”*

29.5 The Hon'ble Supreme Court in the case of *CIT v Gujarat Maritime Board (2007) 295 ITR 561 (SC)*, relying on the judgement in case of *Ahmedabad Rana Caste Association v CIT (1971) 82 ITR 704(SC)*, has observed that the expression “*advancement of any other object of general public utility*” is of the widest connotation. The word “*general*” in the said expression means pertaining to a whole class. Therefore, advancement of any object or benefit to the public or a section of the public as distinguished from benefit to an individual or a group of individuals would be a charitable purpose.

29.6 The expression “*if it involves any trade, commerce or business or any activity of rendering any service in relation to any trade, commerce or business*” is very widely worded so as to render entire income of organisation as not exempt based on commercial activity undertaken with receipts above the limit of 20% of gross receipts. Since the proviso to section 2(15) applies only to GPU activities the benefits of exemption sections 11 to 13A and 80G of the Act cannot be denied to institutions and organisations falling within the categories of medical relief, relief of the poor, education, yoga, wildlife and

heritage conservation merely because they carry on an activity generating profit, so long as they fulfil the requirements of section 11(4A).

29.7 The second part, "*any activity of rendering any service in relation to any trade, commerce or business*" intends to expand the scope of the proviso to include services, which are rendered in relation to any trade, commerce or business. The proviso further stipulates that the activity must be "*for a cess or fee or any other consideration*". The last part states that the proviso will apply even if the cess or fee or any other consideration is applied for a charitable activity/purpose. The proviso has to be given full effect to. Thus, even if cess, fee or consideration is used or utilized for charitable purposes, the proviso and the bar will apply.

29.8 An activity will not be regarded as charitable purpose/activity under the last limb, if cess, fee or consideration is received for carrying on any activity in nature of trade, commerce or business or for any activity of rendering of any service in relation to any trade, commerce or business, even if the consideration or the money received is used in furtherance of the charitable purposes/activities. In view of the same, the decisions that the application of money/profit is relevant for determining whether or not a person is carrying on charitable activity, are no longer relevant and apposite.

29.9 Even if the profits earned are used for charitable purposes, but fee, cess or consideration is charged by a person for carrying on any activity in the nature of trade, commerce or business or any activity of rendering of any service in addition to any trade, commerce or business, it would be covered under the proviso and the bar/prohibition will apply.

29.10 The term "*trade*", "*commerce*" or "*business*" involves a profit element embedded therein.

29.11 Business - Section 2(13) of the Act gives inclusive definition of "business". It says "*business includes any trade, commerce or manufacture or any adventure or concern in the nature of trade, commerce or manufacture.*" The expression "business" though extensively used in taxing statute, is a word of indefinite import and is used in the sense of an occupation which occupies the time, attention and labour of a person, normally with the object of making profit. To regard an activity as business, there must be a course of dealings, either actually continued or contemplated to be continued with a profit motive and not for sport or pleasure. Whether a person carries on business in a particular commodity would depend upon the volume, frequency, continuity and regularity of transactions of purchase and sale in relation to that

commodity with profit motive.

29.12 *Trade* - The definition of business for income-tax purposes explicitly includes trade within its scope. However, it has not been defined. Apart from the fact that everyone carrying on trade is necessarily regarded as carrying on a business, the concept of trade for the purpose of taxation has come up for elucidation in a number of cases. The expression 'trade' is not defined in the Act. 'Trade' in its primary meaning is the exchanging of goods for goods or goods for money; in its secondary meaning it is repeated activity in the nature of business carried on with a profit motive, the activity being manual or mercantile, as distinguished from the liberal acts or learned professions or agriculture. The question whether trade is carried on by a person at a given place must be determined on a consideration of all the circumstances. No test or set of tests which is or are decisive for all cases can be evolved for determining whether a person carries on trade at a particular place.

29.13 *Commerce* - The definition of business includes 'commerce' within its scope and in view of both trade and commerce being used as signifying and includible in business, the distinction between trade and commerce is relevant. This distinction has been highlighted in *Gannon Dunkerley & Co. (Madras) Ltd. vs. State of Madras (1954) 5 STC 216 (Mad)* to state that "in ordinary parlance trade and commerce carry with them the idea of purchase and sale with a view to make a profit. If a person buys goods with a view to sell them for profit it is an ordinary case of trade. If the transactions are of a large scale it is called commerce. Further, a continuous repetition of such transactions constitutes a business." Nobody can define the volume of business which would convert a trade into commerce. This view has been affirmed by the Supreme Court in the case of *State of Madras vs. Gannon Dunkerley (1958) 9 STC 353 (SC)*.

29.14 The term "trade", "commerce" and "business" within its ambit profit motive have also been explained in *Circular No.11/2008 dated 19.12.2008* given in **Appendix XI**

29.15 It can be seen from the above that all the 3 facets "trade", "commerce" and "business" incorporate within its ambit profit motive.

29.16 Thus, for ascertaining whether an activity is in the nature of charitable activity if it is in the nature of "the advancement of any other object of general public utility", it has to pass through the test of the Proviso i.e.

- (b) Total income of auditee during the previous year**
- (c) Percentage of expenditure which is of religious nature to the total income [Amount in (a)/(b)]**

38.1 This clause requires reporting of details regarding expenditure incurred for religious purposes in case auditee is approved under second proviso to section 80G(5).

38.2 Section 80G(5) provides that this section applies to donations to any institution or fund referred to in Section 80G(2)(a)(iv) only if it is established in India for a charitable purpose and if it fulfils certain conditions which inter alia include - 80G(5)(ii) - the instrument under which the institution or fund is constituted does not, or the rules governing the institution or fund do not, contain any provision for the transfer or application at any time of the whole or any part of the income or assets of the institution or fund for any purpose other than a charitable purpose.

38.3 Further, Explanation 3 states that "charitable purpose" does not include any purpose the whole or substantially the whole of which is of a religious nature.

38.4 Notwithstanding anything contained in clause (ii) of sub-section (5) and Explanation 3, an institution or fund which incurs expenditure, during any previous year, which is of a religious nature for an amount not exceeding five per cent of its total income in that previous year shall be deemed to be an institution or fund to which the provisions of this section apply.

38.5 In this clause the auditor is required to report the amount in case any amount of expenditure incurred during the previous year which is of a religious nature. For the purpose of reporting under this clause the auditor may obtain management representation from the auditee.

38.6 Further, the auditor is also required to report the total income of the auditee during the previous year in clause 40(b). Clause 40(c) requires reporting of percentage of expenditure which is of religious nature to the total income [Amount in (a)/(b)]. This may be an auto-populated field.

38.7 It may be noted that this reporting requirement arises only where the trust is registered under section 80G(5).

39. In view of provisions of nineteenth proviso to clause (23C) of section 10 or sub-section (7) of section 11, please specify whether the trust or institution has claimed deduction under section 10 [other than clause (1), clause (23C) and clause (46) thereof] during the previous year and the amount of such claim.

[Clause 45 of Form No. 10B]

39.1 Under clause 45 of Form No. 10B the auditor has to state “Yes/ No” as to whether the trust or institution has claimed deduction under section 10 [other than clause (1), clause (23C) and clause (46) thereof] during the previous year in view of provisions of nineteenth proviso to section 10(23C) or section 11(7).

39.2 Section 11(7) of the Act states as under:

“(7) Where a trust or an institution has been granted registration under section 12AA or section 12AB or has obtained registration at any time under section 12A as it stood before its amendment by the Finance (No. 2) Act, 1996 (33 of 1996) and the said registration is in force for any previous year, then, nothing contained in section 10 other than clause (1), clause (23C) and clause (46) thereof shall operate to exclude any income derived from the property held under trust from the total income of the person in receipt thereof for that previous year:

Provided that such registration shall become inoperative from the date on which the trust or institution is approved under clause (23C) of section 10 or is notified under clause (46) of the said section, as the case may be, or the date on which this proviso has come into force, whichever is later:

Provided further that the trust or institution, whose registration has become inoperative under the first proviso, may apply to get its registration operative under section 12AA or section 12AB subject to the condition that on doing so, the approval under clause (23C) of

section 10 or notification under clause (46)[w.e.f 01.04.2024, clause 23EC & clause 46A are also to be inserted] of the said section, as the case may be, to such trust or institution shall cease to have any effect from the date on which the said registration becomes operative and thereafter, it shall not be entitled to exemption under the respective clauses.”

39.3 In view of the above provision, any trust or institution cannot claim exemption under section 10 except section 10(1).

39.4 The auditor is required to obtain the computation of the auditee, last year's returns and other documents to check if the auditee is registered under section 12A, 12AA, 12AB and the said registration is in force.

39.5 The auditor is required to report such amount other than amount covered under section 10(1) in Clause 45 of Form No. 10B.

40. Whether the auditee has taken or accepted any loan or deposit or any specified sum, exceeding the limit specified in section 269SS during the previous year? [Clause 46 of Form No.10B]

40.1 Clause 46 requires the auditor to state “Yes/ No” as to whether the auditee has taken or accepted any loan or deposit or any specified sum, exceeding the limit specified in section 269SS during the previous year. In case the answer is affirmative, the auditor is required to fill “Schedule 269SS”

40.2 Section 269SS prescribes the mode of taking or accepting certain loans or deposits or specified sums. As per this section, no person shall take or accept from any other person any loan or deposit or specified sums otherwise than by an account payee cheque or account payee bank draft or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed (hereinafter referred to as approved banking channels) if,-

- (a) the amount of such loan or deposit or specified sum or the aggregate amount of such loan and deposit and specified sum; or
- (b) on the date of taking or accepting such loan or deposit or specified sum, any loan or deposit or specified sum taken or accepted earlier by such person from the depositor is remaining unpaid (whether repayment has fallen due or not), the amount or the aggregate amount remaining unpaid; or

- (c) the amount or the aggregate amount, referred to in clause (a) together with the amount or the aggregate amount referred to in clause (b)

is twenty thousand rupees or more. An exception is provided for Primary Agricultural Credit Societies ("PACS") and Primary Co-operative Agricultural and Rural Development Bank ("PCARD") by raising the amount to Rs 2,00,000 applicable w.e.f. AY 2023-24.

40.3 The CBDT, vide notification no. 8/2020/F. No. 370142/14/2019-TPL dated 29th January 2020, has prescribed the other electronic modes under Rule 6ABBA with effect from 1st September 2019. Under the said Rule the following shall be the other electronic modes for the purposes of Section 269SS:

- (a) Credit Card;
- (b) Debit Card;
- (c) Net Banking;
- (d) IMPS (Immediate Payment Service);
- (e) UPI (Unified Payment Interface);
- (f) RTGS (Real Time Gross Settlement);
- (g) NEFT (National Electronic Funds Transfer), and
- (h) BHIM (Bharat Interface for Money) Aadhar Pay.

As per Circular no. 6 of 2023, dated. 24.05.2023 (**Refer Appendix IX**), it is hereby clarified that for the purposes of Form No. 10B and Form No. 10BB electronic modes referred above are in addition to the account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account.

40.4 As per the first proviso to section 269SS, the provisions of section 269SS shall not apply to any loan or deposit taken or accepted from, or any loan or deposit taken or accepted by,

- (a) Government;
- (b) any banking company, post office savings bank or co-operative bank;
- (c) any corporation established by a Central, State or Provincial Act;
- (d) any Government company as defined in section 2(45) of the Companies Act, 2013;

- (e) such other institution, association or body or class of institutions, associations or bodies which the Central Government may, for reasons to be recorded in writing, notify in this behalf in the Official Gazette.

40.5 Schedule 26SS pertaining to Clause 46 of Form No.10B seeks details of each loan or deposit or any specified sum taken or accepted, exceeding the limit specified in section 269SS during the previous year.

40.6 For the purposes of section 269SS, "loan or deposit" means loan or deposit of money (Explanation (iii) to section 269SS).

40.7 While reporting under this clause, the auditor may keep in mind the following typical situations:

- (i) When there is a mixed account, the transactions relating to loans and deposits should be segregated from other accounts and the transactions relating to loans and deposits should be stated under this clause.
- (ii) Opening credit balance of loan taken in earlier years is not specifically required to be disclosed. However, while giving figures of maximum amount outstanding at any time during the year or while giving information about acceptance and repayment of loan/deposit, the opening balances in the loan accounts will have to be taken into consideration.
- (iii) Even if the loans are taken free of interest, the information will still have to be given.
- (iv) Security deposits against contracts, etc. will be covered by the definition of 'deposit' and therefore, such information will have to be given. However, the amount retained by the contractee against performance of contract will not be covered as loans/deposits for reporting as amount is not received.
- (v) Loans and deposits taken or accepted by means of transfer entries in the books of account constitute acceptance of deposits or loans otherwise than by account payee cheques. Hence, such entries have to be reported under this clause.

40.8 Apart from "loan or deposit", particulars of any "specified sum" taken or accepted in relation to transfer of an immovable property, whether or not the transfer takes place is also to be reported. Such specified sum may be any sum of money receivable whether by way of advance or otherwise. Explanation (iv) to Section 269SS defines "specified sum" as any sum of money receivable, whether as advance or otherwise, in relation to transfer of an immovable

property, whether or not the transfer takes place. Reporting of specified sum taken or accepted is required under the circumstances specified above.

40.9 The Schedule to be filled under this clause requires various particulars in respect of each loan or deposit or specified sum including the Permanent account number or Aadhaar number of the lender or depositor, if available.

40.10 The auditor should obtain the above details from the assessee in respect of each reportable loan or deposit and verify the same from the records and evidence available with the assessee.

40.11 If the total of all loans/deposits/specified sum either severally or in aggregate from a person is Rs.20,000/- or more but each individual item is less than Rs.20,000/-, the information will still be required to be given in respect of all such entries starting from the entry when the balance reaches Rs.20,000/- or more and until the balance goes down below Rs.20,000/. As such the auditor should verify all loans/deposits taken or accepted where balance has reached Rs.20,000 or more during the year for the purpose of reporting under this clause.

40.12 There will be practical difficulties in verifying the loan or deposit or specified sum taken or accepted by account payee cheque or an account payee bank draft. In such cases, the auditor should verify the transactions with reference to such evidence which may be available. In the absence of satisfactory evidence, for answering, as to whether bank cheque or bank draft was 'account payee', the auditors should make a suggested comment in his report. The suggested comment is as follows:

"It is not possible for me/us to verify whether loans or deposits or specified sum have been taken or accepted otherwise than by an account payee cheque or account payee bank draft, as the necessary evidence is not in the possession of the assessee".

40.13 The particulars required to be reported in the "Schedule 269SS" are self-explanatory and should be reported accordingly. The details **required to be filled in Schedule 269SS are given below**

Schedule 269SS: Details of loan or deposit or any specified sum taken, exceeding the limit specified in section 269SS during the previous year

- (1) S. No
- (2) Name of the lender or depositor
- (3) PAN or aadhar, if available

- (8) Maximum amount outstanding in the account at any time during the previous year

41. Whether the auditee has received an amount exceeding the limit specified in section 269ST, from a person in a day; or in respect of a single transaction; or in respect of transactions relating to one event or occasion from a person during the previous year?

[Clause 47 of Form No.10B]

41.1 Clause 47 of Form No.10B requires the auditor to state "Yes/No" as to whether the auditee has received an amount exceeding the limit specified in section 269ST, from a person in a day; or in respect of a single transaction; or in respect of transactions relating to one event or occasion from a person during the previous year. In case the answer is affirmative, "Schedule 269ST" has to be filled.

41.2 Section 269ST provides that no person shall receive sum of Rs. 2 lakh or more -

- a) in aggregate from a person in a day; or
- b) in respect of a single transaction; or
- c) in respect of transactions relating to one event or occasion from a person

otherwise than by an account payee cheque or an account payee demand draft or by use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed. Contravention of section 269ST attracts penalty under section 271DA.

41.3 The CBDT has vide notification no. 8/2020/F. No. 370142/14/2019-TPL dated 29th January 2020 prescribed the other electronic modes under Rule 6ABBA w.e.f. 1st September 2019 given earlier in the publication.

41.4 Section 269ST does not distinguish between receipt on capital account and revenue account. Once the receipt or the payment, as the case may be, exceeds the limit specified in section 269ST, the particulars of such transactions will have to be reported under these clauses.

41.5 Similarly, the auditor will have to exercise judgement in deciding whether receipts though pertaining to more than one transaction pertain to a single event or occasion.

41.6 If such receipts are otherwise than by account payee cheque or an account payee draft or by use of electronic clearing system through a bank account, then the auditor will have to verify the mode of the receipt or payment, as the case may be.

41.7 The particulars required to be reported in the "Schedule 269ST" are self-explanatory and should be reported accordingly. The details **required to be filled in Schedule 269T are given below:**

42. Whether the auditee has repaid any amount being loan or deposit or any specified advance exceeding the limit

specified in section 269T, during the previous year?
[Clause 48 of Form No. 10B]

42.1 Clause 48 of Form No.10B requires the auditor to state "Yes/No" as to whether the auditee has repaid any amount being loan or deposit or any specified advance exceeding the limit specified in section 269T, during the previous year. In case the response is affirmative, the details are to be provided in Schedule 269T.

42.2 Section 269T provides that no branch of a banking company or a cooperative bank and no other company or co-operative society and no firm or other person shall repay any loan or deposit made with it or any specified advance received by it otherwise than by an account payee cheque or account payee bank draft drawn in the name of the person who has made the loan or deposit or paid the specified advance, or by use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed if,

- (a) the amount of the loan or deposit or specified advance together with the interest, if any, payable thereon, or
- (b) the aggregate amount of the loans or deposits held by such person with the branch of the banking company or co-operative bank or, as the case may be, the other company or co-operative society or the firm, or other person either in his own name or jointly with any other person on the date of such repayment together with the interest, if any, payable on such loans or deposits, or
- (c) the aggregate amount of the specified advances received by such person either in his own name or jointly with any other person on the date of such repayment together with the interest, if any, payable on such specified advances,

is twenty thousand rupees or more. An exception is provided for Primary Agricultural Credit Societies ("PACS") and Primary Co-Operative Agricultural and Rural Development Bank ("PCARD") by raising the amount to Rs 2,00,000 applicable w.e.f. AY 2023-24.

42.3 This clause seeks information in respect of all the repayments made by the assessee of loan or deposit or any specified advance in an amount exceeding the limit specified in section 269T made during the previous year. Section 269T is attracted upon repayment of the loan or deposit or specified advance made by a person, where the aggregate amount of such loans or

deposits held by such person or specified advances received by such person either in his own name or jointly with any other person on the date of such repayment together with interest, if any, payable on such loan or deposit or specified advance is Rs. 20,000 or more and is made otherwise than by an account payee cheque or account payee bank draft drawn in the name of the person who has made the loan or deposit or paid the specified advance, or by use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed.

42.4 The CBDT has vide notification no. 8/2020/F. No. 370142/14/2019-TPL dated 29th January 2020 prescribed the other electronic modes under Rule 6ABBA w.e.f. 1st September 2019 which has been explained earlier.

42.5 Explanation (iii) to Section 269T contains definition of the term "*loan or deposit*" for the purposes of section 269T. Accordingly, "loan or deposit" means any deposit of money which is repayable after notice or repayable after a period and, in the case of a person other than a company, includes loan or deposit of any nature. Further, explanation (iv) defines "*specified advance*" means any sum of money in the nature of advance, by whatever name called, in relation to transfer of an immovable property, whether or not the transfer takes place. As such, all repayments made to any person where the loan or deposit or specified advance received along with interest payable thereon is Rs. 20,000 or more are to be reported under this sub-clause, even though the amount of repayment may be less than Rs. 20,000. The auditor should verify such repayments and report accordingly.

42.6 The second proviso to section 269T inserted by the Finance Act, 2003 w.e.f. 1.6.2002 excludes repayments of loans taken from Government, Government company, Banking company, Corporation established by a Central, State or Provincial Act etc. from the scope of the above section and, therefore, the auditor need not report such repayments in his report.

42.7 In the case of company assessee, loan or deposit is defined to mean deposit repayable after notice or loan or deposit repayable after a period. Therefore, in case of a company, loan or deposit repayable on demand will not be considered for the purpose of this section as loan or deposit. However, in the case of non-company assessee, loan or deposit is defined to mean loan or deposit of any nature. This distinction will have to be kept in mind while giving information under this sub-clause.

42.8 Loan or deposits discharged by means of transfer entries in the books of account constitute repayment of loan or deposits otherwise than by account

payee cheque or account payee bank draft. Hence, such entries have to be reported under this clause. The auditor has to take into account the technological advancements in the field of banking and information technology where loans have been repaid other than through an account payee cheque of bank draft which are capable of being tracked such as bank transactions made electronically through the internet or through mail transfer or telegraphic transfer. These types of payments, though not made by account payee cheques in the conventional manner, are capable of being tracked. The Finance (No. 2) Act, 2014 has acknowledged the fact and allowed the “use of electronic clearing system through a bank account” as a permissible mode for the purposes of section 269T. The other modes of permitted electronic means of transaction have been discussed earlier in this publication and may be referred to therefrom.

42.9 Practically, especially in case the repayments are voluminous, it may not be possible to verify each repayment, reflected in the bank statement, as to whether the acceptance of deposits or loans or specified advance has been made through cheque, bank draft or not. It is thus desirable that the auditor should obtain suitable certificate from the assessee to the effect that the repayments referred to in this sub-clause were originally received by cheque or bank draft or electronic clearing system through a bank account, as the case may be. Where the reporting has been done on the basis of the certificate of the assessee, the same shall be reported as an observation in Observation/qualification para of Form No.10B, as the case may be. The auditor should make a suggested comment in his report. The suggested comment is as follows:

“It is not possible for me/us to verify whether loans or deposits or specified advance repaid have been taken or accepted otherwise than by an account payee cheque or account payee bank draft or use of electronic clearing system through a bank account, as the necessary evidence is not in the possession of the assessee”.

Schedule 269T: Details of repayment of any amount being loan or deposit or any specified advance exceeding the limit specified in section 269T, during the previous year?

- (1) S. No
- (2) Details of Payee
 - Name

- PAN, if available
- Address

(3) Details of Transaction

- Loan or deposit or any specified advance

- Whether Squared up?
- Maximum amount outstanding

(4) Mode of Repayment

- By cheque or Bank draft or use of electronic clearing system through a bank account or nay other mode

42.10 The particulars required to be reported in the "Schedule 269ST" are self-explanatory and should be reported accordingly.

43. Signature and Stamp/Seal of the signatory

43.1 Audit report under section 12A/10(23C) has to be signed by the person competent to sign Form No. 10BB or Form No. 10B as the case may be. As per the notified form (s) the auditor has also to give his full name, address, membership number, firm registration number, wherever applicable, place and date. Where audit report is issued in soft copy, the auditor is to affix his Digital Signature.

43.2 The Auditor should issue such signed copy of audit report in Form No. 10BB and 10B and annexure containing Statement of particulars in Form No. 3CD to the assessee.

44. Furnishing of Audit Report

44.1 Every charitable or religious trust or institution claiming income not included in total income under section 11 or 12 or any fund or institution or trust or any university or other educational institution or any hospital or other medical institution claiming income not includible in total income under sub-clauses (iv)/(v)/(vi)/(via) of section 10(23C) needs to get its books of accounts audited mandatorily under the Income-tax Act, 1961. Rule 16CC and Rule 17B of the Income-tax Rules, 1962 as amended by the Income Tax Amendment (3rd Amendment) Rules, 2023 governed the provisions related to the audit of trusts mentioned above.

44.2 Form No. 10BB or Form No. 10B, as the case may be, along with the prescribed particulars in the annexures is to be uploaded on the website of the Income Tax Department and should be digitally signed by the Auditor. The assessee is required to accept the audit report. The provisions of Information Technology Act, 2000 assume importance in this regard. It is important to note that these forms do not state that they have to be signed digitally or electronically. The forms are required to be uploaded with digital signatures. It should be kept in mind by the Auditor that the time and date of signature is automatically captured whenever the electronic signature is affixed and this date should tally with the manual date, if any, written in the hard copy of the Form No 10BB or 10B, as the case may be.

44.3 In case of Joint Auditor(s), the present Income-tax filing options do not provide for modalities of uploading of report by all the joint auditors and in such a situation, it will be appropriate that the hard copy of the report duly signed in the manner above is given to the assessee client and a consolidated report is uploaded by one of the Auditors with a disclosure in this regard from the Joint Auditor(s).

44.4 At present, there is no specific place to mention paragraphs required by SA 700, no mechanism to compulsorily insert UDIN prior to uploading the forms on the Income-tax website, and thus UDIN should be written in the hard copy of Form No.10BB /10B and thereafter the copy as stated above should be given to the auditee.

44.5 While due care has been taken in drafting of this Guidance Note, there may be issues which still remain to be addressed, especially, with regard to re-notified Forms and the requirements of the utility which will be taken up with appropriate authorities from time to time.

Appendix III

Mandatory Communication - Relevant Extracts of provisions from the Volume-II of Code of Ethics (Revised 2020)

(12th Edition, Volume-II of Code of Ethics, 2020; Pages 64 to 71)

2.14.1.8 *A Chartered Accountant in practice shall be deemed to be guilty of professional misconduct, if he :-*

Clause (8): *accepts a position as auditor previously held by another chartered accountant or a certified auditor who has been issued certificate under the Restricted Certificate Rules, 1932 without first communicating with him in writing;*

2.14.1.8 (i) It must be pointed out that professional courtesy alone is not the major reason for requiring a member to communicate with the existing accountant who is a member of the Institute or a certified auditor. The underlying objective is that the member may have an opportunity to know the reasons for the change in order to be able to safeguard his own interest, the legitimate interest of the public and the independence of the existing accountant. It is not intended, in any way, to prevent or obstruct the change. When making the enquiry from the retiring auditor, the one proposed to be appointed or already appointed should primarily find out whether there are any professional or other reasons why he should not accept the appointment.

2.14.1.8 (ii) It is important to remember that every client has an inherent right to choose his accountant; also that he may, subject to compliance with the statutory requirements in the case of limited Companies, make a change whenever he chooses, whether or not the reasons which had impelled him to do so are good and valid. The change normally occurs where there has been a change of venue of business and a local accountant is preferred or where the partner who has been dealing with the clients affairs retires or dies; or where temperaments clash or the client has some good reasons to feel dissatisfied. In such cases, the retiring auditor should always accept the situation with good grace.

Grounds for non-Acceptance of Audit

2.14.1.8 (iii) The existence of a dispute as regards the fees may be root cause of an auditor being changed. This would not constitute valid professional reasons on account of which an audit should not be accepted by the member to whom it is offered. However, in the case of an undisputed audit fees for carrying out the statutory audit under the Companies Act, 2013 or various other statutes having not been paid, the incoming auditor should not accept the appointment unless such fees are paid. In respect of other dues, the incoming auditor should in appropriate circumstances use his influence in favour of his predecessor to have the dispute as regards the fees settled. The professional reasons for not accepting an audit would be:

- (a) Non-compliance of the provisions of Sections 139 and 140 of the Companies Act, 2013 as mentioned in Clause (9) of the Part - I of First Schedule to The Chartered Accountants Act, 1949 ; and
- (b) Non-payment of undisputed Audit Fees by auditees other than in case of Sick Units for carrying out the Statutory Audit under the Companies Act, 2013 or various other statutes; and
- (c) Issuance of a qualified report.

2.14.1.8 (iv) In the first two cases, an auditor who accepts the audit would be guilty of professional misconduct. In this connection, attention of members is invited to the Council General Guidelines, 2008 appearing in Chapter-4. In the said Guidelines, Council has explained that the *provision for audit fee in accounts signed by both the auditee and the auditor along with other expenses, if any, incurred by the auditor in connection with the audit, shall be considered as "undisputed audit fee"* and *"sick unit"* shall mean a *unit registered for not less than five years, which has at the end of any financial year accumulated losses equal to or exceeding its entire net worth.*

Recourse in case of Qualified Audit Report

2.14.1.8 (v) In the last case, however, he may accept the audit if he is satisfied

that the attitude of the retiring auditor was not proper and justified. If, on the other hand, he feels that the retiring auditor had qualified the report for good and valid reasons, he should refuse to accept the audit. There is no rule, written or unwritten, which would prevent an auditor from accepting the appointment offered to him in these circumstances. However, before accepting the audit, he should ascertain the full facts of the case. For nothing will bring the profession to disrepute so much as the knowledge amongst the public that if an auditor is found to be “inconvenient” by the client, he could readily be replaced by another who would not displease the client and this point cannot be too over-emphasised.

Fees pending due to non-availability of Previous Auditor

2.14.1.8 (vi) Where the Previous Auditor is not available for accepting payment of undisputed audit fees, and it is not otherwise possible to transfer the payment to him electronically, the Incoming Auditor may advise the client to purchase Demand Draft of the amount equivalent to undisputed Audit Fees of retiring auditor, and may accept the Audit assignment after verifying the same. It will be the duty of the Incoming auditor to ensure the payment of undisputed Audit Fees of the retiring auditor at the earliest possibility.

Course of action in case of change of Auditorship

2.14.1.8 (vii) What should be the correct procedure to adopt when a prospective client tells you that he wants to change his auditor and wants you to take up his work? There being two persons involved, the Company and the old auditor, the former should be asked whether the retiring auditor had been informed of the intention to change. If the answer is in the affirmative, then a communication should be addressed to the retiring auditor. If, however, it is learnt that the old auditor has not been informed, and the client is not willing to make the first move, it would be necessary to ask him the reason for the proposed change. If there is no valid reason for a change, it would be healthy practice not to accept the audit. If he decides to accept the audit he should address a communication to the retiring auditor.

As stated earlier, the object of the incoming auditor, in communicating with the retiring auditor is to ascertain from him whether there are any circumstances which warrant him not to accept the appointment. For example, whether the previous auditor has been changed on account of having qualified his report or he had expressed a wish not to continue on account of something inherently wrong with the administration of the business. The retiring auditor may even give out information regarding the condition of the accounts of the client or the reason that impelled him to qualify his report. In all these cases it would be essential for the incoming auditor to carefully consider the facts before deciding whether or not he should accept the audit, and should he do so, he must also take into account the information while discharging his duties and responsibilities.

Duty of Retiring Auditor

2.14.1.8(viii) On the request of the Incoming Auditor to the retiring auditor for providing known information regarding any facts or other information of which, in the opinion of the retiring auditor, the Incoming auditor needs to be aware before deciding whether to accept the engagement, the retiring auditor shall provide the information diligently.

Sometimes, the retiring auditor fails without justifiable cause except a feeling of hurt because of the change, to respond to the communication of the Incoming auditor. So that it may not create a deadlock, the incoming auditor appointed can act, after waiting for a reasonable time for a reply.

Certificate of Posting not a conclusive proof of communication

2.14.1.8 (ix) The Council has taken the view that a mere posting of a letter under certificate of posting is not sufficient to establish communication with the retiring auditor unless there is some evidence to show that the letter has in fact reached the person communicated with. A Chartered Accountant who relies solely upon a letter posted under certificate of posting therefore does so at his own risk.

The view taken by the Council has been confirmed in a decision by the Rajasthan High Court in J.S. Bhati vs. The Council of the Institute of the Chartered Accountants of India and another.

(Pages 72-79 of Vol. V of Disciplinary Cases published by the Institute - Judgement delivered on 29th August, 1975). The following observations of the Court are relevant in this context: -

“Mere obtaining a certificate of posting in my opinion does not fulfill the requirements of clause (8) of Schedule I as the presumption under Section 114 of the Evidence Act that the letter in due course reached the addressee cannot replace that positive degree of proof of the delivery of the letter to the addressee which the letters of the law in this case require. The expression ‘in communication with’ when read in the light of the instructions contained in the booklet ‘Code of Conduct’ cannot be interpreted in any other manner but to mean that there should be positive evidence of the fact that the communication addressed to the outgoing auditor by the incoming auditor reached his hands. Certificate of posting of a letter cannot, in the circumstances, be taken as positive evidence of its delivery to the addressee.”

Positive Evidence of Delivery required

2.14.1.8 (x) Members should therefore communicate with a retiring auditor in such a manner as to retain in their hands positive evidence of the delivery of the communication to the addressee. In the opinion of the Council, the following would in the normal course provide such evidence:-

- (a) Communication by a letter sent through “Registered Acknowledgement due”, or
- (b) By hand against a written acknowledgement, or
- (c) Acknowledgement of the communication from retiring auditor’s vide email address registered with the Institute or his last known official email address , or
- (d) Unique Identification Number (UDIN) generated on UDIN portal (subject to separate guidelines to be issued by the Council in this regard)

Premises found Locked

2.14.1.8 (xi) The communication received back by the Incoming Auditor with “Office found Locked” written on the Acknowledgement Due shall be deemed as having been delivered to the retiring auditor.

Firm not found at the given Registered address

2.14.1.8 (xii) If the Communication sent by the Incoming auditor is received back with remarks "No such office exists at this address", and the address of communication is the same as registered with the Institute on the date of dispatch, the letter will be deemed to be delivered, unless the retiring auditor proves that it was not really served and that he was not responsible for such non-service.

As a matter of professional courtesy and professional obligation it is necessary for the new auditor appointed to act jointly with the earlier auditor and to communicate with such earlier auditor.

Special Audit under Income Tax Act, 1961

2.14.1.8(xiii) It would be a healthy practice if a Tax Auditor appointed for conducting special audit under the Income Tax Act, 1961 communicates with the member who has conducted the Statutory Audit.

The Council has also laid down the detailed guidelines on the subject as under:-

Communication required for all kinds of audit

2.14.1.8(xiv) The requirement for communicating with the previous auditor being a Chartered Accountant in practice would apply to all types of Audit viz., Statutory Audit, Tax Audit, GST Audit, Internal Audit, Concurrent Audit or any other kind of audit.

Communication in case of Assignments done by other professionals

2.14.1.8(xv) A Communication is mandatorily required for all types of Audit/Report where the previous auditor is a Chartered Accountant. In case of assignments done by other professionals not being Chartered Accountants, it would also be a healthy practice to communicate.

Lack of time in acceptance of Government Audits

2.14.1.8(xvi) Although the mandatory requirement of communication with previous auditor being Chartered Accountant applies, in uniform manner, to audits of both government and Non-Government entities, yet in the case of audit of government Companies/ banks or their branches, if the appointment is made well in time to

enable the obligation cast under this clause to be fulfilled, such obligation must be complied with before accepting the audit. However, in case the time schedule given for the assignment is such that there is no time to wait for the reply from the outgoing auditor, the incoming auditor may give a conditional acceptance of the appointment and commence the work which needs to be attended to immediately after he has sent the communication to the previous auditor in accordance with this clause. In his acceptance letter, he should make clear to the client that his acceptance of appointment is subject to professional objections, if any, from the previous auditors and that he will decide about his final acceptance after taking into account the information received from the previous auditor.

Meaning of Terms

2.14.1.8(xvii) Various doubts have been raised by the members about the terms “audit”, “previous auditor”, “Certificate” and “report”, normally while interpreting the aforesaid Clause (8). These terms need to be clarified.

- The definition of “Audit” is given in the Framework for Assurance Engagements (the Framework) issued by the Institute which is as under:

“For assurance engagements relating to historical financial information in particular, such engagements which provide reasonable assurance are called audits”.

The Framework also describes the objective of reasonable assurance engagements which is as under:

The objective of a reasonable assurance engagement is a reduction in assurance engagement risk to an acceptably low level in the circumstances of the engagement as the basis for a positive form of expression of the practitioner’s conclusion.

- The term “previous auditor” means the immediately preceding auditor who held same or similar assignment comprising same/similar scope of work. For example, a Chartered Accountant in practice appointed for an

assignment of physical verification of inventory of raw materials, spares, stores and finished goods, before acceptance of appointment, must communicate with the previous auditor being a Chartered Accountant in practice who was holding the appointment of physical verification of inventory of raw materials, stores, finished goods and fixed assets. The mandatory communication with the previous auditor being a Chartered Accountant is required even in a case where the previous auditor happens to be an auditor for a year other than the immediately preceding year.

“Auditor’s Report” mentioned in SA 700 states the objective of the Report as forming an opinion on the financial statements based on an evaluation of the conclusions drawn from the audit evidence obtained. As explained in the Institute’s publication viz., ‘Guidance Note on Reports and Certificates for Special Purposes’ (which governs reports other than those which are issued in audits or reviews) states that the word ‘certificate’ as described in the laws and regulations or even in the contracts that an entity might have entered into can normally be associated with reasonable assurance. A practitioner is expected to provide either a reasonable assurance (about whether the subject matter of examination is materially misstated) or a limited assurance (stating that nothing has come to the practitioner’s attention that causes the practitioner to believe that the subject matter is materially misstated). A practitioner is not expected to reduce the engagement risk to zero. Therefore, whenever a practitioner is required to give a “certificate” or a “report” for special purpose, the practitioner needs to undertake a careful evaluation of the scope of the engagement, i.e., whether the practitioner would be able to provide reasonable assurance or limited assurance on the subject matter.

Appendix VI

APPLICABILITY OF SA 700 (REVISED), FORMING AN OPINION AND REPORTING ON FINANCIAL STATEMENTS, TO FORMATS OF AUDITOR'S REPORTS PRESCRIBED UNDER VARIOUS LAWS AND/ OR REGULATIONS

(Issued in August 2013 and revised in February, 2022. The revised announcement was considered and approved by the Council of ICAI at its 408th meeting held on 3rd & 4th February, 2022)

1. The Council of ICAI, at its 326th meeting held from 27th to 29th July 2013 considered the issue relating to application of Standard on Auditing (SA) 700, Forming An Opinion And Reporting on Financial Statements to such cases where the format of the auditor's report is prescribed under the relevant law or the regulation thereunder and are per se not in line with the requirements of SA 700. The Council further considered the aforesaid matter at its 408th meeting held from 3rd to 4th February 2022 in light of SA 700 (Revised), "Forming an Opinion and Reporting on Financial Statements". The Council noted that in many cases such prescribed auditor's report were required to be filed online in a preset form and, hence, it was not possible for the auditors to make necessary changes in these reports to bring them in line with the SA 700 (Revised). Similarly, many a times, even where the auditor's report were to be submitted in a physical form and not filed online, the concerned regulatory/ government agencies may not accept such audit reports which contained any changes made by the auditors to the prescribed formats to bring them in line with SA 700 (Revised).

2. In view of the above, the Council decided that while the matter was being taken up by the Institute with the relevant regulatory authorities/ Government agencies, etc., to change the prescribed formats for bringing the same in line with the requirements of SA 700 (Revised), the members may, in the situations described in paragraph 1 above, submit the auditor's report in the format/s prescribed under the relevant law or regulation until announcement of necessary change is made by the appropriate authority. In

such cases the members would not be viewed as having not complied with the provisions of SA 700 (Revised).

3. In this context, it may also be noted that paragraph A56 of the SA 200, Overall Objectives of the Independent Auditor and the Conduct of An Audit in Accordance With Standards on Auditing clearly states as follows:

"A56. In performing an audit, the auditor may be required to comply with legal or regulatory requirements in addition to the SAs. The SAs do not override laws and regulations that govern an audit of financial statements....."

4. Further, paragraph 49 of SA 700 (Revised) requires that if the auditor is required by law or regulation applicable to the entity to use a specific layout or wording of the auditor's report, the auditor's report shall refer to Standards on Auditing only if the auditor's report includes, at minimum, each of the elements as prescribed in the said paragraph.

5. On a perusal of a cross section of the formats of the auditor's report prescribed under various laws, specially, the Income-tax Act, 1961 and the Value Added Tax Acts of various States, it is clear that these prescribed formats do not contain all the elements of the auditor's report as required in paragraph 49 of SA 700 (Revised). In the background of the difficulties mentioned in paragraph 1 above, it may also not be possible for the auditors to suitably modify the prescribed format. Accordingly, it would not per se be possible for the auditors to state in their audit reports that the audit has been carried out in accordance with the Standards on Auditing. However, the auditors would be required to carry out the audits in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India.

The same can also be downloaded from ICAI website.

Sub: Clarification regarding provisions relating to charitable and religious trusts - reg.

1. Income of any fund or institution or trust or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10 of the Income-tax Act, 1961 ("the Act") or any trust or institution registered under section 12AA or section 12AB of the Act (hereinafter referred to as "the trust") is exempt subject to the fulfilment of the conditions provided under relevant sections of the Act. Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020 amended the provisions related to application by a trust for registration or approval by amending the first and second proviso to clause (23C) of section 10, clause (ac) of sub-section (I) of section 12A of the Act, in setting section 12AB of the Act and amending the first and second proviso to sub-section (5) of section 80G of the Act. The amended provisions provide for the following:

- (a) All the existing trusts were required to apply for registration/approval on or before 30.06.2021. However, on consideration of difficulties in the electronic filing of Form No. 10A, the Central Board of Direct Taxes (the Board) in exercise of the powers conferred upon it under Section 119 of the Act extended the due date for filing Form No. 10A in such cases to 31.08.2021 vide Circular No.12 of 2021 dated 25.06.2021, to 31.03.2022 vide Circular No. 16 of 2021 dated 29.08.2021 and further till 25.11.22 vide Circular No. 22 of 2022 dated 01.11.2022. Such registration/approval shall be valid for a period of 5 years.

Thus, existing trusts are required to apply for fresh registration/approval and once the registration/approval is granted it is valid for five years.

- (b) New trusts are required to apply for provisional registration/approval at least one month prior to the commencement of the previous year relevant to the assessment year from which the said registration/ approval is sought. Such provisional registration/approval is valid for a maximum period of three years.
- (c) Provisionally registered/approved trusts will again need to apply for regular registration/approval in Form No. 10AB at least six months prior to the expiry of the period of provisional registration/approval or within six months of the commencement of activities, whichever is earlier. This registration/approval is valid for a period of five years. On consideration of difficulties in electronic filing of Form No. 10AB, the Board in exercise of its powers under section 119 of Act extended the due date for electronic filing of Form No. 10AB to 30.09.2022 vide Circular No. 8 of 2022 dated 31.03.2022.
- (d) The trusts once approved/registered for five years are required to apply at least six months prior to the expiry of the period of five years.
- (e) The deduction under section 80G the Act in respect of a donation made by a donor to a fund or institution referred to in sub-clause (iv) of clause (a) of sub-section (2) of section 80G, shall be allowed to the donor only if a statement of such donations is furnished by the donee in Form I0BD. The certificate of such donation is required to be provided in Form No. 10BE. Further, Form No. I0BD and Form No. 10BE are required to be furnished on or before the 31st May, immediately following the financial year in which the donation is received.

2. Representations received from stakeholders requesting for clarity on provisions related to trusts are dealt with as under:

Clarification regarding application of section 115TD for failure to apply to registration/approval

3. Finance Act, 2023 has, *inter-alia*, amended section 115TD of the Act, so as to provide that the accreted income of the trusts not applying for registration/ approval, within the specified time, shall be made liable to tax in accordance with the provisions of section 115TD of the Act. This amendment has come into effect from 01.04.2023 and therefore applies to assessment year 2023-24 and subsequent assessment years.

4. Representations have been received stating that several trusts have not been able to apply for registration/ approval within the required time due to genuine

hardship. This has also led to rejection of applications simply on the ground that these were delayed. As mentioned in para I(a) above, the last date for filing an application by the existing trusts seeking registration/ approval was extended to 25.11.2022 vide Circular No. 22 of 2022 dated 01.11.2022. Further, as stated in 1(c) above, the due date for furnishing application for registration/approval by the provisionally registered/approved trusts was extended till 30.09.2022. These trusts shall be subject to tax under section 115TD of the Act in accordance with the provisions of the said section, as amended by the Finance Act, 2023 if the application is not made by 25.11.2022 or 30.09.2022, as the case may be.

5. In order to mitigate genuine hardship in such cases, the Board, in the exercise of the power under section 119 of the Act, extends the due date of making an application in,-

- (i) Form No. 10A, in case of an application under clause (i) of the first proviso to clause (23C) of section 10 or under sub-clause (i) of clause (ac) of sub-section (1) of section 12A or under clause (i) of the first proviso to sub-section (5) of section 80G of the Act, till 30.09.2023 where the due date for making such application has expired prior to such date;
- (ii) Form No. 10AB, in case of an application under clause (iii) of the first proviso to clause (23C) of section 10 or under sub-clause (iii) of clause (ac) of sub-section (1) of section 12A of the Act, till 30.09.2023 where the due date for making such application has expired prior to such date.

6. In view of the above, trusts may now apply for registration/approval under clause (i) or clause (iii) of the first proviso to clause (23C) of section 10 or sub-clause (i) or sub-clause (iii) of clause (ac) of sub-section (1) of section 12A of the Act by 30.09.2023 and where such application is made by the said date and registration/approval is granted, the provisions of clause (iii) of sub-section (3) of section 115TD of the Act shall not apply on account of delay in making application in accordance with the provisions of clause (i) or (iii) of the first proviso to clause (23C) of section 10 or sub-clause (i) or (iii) of clause (ac) of sub-section (1) of section 12A of the Act.

7. It may be also noted that the extension of due date as mentioned in paragraph 5(ii) shall also apply in case of all pending applications under clause (iii) of the first proviso to clause (23C) of section 10 or sub-clause (iii) of clause (ac) of sub-section (1) of section 12A of the Act, as the case may be. Hence, in cases where the trust has already made an application in Form No. 10AB under the said provisions but such application has been furnished after 30.09.2022 and where the Principal

Commissioner or Commissioner has not passed an order before the issuance of this Circular, the pending application in Form No. 10AB may be treated as a valid application. Further, in cases where the trust had already made an application in Form No. 10AB, and where the Principal Commissioner or Commissioner has passed an order rejecting such application, on or before the issuance of this Circular, solely on account of the fact that the application was furnished after the due date, the trust may furnish a fresh application in Form No. 10AB within the extended time provided in paragraph 5(ii) i.e. 30.09.2023.

8. It is also clarified that where trusts have missed the deadline of 25.11.2022, as mentioned in para 1(a) above, for making an application for registration/ approval in Form No. 10A, and have subsequently furnished Form No. 10A seeking provisional registration/approval, the relevant functionality on the e-filing portal may be used for surrendering the Form No. 10A seeking provisional registration/approval and such trusts can make a new application in Form No. 10A for registration/ approval within the extended period up to 30.09.2023, as mentioned in paragraph 5(i).

Extension of due date for furnishing of Form No. IOBD.

9. In view of extension provided to funds or institutions seeking approval under sub-section (5) of section 80G of the Act, as discussed in paragraph 5(i), in the exercise of the power under section 119 of the Act, the Board also extends the due date for furnishing of statement of donation in Form No. 10BD and the certificate of donation in Form No. 10BE in respect of the donations received during the financial year 2022-23 to 30.06.2023.

Clarification regarding applicability of provisional registration

10. Eighth proviso to clause (23C) of section 10 of the Act, *inter-alia*, provides that in the case of a trust referred to under sub-clauses (iv), (v), (vi) or (via) of clause (23C) of section 10 of the Act seeking provisional approval, such approval shall be from the assessment year immediately following the financial year in which the application is made. However, the first proviso to clause (23C) of section 10 provides that the application for provisional approval is required to be made at least one month prior to the commencement of the previous year relevant to the assessment year from which approval is sought.

11. Similarly, clause (ac) of sub-section (1) of section 12A of the Act provides that the trusts seeking provisional registration are required to make an application at least one month prior to the commencement of the previous year relevant to the assessment year from which registration is sought. However, sub-section (2) of section 12A, *inter-alia*, provides that the provisional registration shall be applicable

from the assessment year immediately following the financial year in which the application for such registration is made. On the same lines, the first proviso to sub-section (5) of section 80G of the Act provides that application for provisional approval by a fund or institution is required to be made at least one month prior to the commencement of the previous year relevant to the assessment year from which approval is sought. However, the fourth proviso to sub-section (5) of section 80G, *inter-alia*, provides that the provisional approval granted under the second proviso shall be applicable from the assessment year immediately following the financial year in which the application for such registration is made.

12. With a view to bring consistency, it is hereby clarified that in case of trusts, funds or institutions seeking provisional approval or provisional registration as referred to in para 10 and 11 the said provisional approval or provisional registration shall be effective from the assessment year relevant to the previous year in which the application is made and shall be valid for a period of three assessment years subject to the provisions of clause (iii) of the first proviso to clause (23C) of section 10 or in sub-clause (iii) clause (ac) of sub-section (1) of section 12A or clause (iii) of the first proviso to sub-section (5) of section 80G of the Act, as the case may be.

Clarification regarding denial of exemption in case where the statement of accumulation is not filed by the due date.

13. Finance Act, 2023 has amended sub-section (2) of section 11 of the Act to provide that statement of accumulation as referred to in clause (a) of said sub-section [Form No. 10] is required to be furnished at least two months prior to the due date of furnishing return of income under sub-section (1) of section 139. Similarly, the provisions of Explanation 3 to the third proviso to clause (23C) of section 10 of the Act have also been amended. Further, the due date for furnishing the option for deemed application of income in Form No. 9A under clause (2) of the Explanation I to sub-section (1) of section 11 of the Act has also been amended to be at least two months prior to the due date of furnishing return of income, under sub-section (1) of section 139.

14. Representations have been received that the trusts may not be able to furnish Form No. 10 and Form No. 9A before the finalisation of their computation of income. Since the computation of income is finalised at the time of furnishing of return of income, therefore, the trusts should be allowed to furnish Form No. 10 and Form No. 9A by the due date of furnishing their income tax return.

15. It is clarified that the statement of accumulation in Form No. 10 and Form No. 9A is required to be furnished at least two months prior to the due date of furnishing

return of income so that it may be taken into account while auditing the books of account. However, the accumulation/deemed application shall not be denied to a trust as long as the statement of accumulation/deemed application is furnished on or before the due date of furnishing the return as provided in sub-section (1) of section 139 of the Act.

Clarification regarding audit report to be furnished in Form No. 10B.

16. One of the conditions required to be fulfilled by the trusts to be eligible to claim exemption, under the relevant provisions of the Act, is that where the total income of any trust, as computed under the Act, without giving effect to the provisions of section 11 and section 12 of the Act or the provisions of the sub-clauses (iv), (v), (vi) and (via) of clause (23C) of section 10 of the Act, as the case may be, exceeds the maximum amount which is not chargeable to income-tax in any previous year, it is required to get its accounts audited.

17. In order to rationalise the provisions related to audit report of trusts and in view of the significant amendments made to the taxation of trusts over the past few years, revised audit report in Form No. 10B and Form No. 10BB have been notified vide Notification No. 7 of 2023 dated 21.02.2023 so as to provide that the report of audit of the accounts of a trust, shall be furnished in -

- (a) Form No. 10B where,
 - (i) the total income of trust, exceeds Rs five crores during the previous year; or
 - (ii) such trust has received any foreign contribution during the previous year; or
 - (iii) such trust has applied any part of its income outside India during the previous year;
- (b) Form No. 10BB in other cases.

18. With regard to the above it may be noted that Form No. 10B and Form No. 10BB requires the auditor to bifurcate certain payments or application in electronic modes and non-electronic modes. The Notes to the said Forms provide that electronic mode shall be the following modes referred in rule 6ABBA of the Income-tax Rules, 1962;

- (a) Credit Card;
- (b) Debit Card;

Draft Guidance Note on Reports of Audit under Section 12A/10(23C) of the Income-tax Act, 1961

- (e) UPI (Unified Payment Interface);
- (f) RTGS (Real Time Gross Settlement);
- (g) NEFT (National Electronic Funds Transfer); and
- (h) BHIM (Bharat Interface for Money) Aadhar Pay.

19. It has been represented that the above description of electronic modes does not include account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account.

20. It is hereby clarified that for the purposes of Form No. 10B and Form No. 10BB electronic modes referred to in para 18 are in addition to the account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account.

Appendix XI

EXEMPTION UNDER SECTION 11 IN CASE OF ASSESSEE CLAIMING BOTH TO BE CHARITABLE INSTITUTIONS AS WELL AS MUTUAL ORGANISATIONS

CIRCULAR NO. 11/2008, DATED 19-12-2008

Definition of 'Charitable purpose' under section 2(15) of the Income-tax Act, 1961

Section 2(15) of the Income Tax Act, 1961 ('Act') defines "charitable purpose" to include the following:-

- (i) Relief of the poor
- (ii) Education
- (iii) Medical relief, and
- (iv) the advancement of any other object of general public utility.

An entity with a charitable object of the above nature was eligible for exemption from tax under section 11 or alternatively under section 10(23C) of the Act. However, it was seen that a number of entities who were engaged in commercial activities were also claiming exemption on the ground that such activities were for the advancement of objects of general public utility in terms of the fourth limb of the definition of 'charitable purpose'. Therefore, section 2(15) was amended vide Finance Act, 2008 by adding a proviso which states that the 'advancement of any other object of general public utility' shall not be a charitable purpose if it involves the carrying on of –

- (a) any activity in the nature of trade, commerce or business; or
- (b) any activity of rendering any service in relation to any trade, commerce or business;

for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention of the income from such activity.

2. The following implications arise from this amendment –

2.1 The newly inserted proviso to section 2(15) will not apply in respect of the first three limbs of section 2(15), i.e., relief of the poor, education or medical relief. Consequently, where the purpose of a trust or institution is relief of the poor, education or medical relief, it will constitute 'charitable purpose' even if it incidentally involves the carrying on of commercial activities.

2.2. 'Relief of the poor' encompasses a wide range of objects for the welfare of the economically and socially disadvantaged or needy. It will, therefore, include within its ambit purposes such as relief to destitute, orphans or the handicapped, disadvantaged women or children, small and marginal farmers, indigent artisans or senior citizens in need of aid. Entities who have these objects will continue to be eligible for exemption even if they incidentally carry on a commercial activity, subject, however, to the conditions stipulated under section 11(4A) or the seventh proviso to section 10(23C) which are that

- (i) the business should be incidental to the attainment of the objectives of the entity, and
- (ii) separate books of account should be maintained in respect of such business.

Similarly, entities whose object is 'education' or 'medical relief' would also continue to be eligible for exemption as charitable institutions even if they incidentally carry on a commercial activity subject to the conditions mentioned above.

3. The newly inserted proviso to section 2(15) will apply only to entities whose purpose is 'advancement of any other object of general public utility' i.e. the fourth limb of the definition of 'charitable purpose' contained in section 2(15). Hence, such entities will not be eligible for exemption under section 11 or under section 10(23C) of the Act if they carry on commercial activities. Whether such an entity is carrying on an activity in the nature of trade, commerce or business is a question of fact which will be decided based on the nature, scope, extent and frequency of the activity.

3.1. There are industry and trade associations who claim exemption from tax u/s 11 on the ground that their objects are for charitable purpose as these are covered under 'any other object of general public utility'. Under the principle of mutuality, if trading takes place between persons who are associated together and contribute to a common fund for the financing of some venture or object and in this respect have no dealings or relations with any outside body, then any surplus returned to the persons forming such

association is not chargeable to tax. In such cases, there must be complete identity between the contributors and the participants.

Therefore, where industry or trade associations claim both to be charitable institutions as well as mutual organizations and their activities are restricted to contributions from and participation of only their members, these would not fall under the purview of the proviso to section 2(15) owing to the principle of mutuality. However, if such organizations have dealings with non-members, their claim to be charitable organizations would now be governed by the additional conditions stipulated in the proviso to section 2 (15).

3.2. In the final analysis, however, whether the assessee has for its object 'the advancement of any other object of 'general public utility' is a question of fact. If such assessee is engaged in any activity in the nature of trade, commerce or business or renders any service in relation to trade, commerce or business, it would not be entitled to claim that its object is charitable purpose. In such a case, the object of 'general public utility' will be only a mask or a device to hide the true purpose which is trade, commerce or business or the rendering of any service in relation to trade, commerce or business. Each case would, therefore, be decided on its own facts and no generalization is possible. Assessee, who claim that their object is 'charitable purpose' within the meaning of Section 2(15), would be well advised to eschew any activity which is in the nature of trade, commerce or business or the rendering of any service in relation to any trade, commerce or business.

Appendix XII

165. Application of income to charitable purposes and restriction of accumulation of trust income in terms of sub-sections (1) and (2) as they stood between 1-4-1962 to 31-3-1971 (prior to the amendments made by the Finance Act, 1970) - Taxability of income under sub-sections (1) and (2) - Legal position on issues pertaining thereto explained.

CLARIFICATION 1

1. Attention is invited to the Board's Circular Nos. 5-P(LXX-6) of 1968 and 12-P(LXX-7) of 1968 [Clarification 2] which had been duly endorsed to all Chambers of Commerce. References are still being received from the public seeking clarifications regarding the taxability of income under the provisions of sections 11(1) and 11(2).
2. The legal position is clarified as under :
 - Under section 11(1)(a), a trust claiming exemption is allowed to accumulate 25 per cent of its income or Rs. 10,000, whichever is higher. Thus, if a trust accumulates a larger income than the limits prescribed for exemption, what would be chargeable to tax is the excess over the exempted limit, and not the entire accumulation including the exempted portion.
 - Section 11(2), however, provides that if the conditions laid down in the sub-section are satisfied, restrictions as regards accumulation or setting apart of income shall not apply for the period during which the conditions prescribed therein remain satisfied. To avoid taxation under section 11(1)(a), investment in Government securities as prescribed in section 11(2), has to be made, not only in respect of excess amount which is chargeable under section 11(1)(a) but of the entire unspent balance including the exempted portion.
 - Subsequently, if it is found that the provisions of section 11(2) have been violated and the income has been applied to purposes other than charitable or religious, or the amounts

cease to be accumulated or set apart, the entire accumulation covered by section 11(2) will be subjected to tax under section 11(3).

3. Thus, while under section 11(1)(a), the tax will be levied in the year to which the income relates, under section 11(3) the income would be chargeable in the year in which the amounts cease to be accumulated for the specific purpose mentioned. Thus, when the amounts are taxed under section 11(3), the benefit which would have been available to a trust in respect of 25 per cent of its income or Rs. 10,000 under section 11(1)(a) would also be lost.

Circular : No. 29 [F. No. 20/22/69-IT(A-I)], dated 23-8-1968.

CLARIFICATION 2

Attention is invited to the Board's Circular No. 5-P(LXX-6), dated 19-6-1968 (Clarification 3), on the above mentioned subject.

It has been brought to the Board's notice that para 5 of the above circular creates the impression that where a trust accumulates more than 25 per cent of its income, only the excess over 25 per cent will be taxable under section 11(1). It is hereby clarified that the correct position in this regard is that if a trust desires to accumulate income in excess of the limits laid down in section 11(1), the conditions specified in section 11(2) have to be fulfilled in respect of the entire accumulation and not merely in respect of the accumulation in excess of 25 per cent of the income. Further, if the trust does not comply with the conditions laid down in section 12(2), the amount which becomes liable to assessment under section 11(3) is the entire income accumulated and not merely the income accumulated in excess of the limits specified in section 11(1). In other words, such an assessee loses benefit of the accumulation permitted under section 11(1).

Circular : No. 12-P [LXX-7 of 1968], dated 26-11-1968.

JUDICIAL ANALYSIS

The above circular was quoted and relied on, in *M.C.T.M. Chidambaram Chettiar Foundation v. ITO* [1991] 39 TTJ (Mad.) 82, 87.

Note : The above view cannot be construed as correct, in view of the preponderant judicial view expressed in the cases of *CIT v. C.M. Kothari Charitable Trust* [1984] 149 ITR 573 (Mad.); *CIT v. H.H. Marthanda Varma Elayaraja of Travancore Trust* [1981] 129 ITR 191 (Ker.); *Mohanlal Hargovinddas Public Charitable Trust v. CIT*

A.L.N. Rao Charitable Trust* [1976] 103 ITR 44 (Kar.), which has since been approved by the Supreme Court in the case of *Addl. CIT v. A.L.N. Rao Charitable Trust* [1995] 216 ITR 697 (SC).

CLARIFICATION 3

1. In Board's Circular No. 2-P(LXX-5), dated 15-5-1963, it was explained that a religious or charitable trust, claiming exemption under section 11(1), must spend at least 75 per cent of its *total income* for religious or charitable purposes. In other words, it was not permitted to accumulate more than 25 per cent of its *total income*. The question has been reconsidered by the Board and the correct legal position is explained below.

2. Section 11(1) provides that subject to the provisions of sections 60 to 63, "the following income shall not be included in the total income of the previous year. . . ." The reference in clause (a) is invariably to "Income" and not to "total income". The expression "total income" has been specifically defined in section 2(45) as "the total amount of income computed in the manner laid down in this Act". *It would, accordingly, be incorrect to assign to the word "income", used in section 11(1)(a), the same meaning as has been specifically assigned to the expression "total income" vide section 2(45).*

3. *In the case of a business undertaking, held under trust, its "income" will be the income as shown in the accounts of the undertaking.* Under section 11(4), any income of the business undertaking determined by the ITO, in accordance with the provisions of the Act, which is in excess of the income as shown in its accounts, is to be deemed to have been applied to purposes other than charitable or religious, and hence it will be charged to tax under sub-section (3). As only the income disclosed in the account will be eligible for exemption under section 11(1), the permitted accumulation of 25 per cent will also be calculated with reference to this income.

4. *Where the trust derives income from house property interest on securities, capital gains, or other sources, the word "income" should be understood in its commercial sense, i.e., book income, after adding back any appropriations or applications thereof towards the purposes of the trust or otherwise, and also after adding back any debits made for capital expenditure incurred for the purposes of the trust or otherwise.* It should be noted, in this connection, that the amounts so added back will become chargeable to tax under section 11(3) to the extent that they represent outgoings for purposes other than those of the trust. The amounts spent or

applied for the purposes of the trust from out of the income, computed in the aforesaid manner, should be not less than 75 per cent of the latter, if the trust is to get the full benefit of the exemption under section 11(1).

5. *To sum up the business income of the trust, as disclosed by the accounts plus its other income computed as above, will be the "income" of the trust for the purposes of section 11(1). Further, the trust must spend at least 75 per cent of this income and not accumulate more than 25 per cent thereof. The excess accumulation, if any, will become taxable under section 11(1).*

Circular : No. 5-P(LXX-6) of 1968, dated 19-6-1968.

JUDICIAL ANALYSIS

EXPLAINED IN - The above circular was explained in *CIT v. Programme for Community Organi-sation* [1997] 228 ITR 620 (Ker.), with the following observations :

"Reading of the circular dated June 19, 1968, it would be a condition by way of a clarification. The circular relates to the subject in the context.

It contains instructions regarding 'income' required to be applied for charitable purposes. Even the Board of Revenue has understood that it would be incorrect to assign to the word 'income' used in section 11(1)(a) of the Act, the same situation of understanding as is available from the expression 'total income' which is used in section 2(45) of the Act. It is specified that in the case of a business undertaking held under a trust, its income disclosed by the account will be eligible for exemption under section 11(1) and the permitted accumulation of 25 per cent will also be calculated with reference to this income.

Learned senior tax counsel submitted that the last paragraph of the circular makes out a different situation and, therefore, the circular as a whole will have to be read and taken into consideration in the context..." (pp. 623-624)

"The above paragraph, if fully read, does not alter the situation in any way. As seen from the above, when the trust derives income, it says that the word "income" should be understood in its commercial sense, *i.e.*, book income. In other words, the Department requires its officer to understand the income of the trust with reference to the book income, after adding back the items stated therein. It is thereafter that we see that whatever may be the position, the amount spent or applied for the purposes, it is clarified, should not be less than 75 per cent of the latter if the trust is to get the full benefit of the exemption under section 11(1). In our judgment, the statutory provision makes it abundantly clear that in regard to a trust which is entitled to get the

full benefit of exemption of section 11(1) of the Act, its income with reference to the head under consideration would have to be understood only at 75 per cent thereof, leaving 25 per cent altogether at that stage itself. In this sense of the situation, the Central Board of Revenue also has understood the situation in the context of the statutory language of section 11(1)(a) of the Act and not otherwise. This means that when the situation is established that the trust is entitled to the full benefit of exemption under section 11(1), the said trust is to get the benefit of 25 per cent and this 25 per cent has to be understood as that of the income of the trust under the relevant head of section 11(1)(a) of the Act." (pp. 624-625)

EXPLAINED IN - In *CIT v. Jayashree Charity Trust* [1986] 159 ITR 280 (Cal.), it was observed that this circular makes it clear that the word 'income' in section 11(1)(a) must be understood in a commercial sense. The entire income of the trust, in the commercial sense, has been spent for the purpose of charity. There is no reason to deny the benefit of exemption granted by section 11 to that portion of the income which has been taken away by deduction at source on the ground that the amount has not been spent or accumulated for the purpose of charity.

CLARIFICATION 4

It was clarified that section 11(1)(a) required that where income derived from property held under trust was accumulated for future application to charitable purposes in India, the extent of such accumulation should not exceed 25 per cent of the income from the property or Rs. 10,000, whichever is higher. Thus, *where a charitable trust donated, for charitable purposes, not out of its income but out of its corpus, movable or immovable property, equivalent to, or more in value than 75 per cent of the trust income for the year, the trust could not be regarded to have satisfied the requirement of section 11(1)(a).*

Source : *Relevant extracts from official minutes of twelfth meeting of Direct Taxes Advisory Committee (Central) held in New Delhi on 17-8-1968.*

CLARIFICATION 5

1. There appears to be certain amount of misconception in the minds of some Income-tax Officers regarding the provisions against the accumulation of income in excess of 25 per cent, contained in section 11(1). It may be clarified that the provisions in section 11(1), prohibiting accumulation of income in excess of 25 per cent, apply only to the income derived from property held under trust, but such restrictions are not applicable to capital receipts. *The donations received by a charitable trust from the members of the public, being capital receipts, cannot be regarded as income of the trust.* Accordingly, the donations received by the trust

should be excluded from the income of the trust for the purpose of calculating the accumulation limit of 25 per cent except in cases covered by section 12(2).

2. The above position will also be clear from section 12(2), which specifically provides that contributions made to a charitable trust by another trust, to which the provisions of section 11 apply, should, in the hands of the trustee, be deemed to be income derived from property for the purposes of section 11. Such contributions should, of course, be included in the total income of the receiving trust for the purpose of applying the limit of 25 per cent under section 11(1).

Letter : *F. No. 20/10/67-IT(A-I), dated 1-5-1967.*

JUDICIAL ANALYSIS

EXPLAINED IN - R.B. Shreeram Religious & Charitable Trust v. CIT [1998] 99 Taxman 318 (SC) with the observation that the CBDT Circular No. 20/10/67-IT(A-I), dated 1-5-1967 deals with the application of section 11(1). It does not deal with section 12. The Board Circular, therefore, must be read only as interpreting section 11(1) and not as interpreting section 12(1) which was not the subject-matter of the Board Circular.

CLARIFICATION 6

1. Under section 11(2), if a trust wants to accumulate income beyond the limit specified in clause (a) or clause (b) of section 11(1), it has to give a notice to the Income-tax Officer concerned in Form No. 10 prescribed under rule 17 of the Rules.

2. According to para 2 of the said Form, the accumulated money has to be invested in specified securities before the expiry of one month commencing from the end of the relevant previous year and according to para 3 thereof, copies of the annual accounts of the trust along with details of investment and utilisation, if any, of the money so accumulated, have to be furnished to the Income-tax Officer before April 30, every year.

3. It is hereby clarified that as far as proceedings for the assessment year 1962-63 are concerned, *the first requirement referred to in the previous paragraph will be regarded as having been fulfilled if the accumulated money is invested in the specified securities before September 30, 1962.* Similarly, the second requirement referred to in the previous paragraph shall be regarded as having been fulfilled if copies of the relevant accounts along with details of investment and utilisation of the accumulated money are furnished to the Income-tax Officer concerned before September 30, 1962.
